

## *Christlike Love Blends Heart With Heart*

With all lowliness and meekness, with longsuffering, forbearing one another in love.

Ephesians 4:12. {UL 104.1}

**God is love.** The love of the Father and the Son is an attribute of every believer. The Word of God is the channel through which divine love is communicated to man. God's truth is the medium by which the intellect is reached. **The Holy Spirit is given to the human agent who works in cooperation with divine agencies. It transforms mind and character, enabling man to endure as seeing Him who is invisible.** Perfect love can be enjoyed only through the belief of the truth and the reception of the Holy Spirit.... {UL 104.2}

Christ prayed that His disciples might realize the importance of the love that He expressed by giving His life for the world. He desired them to understand something regarding His infinite sacrifice. If they had more fully understood His self-sacrificing love, they would never have engaged in alienation and strife. {UL 104.3}

**I urge all who claim to believe present truth to practice that truth.** If they do this, they will have a stronger and more powerful influence for good. The world will see that the love expressed by believers is the central and controlling principle of Christ's followers. **Christlike love blends heart with heart. The truth draws men together. It brings into harmony and unity all who have an earnest, living faith in the Saviour.** Christ designs those who believe in Him to develop and become strong by association with one another. All who work unselfishly in the master's service bear credentials to the world that God has sent His Son to this earth. {UL 104.4}

Although a company of Christians united in church capacity have not all the same talents, yet it is the duty of everyone to work. Talents differ, but to every man is given his work. All are dependent upon Christ in God. He is the glorious Head of all grades and classes of people associated through faith in the Word of God. **Bound together by a common belief in heavenly principles, they are all dependent on Him who is the Author and Finisher of their faith.** He has created the principles that produce universal oneness, universal love. His followers should meditate upon His love. They should not stop short of reaching the standard set before them. If the principles of Christianity are lived, they will produce universal harmony and perfect peace. **When the heart is imbued with the Spirit of Christ, there is no quarreling, no seeking for the supremacy, no striving to be reigning lords.**—Manuscript 46, March 31, 1902, "Unity a Sign of Discipleship." {UL 104.5}

## Lord, I Need You

Lord, I come, I confess  
Bowing here I find my rest  
Without You I fall apart  
You're the One that guides my heart

Lord, I need You, oh, I need You  
Every hour I need You  
My one defense, my righteousness  
Oh God, how I need You

Where sin runs deep Your grace is more  
Where grace is found is where You are  
Where You are, Lord, I am free  
Holiness is Christ in me

Lord, I need You, oh, I need You  
Every hour I need You  
My one defense, my righteousness  
Oh God, how I need You

So, teach my song to rise to You  
When temptation comes my way  
When I cannot stand, I'll fall on You  
Jesus, you're my hope and stay

Lord, I need You, oh, I need You  
Every hour I need You  
My one defense, my righteousness  
Oh God, how I need You

You're my one defense, my righteousness  
Oh God, how I need You  
My one defense, my righteousness  
Oh God, how I need You

## OPENING PRAYER:

# God's Pharmacy is Amazing!

It's been said that God first separated the salt water from the fresh, made dry land, planted a garden, made animals and fish... all before making a human. God made and provided what we'd need before we were born. These foods are best and more powerful when eaten raw. God left us a great clue as to what foods help what part of our body!

	<p>A sliced <u>Carrot</u> looks like the human eye. The pupil, iris and radiating lines look just like the human eye... and YES, science now shows carrots greatly enhance blood flow to and function of the eyes.</p>
	<p>A <u>Tomato</u> has four chambers and is red. The heart has four chambers and is red. All of the research shows tomatoes are loaded with lycopene and are indeed pure heart and blood food.</p>
	<p><u>Grapes</u> hang in a cluster that has the shape of the heart. Each grape looks like a blood cell and all of the research today shows grapes are also profound heart and blood vitalizing food.</p>
	<p>A <u>Walnut</u> looks like a little brain, a left and right hemisphere, upper cerebrums and lower cerebellums. Even the wrinkles or folds on the nut are just like the neo-cortex. We now know walnuts help develop more than three (3) dozen neurotransmitters for brain function.</p>
	<p><u>Kidney Beans</u> actually heal and help maintain kidney function and yes, they look exactly like the human kidneys.</p>

	<p><b><u>Celery, Bok Choy, Rhubarb</u> and many more look just like bones. These foods specifically target bone strength. Bones are 23% sodium and these foods are 23% calcium. If you don't have enough calcium in your diet, the body pulls it from the bones, thus making them weak. These foods replenish the skeletal needs of the body.</b></p>
	<p><b><u>Avocados, Eggplant and Pears</u> target the health and function of the womb and cervix of the female - they look just like these organs. Today's research shows that when a woman eats one avocado a week, it balances hormones, sheds unwanted birth weight, and prevents cervical cancers. And how profound is this? It takes exactly nine (9) months to grow an avocado from blossom to ripened fruit. There are over 14,000 photolytic chemical constituents of nutrition in each one of these foods (modern science has only studied and named about 141 of them).</b></p>
	<p><b><u>Figs</u> are full of seeds and hang in twos when they grow. Figs increase the mobility of male sperm and increase the numbers of Sperm as well to overcome male sterility.</b></p>
	<p><b><u>Sweet Potatoes</u> look like the pancreas and actually balance the glycemic index of diabetics.</b></p>
	<p><b><u>Olives</u> assist the health and function of the ovaries</b></p>
	<p><b><u>Oranges, Grapefruits, and other Citrus</u> fruits look just like the mammary glands of the female and actually assist the health of the breasts and the movement of lymph in and out of the breasts.</b></p>
	<p><b><u>Onions</u> look like the body's cells. Research shows onions clear waste materials from all of the body cells. They even produce tears which wash the epithelial layers of the eyes. <u>Garlic</u> also helps eliminate waste materials and dangerous free radicals from the body.</b></p>
