

# The Manner of the King of the South

Tess Lambert March 2020  
Portugal

Presented by Donna Speiginer

- ❑ Steve Bannon believes we're in a war and that there are 4 movements. The American Revolution, Civil war, 2nd WW, and the history after Ronald Reagan.
- ❑ Each dispensation has a message and it must produce a change in behavior.
- ❑ The 2520 is the key that develops time setting.
- ❑ How the North and South are polar opposites. We go from polar opposites to mirror image. This mirror image gives us license to go from church over state and state over church.
- ❑ Compare and contrast Egypt with Babylon, they are both Paganistic and in a church/state relationship.
- ❑ French Revolution and Daniel 11, to see how they both interact with the church.
- ❑ The Great Courses: by Professor Jeremy McInerney, on Alexander the Great and the Hellenistic Age, in particular Lecture 6, Titled, Egypt under the Ptolemy's.
- ❑ Rosetta Stone is a contract between Ptolemy V and the Priests of Memphis.
- ❑ Definition of Atheism and about the church and state model on a sliding scale. How the church and state model compare and contrast a marriage between a man and a woman. How it leads to different degrees of control that eventually leads to slavery and ultimately, murder.
- ❑ Compare and contrast Vladimir Putin with the French Revolution and that the KOS doesn't have to be atheistic but it's still state over church.
- ❑ Stalin and his wife Alliluyeva and why she killed herself.
- ❑ How Satan counterfeits God and how a Theocracy is one person that wears 2 hats.
- ❑ Daniel 6 and how Darius is the counterfeit Theocracy and why he doesn't have the power to change laws.
- ❑ Babylon, Medo-Persia, Greece and Rome all deify their Kings and that all these Kingdoms were a Theocracy.
- ❑ Kings and leaders always use the church/religion to control their people.

- **Repeating Pattern**
- **Each dispensation had a message introduced**
- **In the line of Reformation each step must transform you from one thing to another thing**

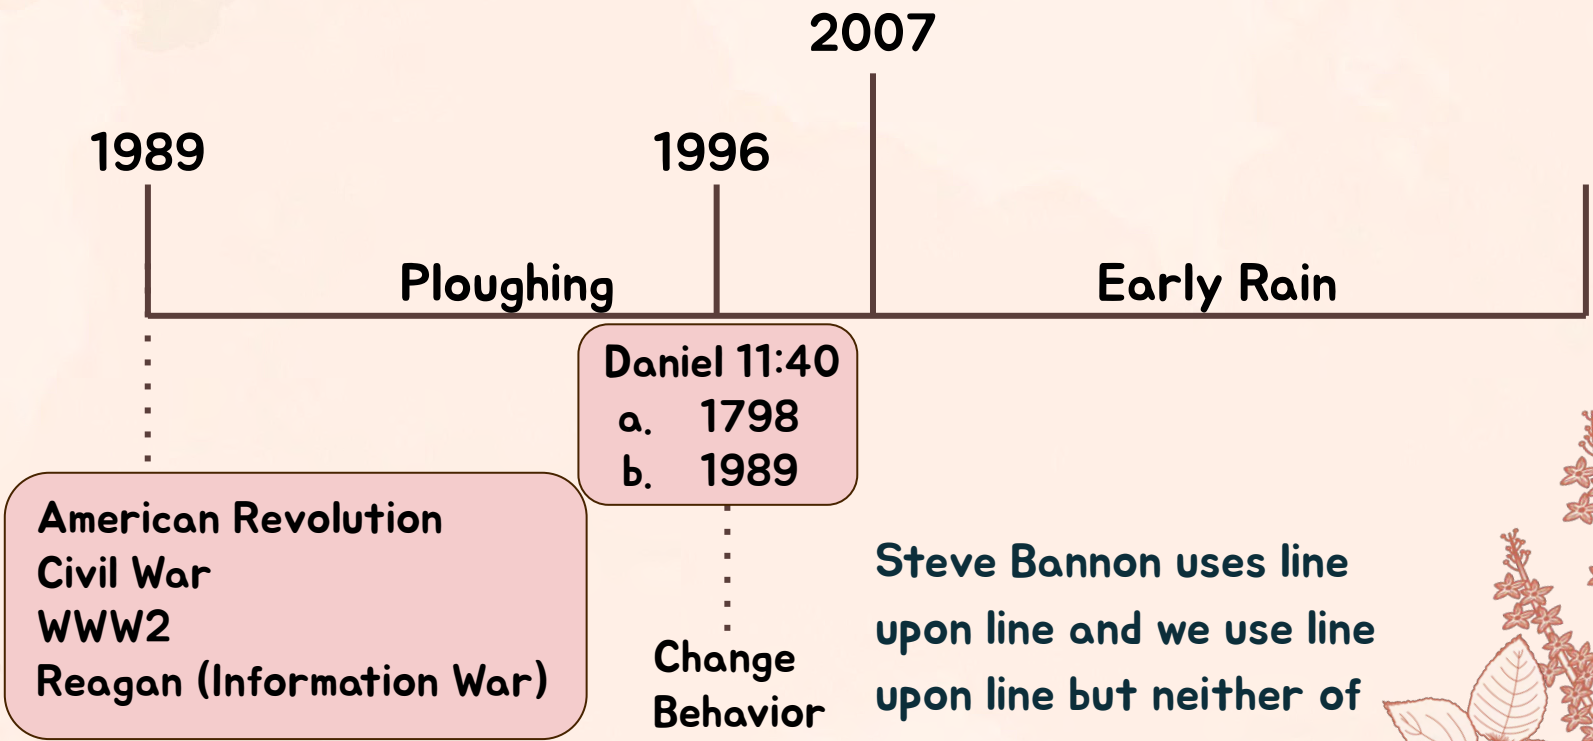

**The message must produce a change  
in behavior**

# What does Steve Bannon teach about the age that we are in?

- That there are four Movements
- The first one is the American Revolution = WAR
- The second one is the Civil War = WAR
- The third is World War 2 = WAR
- The fourth is the history after Reagan = WAR

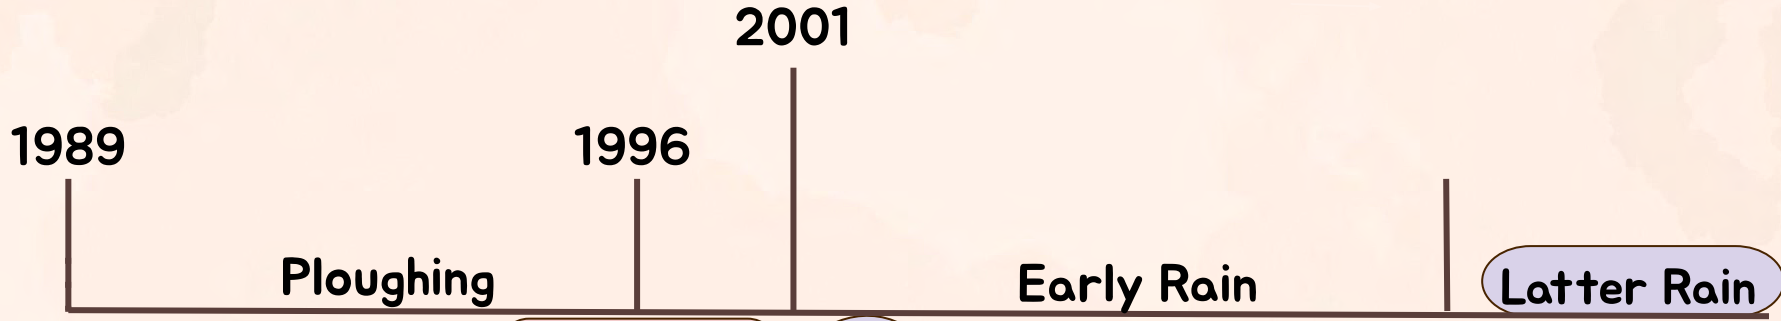

Steve Bannon uses line upon line and we use line upon line but neither of us would agree with each other on 1989

Who is God that I should  
worship Him?

How do you  
counter that  
argument?

Who is God that I should  
worship Him?

**BABYLON**

Compare & Contrast

Egypt and Babylon both have a Church/State relationship and they both are paganistic

Is Ptolemy  
Atheistic?

**NO**

Pagan

Pagan

**Daniel 11:5, 'The King of the  
South (*Ptolemy*) shall be  
strong and he'll fight with the  
King of the North.'**

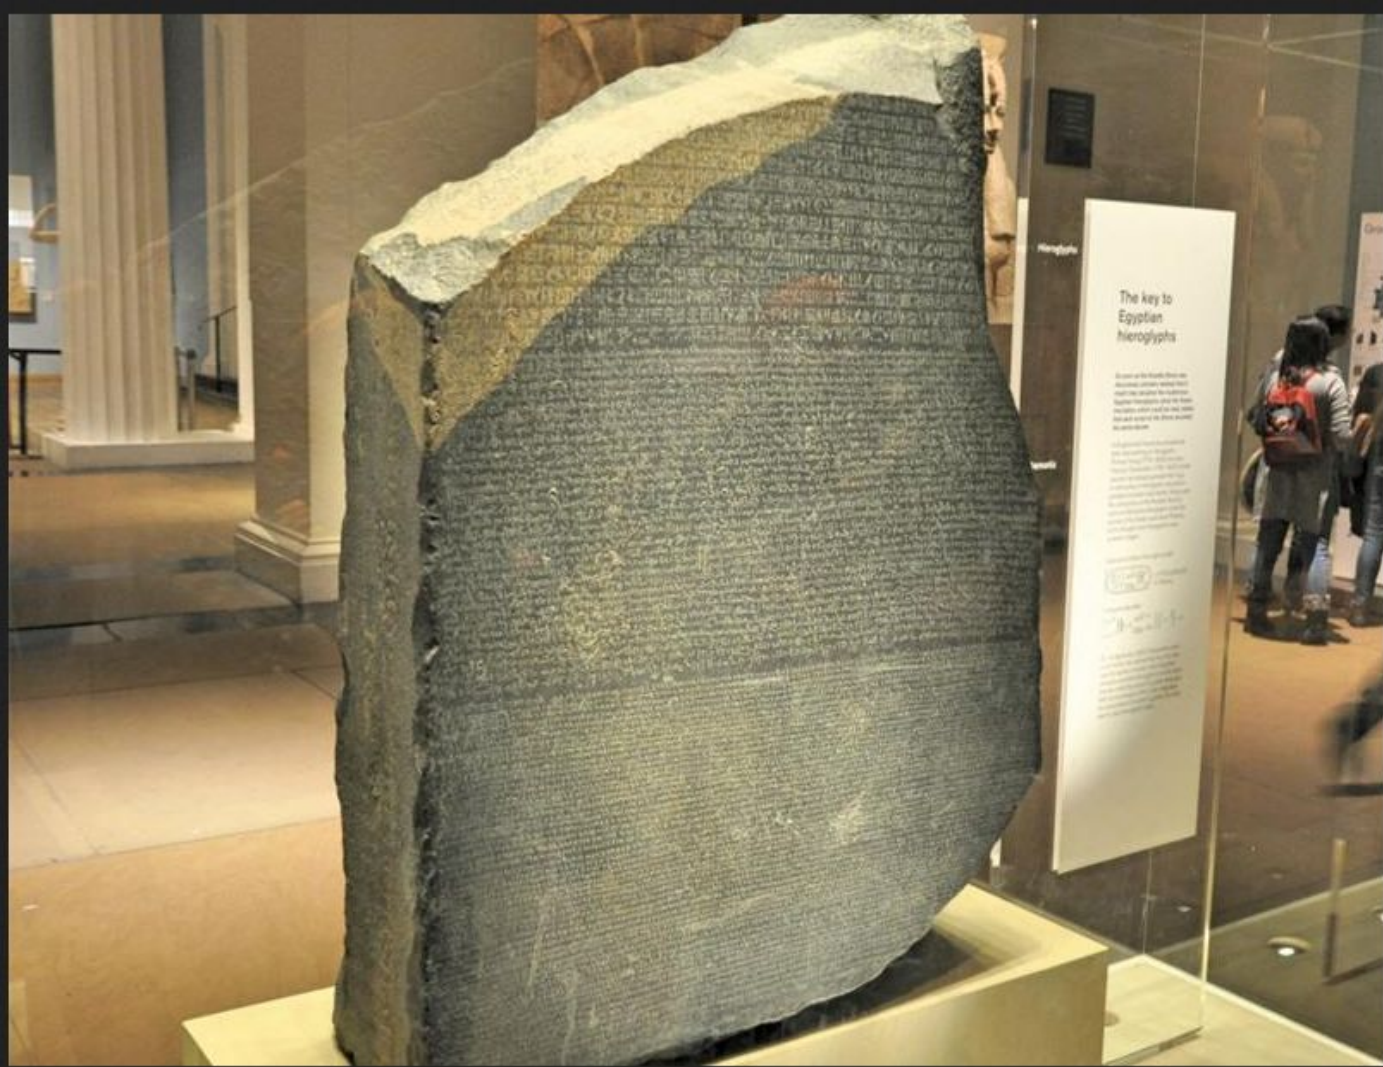

So, we went back to Ptolemy, I already gave you one source, this is a series of university lectures,

**Lecture 6, *Egypt under the Ptolemies.***

<https://www.thegreatcourses.com/courses/alexander-the-great-and-the-hellenistic-age>

We mentioned their economy because it's interesting but it wasn't their economy that we wanted to highlight. What we wanted to highlight was the relationship between the Ptolemies and the Church of Egypt.

Rosetta stone is a text, it's a decree that's an agreement between Ptolemy V and the priest of Memphis.

Who held the power?

Ptolemy, who is the King. So, the King of the South is pagan not atheistic.

Do Catholics, Muslims or Hindus worship the same God that we do?

No, does that make them Atheistic?

No. The definition of Atheism is a belief in no God, not that they don't believe in your God.

'What makes you think that your God is better than my God's.'

No, because all he's saying is who is your God, because I have my own God's. That's not Atheism.

## EGYPT

Church

State

The original KOS was a church/state relationship, the King and Paganism. The state had the power. Babylon was the same but who had the power?

The Church

Babylon is a mirror image of Egypt

## BABYLON

Church

State

The State says to the Church,  
'I no longer want you to exist.'  
Now, turn that into a marriage

State  
Church

Atheism

It can look really subtle but it's still the husband controlling the wife. In other words, it's still state over church.

What's the very worst this abusive relationship can become?

It turns into varying degrees of Slavery

Then what does it  
turn into?

**MURDER**  

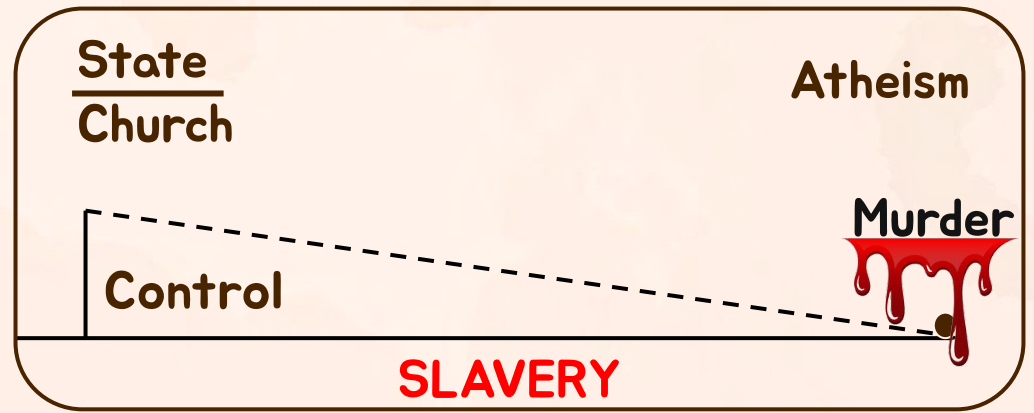

No, I  
don't  
think so

State

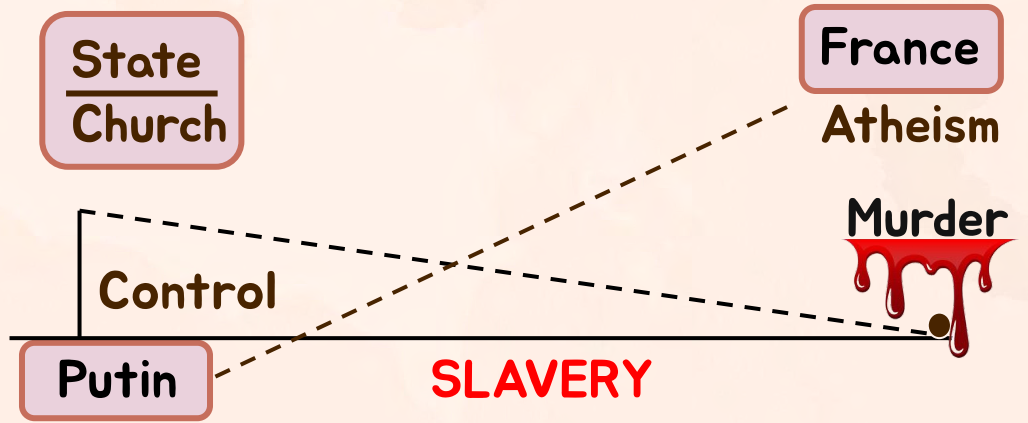

Church

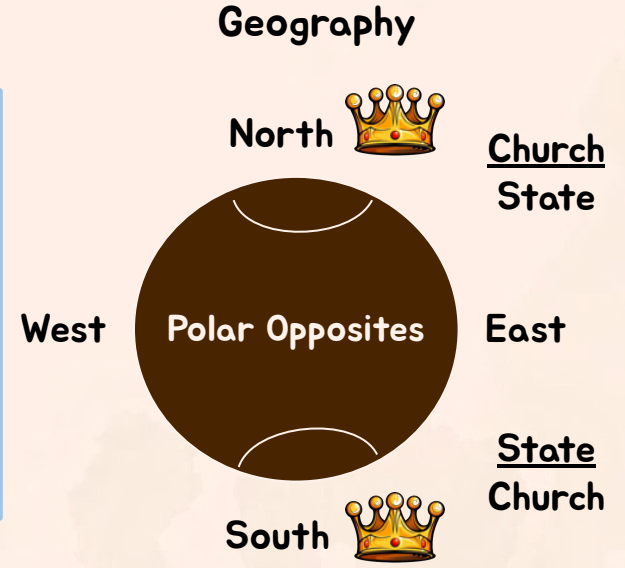

When the husband can't control  
his wife to his satisfaction, every  
minute of every day somewhere  
around the world one of these  
wives are killed.

And that would be atheistic France, it's still a state over church model just in its most abusive sense. This is violent because it's turned into physical abuse. When we talk about the KOS being atheistic, it's not necessarily wrong but it doesn't mean that the KOS has to be atheistic. The KOS is state over church. That is true for Vladimir Putin and for France in the French Revolution.

**You can kill physically as well as mentally. In many ways the mental condition is worse. I see more broken minds than broken bodies. Another way to kill someone is to destroy their mind. In the end they kill themselves, just like Stalin's wife. She shot herself on November 9.**

**Nadezhda Sergeevna Alliluyeva**, Born in Baku to a revolutionary and a friend of Stalin, she was raised in Saint Petersburg. Having known Stalin from a young age, the two married when she was 18, and they had two children. Alliluyeva worked as a secretary for Bolshevik leaders, including both Vladimir Lenin and Stalin, before enrolling at the Industrial Academy in Moscow to study synthetic fibres and become an engineer.

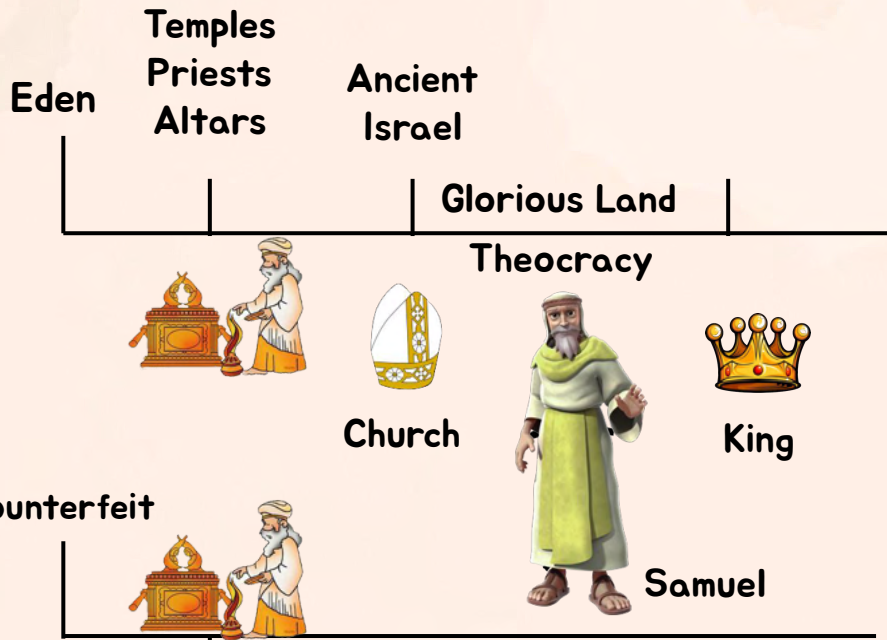

Alliluyeva had several health issues, which combined with her interest in pursuing an independent, professional career led to frequent arguments with Stalin, who wanted his wife to maintain a domestic role. On several occasions, Alliluyeva contemplated leaving Stalin, and after an argument shot herself the night of November 9, 1932.

When we have Egypt and Babylon, I thought the King who is the head of the state was the head of the church. Wouldn't that look like the state is over the church just like the Pharaoh? - Tamina

Babylon = Church

What I want to suggest is that the religious leaders are the state

If we can remember how Satan operates, what is he going to do?

Counterfeit

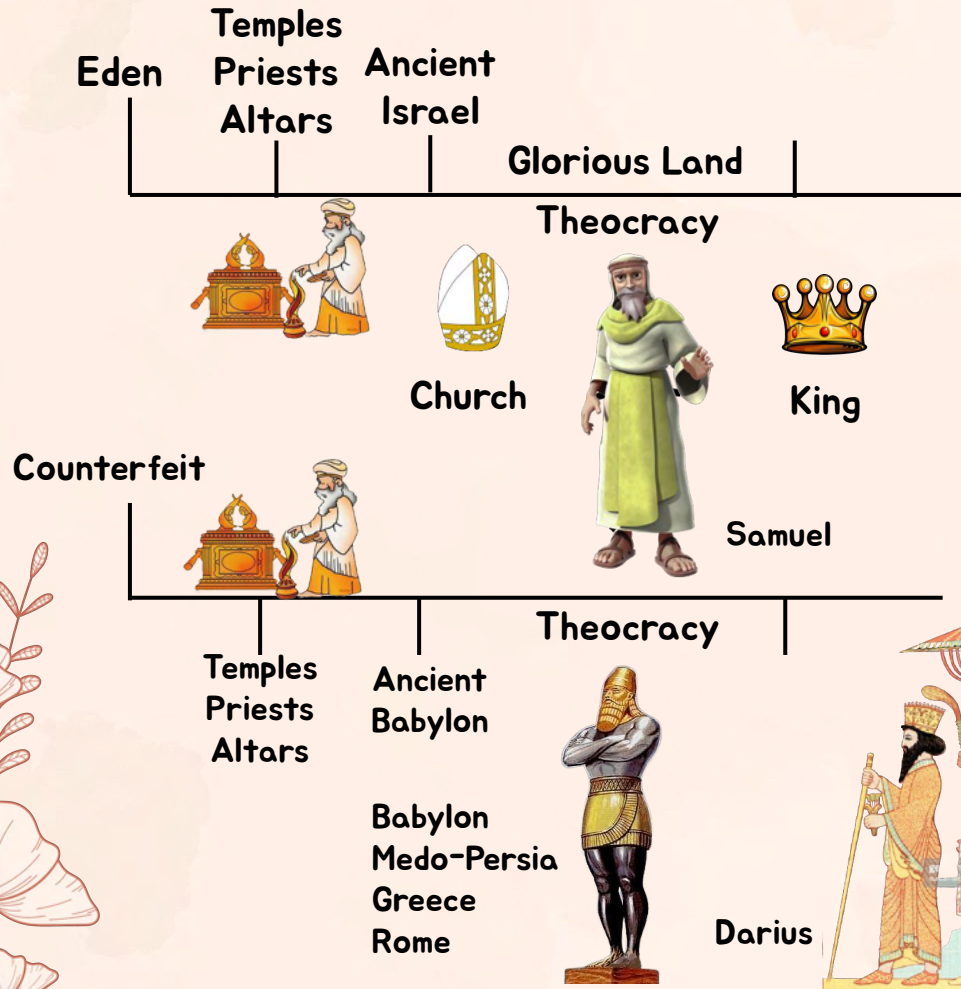

Where did Paganism come from?

Paganism is a direct counterfeit of the Sanctuary.

What method of Government did God introduce in Ancient Israel?

Theocracy

What type of government must Ancient Babylon be?

A Theocracy

These four Kingdoms are a Theocracy. One person is both head of Religion and Head of the State

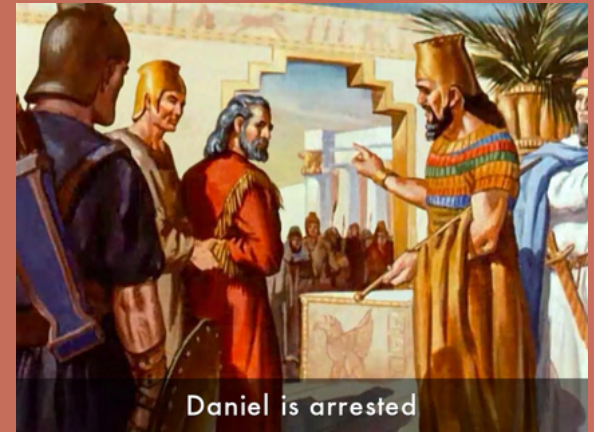

Darius is the counterfeit Theocracy

The other princes were jealous.

We want to make a new law.

Daniel is arrested

## 'Make a Decree'

The king searched for a way to save Daniel.

Darius is working  
in a Theocracy

He wears two  
hats, one King and  
one Priest

His State Hat

The law of the Medes and the Persians says that the King cannot go back on his word because the King is a God or a demigod and a God of any form cannot make mistakes

Can we therefore see that he's operating in a Theocracy because he's head of the Religion and he's a demigod but he's also head of the State

All of these were  
Theocracies. They were  
Church and State with just  
one person

Alexander was raised to believe that the King was not  
his father. He had himself named Alexander the Great  
because no one else had given him that name because in  
his mind he was a demigod.

John and the Pharisees get excited because a deliverer has come to restore the Theocracy, which is the Church and the State.

Instead God splits them, he splits the church from the state and he continues to work through his church.

The religious entity is going to control the state entity. So, the Pope is going to control Clovis and Clovis is not a demigod, he has no spiritual authority

In Paganism the Church was in control of the state

Under Ptolemy the church did not control him, he controlled the church because there's not much evidence that he even believed in the church

“This subject really moves me because I used to be Greek Orthodox and when we were being baptized we got the water sprinkled on us.

The priests only spoke in Latin. Also, at funerals it was all done in Latin. The people don't understand anything but they believe that this way is correct. For them Jesus is still a little baby in Mary's hands, he didn't grow up.”

—SOMEONE IN AUDIENCE

So, for the camera, our friend was just speaking about her history in the Greek Orthodox Church and their mindset, the system of sprinkling. Praise God I saw our friend go into the water last year. So, you have found a better way, hopefully to help many more come. Just like you said, many people have just never been shown any different and in their ignorance God winks.

Who gets to keep the  
name?

**Tamina:** Both can keep them.

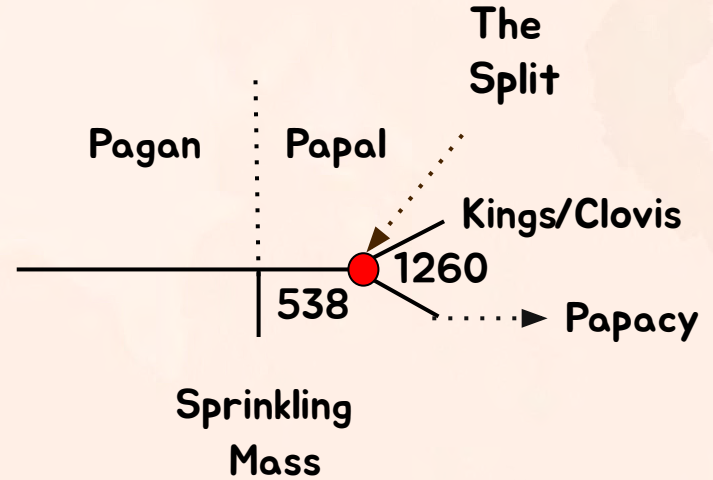

**Tess:** Why both?

**Tamina:** Because they used to be one.

**Tess:** What would you call one?

**Tamina:** When a man and a woman marry they become one flesh.

**Tess:** So, when they're married they have the same last name. So, now that they've been pulled apart it's easier to see two separate people. Church/Woman, State/Man. They're still married so who has the name? Just the Church? They both have the same last names.

Church/Woman

State/Man

Daniel 11:3, 'And a mighty King shall stand up.'

11:2, 'The **fourth** shall be far richer than they all.'

So, we should be looking today to see who is the richest Pope. Because Elder Jeff is now teaching that Donald Trump is the last president based on this verse.

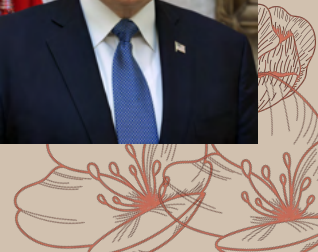

Can you see his problem?

In 2016 we studied all these verses on the King of the South vs the King of the North. We traced Reagan, Bush, Clinton, Bush Jr, Obama and Trump. We traced all of them through Daniel 11 and through these verses we identified 1798, 1989, Raphia and Panium. We understood that the King of the South is a State and the King of the North is a State.

If we were to go to verse 40, the King of the South is a state power and he's fighting against another state power, though he identifies as the King of the North. If Elder Jeff wants to say that the United States is not the King of the North he has to scrap his entire understanding of Daniel 11. At least the last five years.

He has to scratch his understanding of the first three verses, scratch the idea of Donald Trump being the fourth, which was this movement's entire argument about the last president. And then seriously reconsider verses 4-15, through Raphia and Panium, because that can't be the United States.

Clovis or France put the Pope on the throne and then he takes the Pope off the throne

In order to hurt Ukraine, Vladimir Putin is going to split the Russian Orthodox Church because Ukraine is Russian Orthodox. We don't look at that as something the Church is doing because the church has no power.

We know the power comes from the State. I think that's why we don't approach the King of the South in the same way because we never see the church do anything except to be used as a tool of the state.

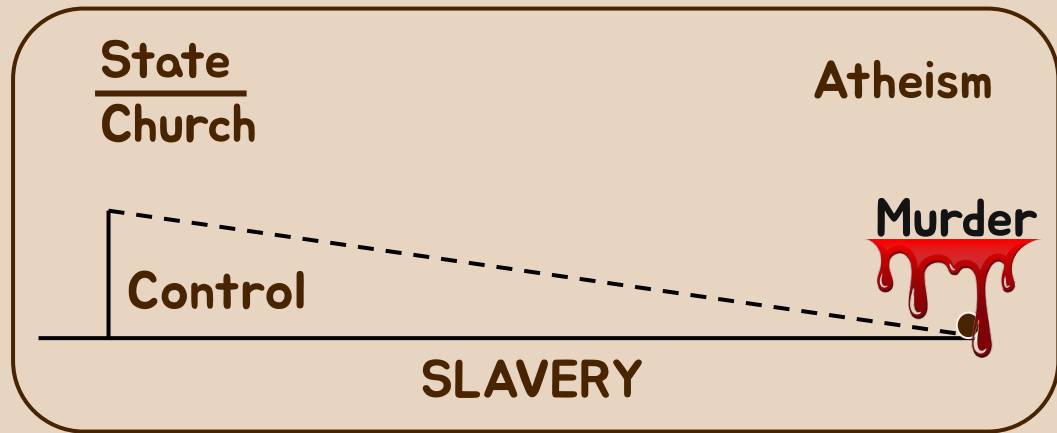

No, I don't think so

Femicide or feminicide is a sex-based hate crime term, broadly defined as "the intentional killing of women or girls because they are female," though definitions vary depending on its cultural context.

Dear Lord, thank you for our blessings. Thank you for this new day and the time that we've spent together. Lord we want to understand, there are many things that are confusing that we find the way you are teaching us is mixed with so much mercy. Knowing our weakness, you teach us in pictures and stories. I pray, Lord, that we will understand them and we might be prepared. I pray all of this in Jesus' name, Amen.
