These two charts were a symbol of the covenant with the Millerites at the beginning of Modern Israel.

The placing of 1843, that specific year on this chart, created a shaking in Protestant America. They saw it as being in opposition to the Word of God.

As the they warred against this chart because of its relation to TIME, they eventually closed their probation as identified by the Second Angel.

William Miller believed that the cleansing of the Sanctuary was the purification of earth, angels were not guiding his mind on this issue. He used his own wisdom to understand this and he was wrong but he wasn't wrong in any of the other calculations that he made.

A CHRONOLOGICAL CHART OF THE VISIONS OF DANIEL & JOHN.
PUBLISHED BY J. T. HIBBS, at NEW-YORK.

All these prophecies take you to 1843.

Many theologians in our Church reject the 508 because they don't see the Daily as the work of the Pagan Powers. This specific event in 508 was the destruction of the Visigoths by Clovis.

Out of these three prophecies the only one we generally accept as Adventists is the 2300 days.

- 
- 677, 457, 508 are the perfect commencement of the Chain of Truth.
 - These dates were given by Gabriel because angels guided Miller's mind.
 - The 2520 is a true and correct prophecy.
 - People still war against the 2520 because they don't understand what they are doing. They are warring against God.
 - The Everlasting Gospel is a three-step prophetic testing message .
 - The 2300 days is the second test. It's a test of obedience.
 - Most have already failed this test because we've taken the word of man over the Word of God.
 - Most of the people who are familiar with this prophecy end up rejecting it.
- 

Let us Pray. Holy God, as we open your Word, each of us has a history. We come to this meeting with thoughts and ideas. Lord we are only human beings and we know that some of those thoughts and feelings and ideas have been placed in our minds by men. We may be challenged by the thoughts and ideas that have been presented here but it's our prayer that flesh may be hidden and only your Word may be made visible. Lord, I know that this is an important issue in this church and we want to be very careful to give an accurate and balanced view. Help me to have wisdom and not to turn truth into error. Help my translator to choose words carefully, guide her mind so that she may not choose incorrect words and add her thoughts. Please bless us and guide us Lord, as we go into one of the most controversial passages in connection with the 2520. Bless us, we pray in the name of Jesus. Amen.
