# Brown vs Board of Education 1954

Everyone of those white children were put in private schools. Segregation became worse after these court cases than it was before the court cases.

It's this **Green vs Connally's** attack on these private Christian schools that gained the attention of the Religious Right

It's the IRS that Reagan attacked to win the protestants. He said to an audience of thousands of protestants that the IRS was chasing these segregated private schools, that it was some kind of evil unconstitutional agenda.

They are afraid of the extinction of the White European race

In a historic decision, the U.S. Supreme Court ruled Monday June 15, 2020 that the 1964 Civil Rights Act protects gay, lesbian, and transgender employees from discrimination based on sex. The ruling was 6-3, with Justice Neil Gorsuch, President Trump's first appointee to the court, writing the majority opinion. The opinion was joined by Chief Justice John Roberts and the court's four liberal justices.

"Today," Gorsuch said, "we must decide whether an employer can fire someone simply for being homosexual or transgender. The answer is clear." He found such discrimination is barred by the language in the 1964 law that bans discrimination in employment based on race, religion, national origin or sex.

The decision is a huge victory for the LGBTQ community and a major loss for the Trump administration, which had sided with employers in three cases before the court.

Monday's ruling was remarkable in many respects. Nearly half the states have no legal protection for LGBTQ employees. Now, the federal law will protect employees in those states from firing and other adverse employment decisions made on the basis of their sexual orientation or gender identity.

**So, what is it  
that we have  
wrong?**

Dear Lord, thank you for our blessings. We see how you have guided us but also how you're guiding others, you don't wish anyone to be lost. Those who cannot be immediately reached by us because we're not ready and they are afraid. You are already preparing them, the same time that you are training us. Lord, we do not wish to get to Heaven and see that there are people lost because we didn't do our work properly. I pray that you will help us as we endeavor to understand what it is about your character that we don't understand and unlearn our mistakes. I pray that you will help us in this. In Jesus name - Amen
