**\*\* PRESENTATION BY ANTOINETTE \*\***

**\*\* UGANDA CAMP MEETING \*\* 13/01/20 \*\***

When we approach our line, one of the most difficult things that I would suggest we need to do, is to juggle multiple concepts at the **same** time. When we come to a history like **2014** to **2019**, everything can become confusing if we just look at it from **one** direction

We need to try and practice looking at these things from **multiple** directions. What I mean by that, is when we **think** about the line of **144,000**, it begins in **1989**, and prior to that you have this **10-year** history of the **Moral Majority**. And then we arrived at the **Time of the End**.

We know that this is our overarching line, it is our template from which we take our fractals. We come down to **2014** to **2019**, we do not see **2014** on the line of **144,000**, so, we will just note that it is in here.

But we have this **overarching** line of **144,000** and it shows how our reformed line begins. Of the line of **Acts 27**, you come to **1989**, and you have two **Presidents, Reagan and Bush**. And the **Moral Majority** was **Instrumental** in the election of both **Presidents**.

So, we can see on the line of the **144,000**, when we come to this history, we have the rise of **Jerry Falwell**, this attempt to make **America Great Again**, restore its **Morality** through the action of the **Political System**.

And then as we trace the **reformed line** of the **144,000** through **Raphia, Panium, Sunday Law, Close of Probation, Second Advent**, are all just one history of progression. the result of the **Moral Majority** and the election of **Ronald Reagan**.

**Moral Majority**, backlash to the **Civil Rights Movement**, issues of **Equality**, they get **Reagan** elected and then **George Bush**. **2014** is not on this reform line, it's **progression** from then on in.

But we have **another way** to look at this, we come to the line of the **World**, and it shows us a more complicated picture, that we can see this **Waymark** that doesn't exist here, **2014 to 2019**, and all the sudden **2014** is the **Time of the End**.

And what happens in its history? You have **Jerry Falwell Jr**, you have their own form of **Moral Majority**, and here they can see **Reagan** elected and then **George Bush** elected. Whereas in this history it is the rise of **Donald Trump**.

Prior to **1979, 1989**, prior to the election of **Reagan**, they had **Presidents** who were quite **liberal**; **Jimmy Carter** comes to mind. And quite progressive in their policies. So, this election of **Reagan**, is a backlash against progressive **Presidents**. We come to a reform line where we are on the line of the **144,000**, we see the **United States** downhill all this time.

**Acts 20:7**, the **Ship** from the **Time of the End**, when they go on a **Voyage** they were not meant to go on, to when the **Storm** strikes, they're just a mess all the way till **Shipwreck**.

Then we **zoom in**, and it's a lot like looking at **Stars** in the night sky. If you were to stand and just look with your naked eye, you might look at a **bright Star** and think it is just **one Star**. And then you **zoom in**, and you see that in fact it is a **Galaxy**, and it is composed of **many Stars**. And you **zoom in** some more and you see **hundreds** if not **thousands of Stars**.

So, it is the same thing with our **Reform Lines**, we can zoom out and see this **Ship** from the very beginning, the combination of **Church and State**, the introduction of **Conservative Presidents** working with the **Church System** backlash against **Progressive Presidents**. And then it all goes downhill, all the way through the **Sunday Law**.

We **zoom in** and we see that the story is more **complicated**.

Prior to **2014** you have **Progressive Presidents**, namely **Barrack Obama**. There is a backlash to **Barrack Obama**, and we see the election of **Jerry Falwell**, we see the election of **Donald Trump**, through again **Jerry Falwell Jr**, and his own form of the **Moral Majority**, a collection of **Evangelical Leaders**.

I don't think we realize how **important**, not just in **understanding** this, but also **understanding** our **Primary Waymarks**, that we can conceptualize them in these **different** ways.

So, when we come to this history of **2014** to **2019**, we've tried to **Incorporate** some of that. And that is an explanation of why we see **Michael Moore**, he does **Formalize** their message in **2018**.

So, you can introduce him to this story as if the **Time of the End** were **2014**, and then he's going to have an **Increase of Knowledge** and **Formulate a message**, known as **Fahrenheit 11/9**.

But that isn't our only **Narrative**, we also have the **144,000**. And we are using the **Priesthood** line when we look at **2014** to **2019**. And we see that in that **Plowing**, that early history, and the **Plowing** history of the **Priests**, **144,000**, we must place **Michael Moore** and his ascendancy, because we're working off these **Two Different Concepts** or **Reformed Lines**.

So, when we understand **2014**, **2019**, the **Plowing** of the **World History**, we must see it in these **Two Different Ways**. first, learning from the **Preparation** and **Plowing** of the **Priests**, **144,000**, and we bring that in and

see that they are going to **Mirror that Image**. A **10-year** history where they meant to wake up. In **2004**, being the release of **Fahrenheit 9/11**.

Our **Reform Lines** are simple when we keep each **Element Separate**, but where we must start **Juggling the Different Elements**, the fact that this is the introduction of **Michael Moore**. But he is also relevant to the **144,000**; then we must conceptualize **Multiple Elements** at the **same** time

So, we are learning from the **Plowing** of the **Priests** or the **144,000**, both have this **10-year** history where they are meant to wake up; **1979 to 1989**, **Moral Majority**, **Afghanistan war**, etc.

We see then this **10-year** history of preparation for the **world**; **2004** to **2014**, and this is where you see a **Massive Global Change**.

**2009**, the **Global Financial Crisis**, **2008, 2009**, launches the **Ultra Conservative Tea Party**. This **Tea Party** is a **Catalyst** in the rise of **Donald Trump**.

The next **Catalyst** is **Obama's** re-election in **2012**, you can already see within their **10-year** history, that they are working off our own **Waymarks**; **2009, 2012**, are **Waymarks** in the **history** of the **Priests**.

So, even in their **10 years** they are following the same **Pattern**; **2009, 2012**, the two catalysts years that bring us to **2014** and the rise of **Donald Trump**.

We looked at the documentary of **Frontline, Zero Tolerance**, and it shows in **Steve Bannon's** own words as he takes part in that **documentary**,

because of the **Tea Party Movement**, and then **Obama's** re-election, he brought together a **Coalition** of **Steven Miller** and **Jeff Sessions** with himself at the **Breitbart Embassy** in **Washington DC**, and they **Formulated a Plan**, of how they were going to bring in this **New Government**.

And when I say, **New Government**, is not just a **New President**, it is the **Overthrow** of the whole **American Establishment**, as it has been for a couple of hundred years.

They decide that the first step is to **Overthrow the Establishment** within their own **Republican Party**. And they begin that work in **2014**, with the **Speaker of the House Eric Cantor**, losing his election; the first **Speaker of the House** to lose his **Own Election** in the history of the **United States**. And why he does this, is because the **Republican Party** plus **Fox News**, his own **Allies**, turn on him and essentially, it's the beginning of an **Internal Purge**.

We understand, **Adolphe Hitler**; what did he do when he came into power? He **Purged his own Party**.

It was known as the “**Night of Long Knives**”. He sent out all these men, with it's so called knives, they used guns as well; and **Assassinated, slaughtered**, members of his own **Party**, the people that helped bring him to power.

**Stalin**, what did he do when he took power? First Step

**Hitler** is elected, he comes to power in **1933**, why is he not doing a **Worldwide** work until **1939**? It takes him six years. What does he got to do? He's got to **Purge** his own **Country**. First his own **Party**, then a **Dictatorial Control** over his own **Party**.

**Stalin**, comes to **Power** in the early **1920s**, why does he take so long, he's not even fighting **Germany** until **1941**. And **Germany**, is his **Archenemy**, why does it take him about **15, 18 years**, because **Stalin purged** more than anyone, he hardly had a **Competent General** left by the time **World War II** began. They always begin **Purging**, first of all the people that got them to power, their own **Party**, and then a **Nationwide Purge**.

So, the first beginning of a **Dictatorship** was this **Purge** in **2014**, and it is **Orchestrated** by **Steve Bannon, Stephen Miller, and Jeff's Sessions**. And the key issue that they are working off, is the issue of **Immigration**.

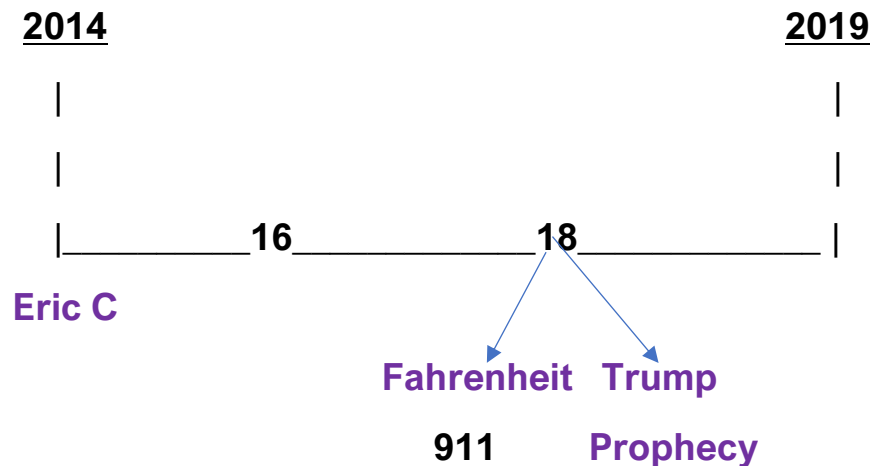

Because **Eric Cantor** and those **Swamp-like Republicans**, they were **Mainstream, Middle-of-the-road Conservatives**, they were willing to compromise with **Barack Obama** on **Immigration**. They needed to get rid of all of them and bring in **Hardline Conservatives**.

In **2014 2016** a win with **Donald Trump**, and what did **Steve Bannon** say about **2016**? He says, this was not an **Act of Man**, then continues to say, this was an **Act of God**, this was **Divine Providence**. He won't even take total personal credit for this, because he sees this is the **Work of God**.

**2018**, there is a **Formalization**, we looked at the **Trump Prophecy**, we have seen this coming together, this rising of **Donald Trump**, as the **Front Man** of the whole **Movement**. And we see that we have looked at it from **two** different ways. We have looked at it from the **Clearly Religious Aspect** of it, when you see **Jerry Falwell**, the **Evangelical Leaders**, how they came together to see him elected.

Then we looked at **Steve Bannon** and **Steven Miller**, and their work to get him elected. And we highlighted the point, that even though we can talk about the **Trump Prophecy** and **Jerry Falwell**, and that it is so **Clearly Religious**; what did we say about **Steve Bannon's movement**? It's **Religious**.

And again, he's an **Extremely Helpful Individual** ( **Steve Bannon** ) because you can find so much in his **own** words, he cannot stay quiet.

So, we went through some quotes, how he spoke in the **Vatican** in **2014**, he says that **godlessness, immorality**, has sapped the strength of the **Jewish Christian West**. So, he sees not only **Secular Immorality** is the **Enemy**, he also sees **Muslim Countries** is the **Enemy**.

We can focus a lot on his beliefs about **Radical Islam**, but it is also our **Secularism** that he sees as the **Enemy**.

He says that when **America** was **Great**, what it needed to be brought back to, was when there was **Economic Prosperity**, through **Capitalism**, and those **Capitalists** were **Strong Christians**. They are either strong in the **Jewish Faith** or strong in the **Christian Faith**.

So, when they need to make **America Great Again**, who do they need to bring in? It needs to be connected to this **Narrative**, that **America** is only great as a **Jewish Christian Nation**. He says, there is a **Crisis** and that **Crisis** is a **Crisis of faith**, a **Weakening of Jewish Christian Ideals**. Or you could say, **Jewish Christian Beliefs** or **Morality**; brought on by the recent **Popularity** of **Two Enemies**, **Secularism**, and the **Muslim World**.

He says, if you look back at the long history of the **Jewish Christian West** struggle against **Islam**, I believe that our **Forefathers** kept their stance, and I think they did the **Right Thing**, I think they kept it **Out** of the **World**.

So, it says they kept **Muslims** at a distance, they did not **Allow** them into their **Countries**. And he says whether it was at **Vienna** or **Other Places**, whether it was at **Vienna**, what **Message** does that bring us back to?

He says that their **Forefathers** defended the **Jewish Christian** in **Europe** by keeping the **Muslims at bay**, at **Vienna**.

What is he referring to? **Restraint of Radical Islam** at **Vienna** in **1529**.

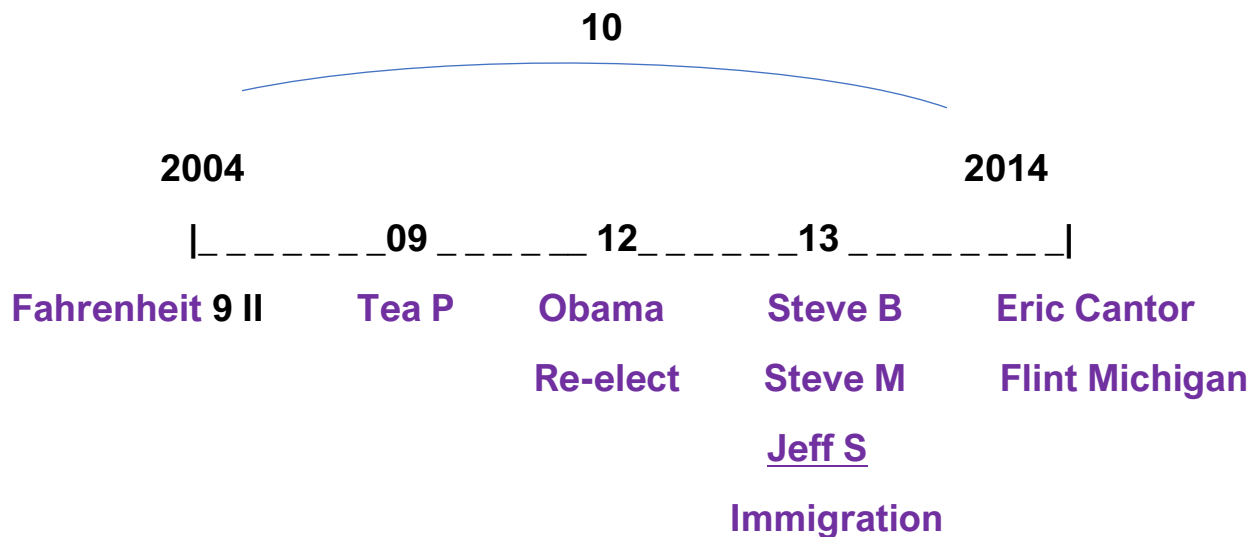

Why do we talk about **1529**? The **490** years

It is amazing how much of our message **Steve Bannon** would be **Familiar** with, if he went through this. But it brings up the **Siege of Vienna**, as an example of how their **Forefathers**, kept the **Muslim world at Bay**.

But it is all built on this **Narrative of Protecting America**. He does not say this, but you can see through the **Policies**.

I hope everyone by now, has looked at **Stephen Miller**, particularly as **Keeping America White**, and **Jewish / Christian**.

So, we went through that history, then we went through the history of **Michael Moore**, and we did that a couple of times. **Fahrenheit 9/11**, he did **Roger** in **May 1989** during **Fahrenheit 9/11, 2004** is explaining **2001** in multiple details. Then in **2014** the **Flint Michigan Crisis, 2018, September, October, Fahrenheit 11/9** and how closely his message **Paralleled** ours.

So, we see this is the history of the **Plowing of the World**. And we come to **2019**, and there is a completely **Polarized United States**; and that is being **Demonstrated** through the **Litmus Test**, that was the **Impeachment Proceeding**.

So, this is the **Plowing of the World**, we come down through the history of their **Early Rain**, then the history of their **Latter Rain**.

We understand, that on a **Reform Line** we have five **Primary Waymarks**; we have **2014, 2019, 2021, Sunday Law, and the Close of Probation.**

So, which **Waymark** is **2021** for a **Nethinim**? It's the **Sunday Law.**

When it talks about the **Sunday Law**, it is speaking of this one (**Daniel 11:1**). So, I want us to remember that what we call **Panium** or **2021**, is the **Sunday Law** for the **World.**

**Great Controversy, 605.3, Heretofore those who presented the truths of the third angel's message have often been regarded as mere alarmists. Their predictions that religious intolerance would gain control in the United States, that church and state would unite to persecute those who keep the commandments of God, have been pronounced groundless and absurd. It has been confidently declared that this land could never become other than what it has been, the defender of religious freedom. But as the question of enforcing Sunday observance is widely agitated, the events so long doubted and disbelieved is seen to be approaching, and the third message will produce an effect which it could not have had before.**

So, where did we place this quote; **But as the question of enforcing Sunday observance is widely agitated, the events so long doubted and believed is seen to be approaching.**

So, what is that event, and where would we place it on our **Reform Line**? We would place it at **2021**, and we placed the **Agitation** at the **Sunday Law.**

Before the **Event**, the people said would never happen, before it **Approaches** there is an **Agitation** of the subject.

So, when we see a **Waymark Approaching**, where are we, and how much light are we given in advance?

So, if we see it **Approaching**, can we see it if **Something** is **Blocking** our view? No, because this is **Agitation** for the **World**, it must be in front of them. Therefore, we would **Place the Agitation**, at what we call **Panium** or **2021**, the **Agitation** is prior to the **Sunday Law**.

What then do we do for them, in their **History of the Harvest**?

We have seen the history of their **Ploughing**; we've seen this **Polarizing Message** between **Two Groups**; those who believe **Trump is Hitler** and those who believe he is **Cyrus**. We come down to their **Harvest**, and the **Cry is Pronounced to Come out of Her my People**, progressively from the **Sunday Law** to the **Loud Cry**.

What kind of message are we giving these people? We are going to give them a **Bible Message** about **External Events**.

Let us Differentiate them. So, this is a purely **Internal Biblical Message**, **Biblical only**, not connected to the **External Events**. And this one is **Prophetic**, explaining the **External Events**, like **World War I**, **World War II** and **World War III**.

So, it's a connection between the **Biblical** and the **Prophetic**, explaining **External Events**.

Does any of these require people to keep something that we could or would turn **Morality**, a bad term for it?

So, when we take this message are we going to be telling people, you need to **Dress Modestly**, you need to **Remove your Jewelry**, you need to be **Vegan**; are we going to tell people any of that?

So, someone said, no other **Requirements**, all they must do is accept this one **External Message**, and that is it. We bring to them, no message about **Diet Reform**, or **Health Reform**.

And another brother said, no other **Requirement**, accept the **Testing Present Truth Message** of their **Dispensation**.

And another brother said, all **Truths**, they're **Required** to take everything that we have.

My understanding, when people talked about a **Biblical Message**, they are talking about this specific **Testing Message** for their **Dispensation**; not going to the **Bible** to show them quotes about **Diet** or **Jewelry** or anything like that. It is **Biblical Only**, related to the **One Test**.

That is my understanding what people meant when they said **Biblical**; a **Biblical Message** relating to the **Harvest Test** of their **Dispensation**.

Do we agree all **Truths** are **Required**, plus the **Testing Message**?

So, this one says **Biblical Only**, but this **Biblical Message** relates directly and specifically to the **Test of their Dispensation**. So, if we were to speak to them about **Equality**, for instance, we are going to go through **Inspiration** to prove **Equality**.

This one is a **Prophetic Message, World War I, World War 2**, explaining **External Events**. The difference I want us to see is related to what we are bringing them. Are we bringing them just some type of **External Message**, like you **Don't** have to be **Christian**, you **Don't** need to **Keep the Sabbath**, you **Don't** need to **Change your Diet**, or any of your **Practices**; just accept this **One Test**. Whatever is your **Testing Message** is, that is all you need.

Because some people, and I do not mean this in a bad way; people are mostly confused over this. And so, this is how confused people have

become, where we have such **Different Narratives** among ourselves, of what this history looks like.

So, we want to come into some type of **Unity**, as much as we can about what the **Lines teach** us regarding this history. Are people **Required** to accept **All the Truth** that we understand, whether they relate to **Sabbath**, or **Diet**, or **Dress**?

Plus, the **Testing Message** of their **Harvest**? Or do we give another **Message**, other than their **One Testing Message**? This specifically, is what's **dividing** people.

We are **Divided** into **Two Groups**, the **World** is **Divided** into **Two Groups**, so, I asked people, to give their idea, their summary in a couple of words, of what those **Two Groups** are. And someone said, **Conservative** verses **Liberal**.

So, we all agree on this point, **Conservative** versus **Liberal**. We are taking that because we are looking back at the **Plowing History** and seeing the **Split** that is happening within **America**.

Moving to another topic

So, when speaking about **Ancient Israel**, what type of **Government** did **God** require **Ancient Israel** to have?

When we discuss **Ancient Israel**, we are talking about the **Glorious Land**. So, this is the **Original Glorious Land**, and where is **Alpha Glorious Land**, and what is the **Omega Glorious Land**? **The United States**.

So, when it comes to the **Government of the United States**, it rises in **1798**, and has **Two Horns** like a **Lamb**. What are those **Two Horns**: The **Two Horns** of the **Lamb like Beast**, represent, **Republicanism** and **Protestantism**.

So, were those **horns** allowed to touch, no, those **horns** were not allowed to **touch**, they are **separated**.

So, we know that the **Omega Glorious Land**; the **United States**, what is their behavior towards **Church and State**? It's **Separate**.

So, **Alpha glorious Land**, what type of **Government** do they have? Because we know **Omega Glorious Land** Separates **Church** from **State**.

If we just think of one man, **Samuel**, what kind of **Power** did **Samuel** have, **Religious** or **Political**? **Religious**? So, when they are going to **War**, is it purely **Religious**? **No**, it's also **Political**.

So, can we see in one man, just in **Samuel**, he was both **Head** of their **Religion** and of their **Government**. So, **Ancient Israel** it is an incorporation of **Church and State**. We can see that neatly with **Samuel because** it talks about how he **Ruled** and **Judged Israel**, but we also know that his **Title is Religious**.

### Ancient Israel

**Samuel** >>> **Religious**

>>> **Political**

So, **Ancient Israel** is this **Combination** of **Church and State**, in one person. It gets a little bit more **complicated** once they come down to the **Kings**, but when **David** commits **Adultery**, what happens to him? **David is judged**.

So, if **David** commits **Adultery** and he's judged; is the **United States** being **Judged** because **Trump Committed adultery**? No

**David's judged** because he committed **Adultery**, **Trump is not judged** because he committed **adultery**, so even when they had **Kings**, they're still a **Theocracy**, they're still **Controlled** by the **Dictates of God's Requirements**, even under **Kings**.

So, that type of **Government** that **Incorporates** with a **Religious** and **Political**, you would call a **Theocracy**. **Ancient Israel, Alpha Glorious Land**, a **Combination** of **Church and state**, **Omega Glorious Land**, **Church and State Separated**. So, what **Methodology** do you have to use?

You wouldn't use **Compare and Contrast**, because if you use **Compare and Contrast**, what would you say? **Glorious Land Church State Union**, the **United States Glorious Land, Church State Union**, that is the **Methodology** the **Religious Right** are using.

What **Methodology** do we have to use? We must use **Dispensationalism**, otherwise we will side with **Ben Carson**. **Ben Carson** says that **Church and State Separation** does not mean that the two cannot work together.

So, at the beginning they are a **Church State Union**.

Let us use **Samuel** as an example of that; it is **Church plus State**, when did this **Theocracy** end?

### Ancient Israel

**Samuel** >>> **Church = State**

We know they been in **Captivity to Babylon**, they come out of that, they go into **Captivity to Rome**, but to be **God's Denominated People** this is what they expect.

### Ancient Israel

**Samuel** >>> **Church = State**

So, where would we place the end of that; after they come out from **Babylon** what do they do? They **Rebuild the Walls of Jerusalem** and they **Set up a Government**.

So, I would suggest that they are still under this type of model even through **Captivity** as they come out of **Captivity**.

So, they attempt to **restart** this, then they go into **Captivity to Rome**. What does do the **Pharisees** expect to happen? They expect to go back to a **Theocratic Government**.

It's a reasonable expectation when we place ourselves in their shoes, and we look at what they have had for how many hundreds of years. It becomes reasonable that a deliverer is raised up, and they are going to be able to Return to a **Theocracy**, which is **State Power** and **Religious Power**.

So, the **Pharisees** are expecting to return to **Theocracy**, **John** is expecting a return to **Theocracy**, what does **Christ** give them?

The point in time when they go from this **Theocratic** model of **Ancient Israel** to the early **Church**, which is not a **Combination of Church and State**.

**Ancient Israel**, from the history of **Moses** all the way through until the history of **Christ** and the **Early church**, is a **Combination of Church and State**.

When **Jesus** comes and sets up His **Disciples**, the **Jewish Leadership** is passed by, the **490** ends, **God's** people have gone from a **Theocracy Church and State**, to just **Church Power**. So, I would agree with that model, that they are a **Theocracy Church State Combination** through the history of **Ancient Israel**; from **Moses** to the time of **Christ**, recognizing their **Periods of Captivity**.

When we go to the model of **Daniel 2**, it **Compares and Contrasts** two **Kingdoms; Two Kingdoms** or **Churches**, and what are they? You have **God's**, the **Mountain**, and **Satan's**, what is Satan's? **Satan's** is **The Image**.

GOD'S MOUNTIAN

SATAN'S IMAGE

So, this **Image** of the **Statue** in **Daniel** chapter **2**, what is it composed of?  
It's composed of,

**Babylon** **Medo-Persia** **Greece** and **Rome**

And so, if you were to go to **Daniel** chapter **11**, it is going to talk about **Babylon**, but you know it's, **Medo-Persia**, **Greece**, and **Rome**.

So, it talks about **Alexander the Great**, he is **overthrown**, it's divided into the **Four Winds** of **Heaven** until you have **2**, **Seleucus** and **Ptolemy**. what term does it give for **Seleucus**?

So, if we want to turn to verse **5** and **6**, is the introduction to these **2 Kingdoms**; **Seleucus** and **Ptolemy**; **Lysimachus** and **Cassandra** have been done away with.

So, it talks about **Seleucus** and **Ptolemy**, but it doesn't name the individuals, it refers to them under **2 Different titles**. What are those **2 Different titles**?

If you were to go to verse **5** and verse **6**, in verse **5**, it's talking about **Ptolemy** in **Egypt**; but it doesn't say **Ptolemy** or **Egypt**, so, then how does it describe him? It describes him as the **King of the South**.

So, **Ptolemy** down in **Egypt** is the **king of the south**. So, then who is **Seleucus**? **Seleucus** is the **king of the north**.

So, when we talk about the **Statue** of **Daniel 2**, it takes us through

**BABYLON MEDO-PERSIA GREECE and ROME**

But **Prophetically** how do we define those **Kingdoms**, and what are each of these?

**ROME GREECE MEDO-PERSIA BABYLON**

They all come under the **Title** of the **Kings of the North**.

**Jeremiah 1:15**, starting in verse **13**, **And the word of the Lord came unto me the second time, saying, What seest thou? And I said, I see a seething pot; and the face thereof is toward the north. Then the Lord said unto me, Out of the north an evil shall break forth upon all the inhabitants of the land. For, lo, I will call all the families of the kingdoms of the north, saith the Lord; and they shall come, and they shall set every one his throne at the entering of the gates of Jerusalem, and against all the walls thereof roundabout and against all the cities of Judah.**

So, when **God** is going to **judge** his people, who does he bring against them? He brings the **king of the north**. Except it doesn't say, **king** or **Kingdom**, it says, **KINGDOMS** plural.

So, it says, **God** will call **all the families of the kingdoms of the north and they shall come** one after the other. **Babylon** came, **Medo-Persia** came, **Greece** came, **Rome** came.

And we have another witness. **Revelation chapter 17:3**. He sees a picture, a **Woman** riding a **Scarlet** colored **Beast**, that **Beast** having **Seven Heads** and **Ten Horns**.

The **Woman** is riding the **Beast**, what is that a **symbol** of, and who has the reigns? The **Woman**. So, is this a **Church, State Relationship**, and so

who's in power? The **Church** is: that's the model of the **king of the north, Church over State.**

So, we're seeing in the description the **Woman** riding the **Beast**, a **Woman** in **Bible Prophecy** representing **Church**, and a **Beast**, representing **State**; the **Church in Control over the State**, so this is a **Church, State Relationship.**

So, when we come and look at this **Beast**, what are the **Seven Heads**? Are they the **Kingdoms of Bible Prophecy**? Or are they **Babylon, Medo-Persia, Greece, and Rome**?

Because people would go to this verse, **Revelation 17:3**, and have **Two Different Stories**. One would see this is all the **Kings of Europe**, and one would see those **Seven Heads** are the **Seven Kingdoms of Bible Prophecy** starting with **Babylon**.

Which one do we see it as? We see it as **Kingdoms of Bible prophecy.**

We're having a **Photographic Flash** of this **Woman** in the history of **1798**, her **Cup is Full**, but this is **Satan's Church** since the very beginning. This is the **King of the North** or the **Church, State Relationship**; from the history of **Babylon, Medo-Persia, Greece. Pagan Rome, Papal Rome**, all through that history, the **Beast** has **Seven Heads**, the **Kingdoms of Bible Prophecy**.

So, if we take that picture and see, that this **Woman** is **Controlling** the **Seven Kingdoms of Bible Prophecy**, all those **Kingdoms** are the **King of the North**. Then all these **Kingdoms** starting in **Babylon, Medo-Persia, Greece, and Rome**, must be a **Church, State Relationship** with the **Church in Control of the State**.

So, come down to **Medo-Persia**, who controls **Medo-Persia**, **Church** or **State**? Does the **Church** control **Medo-Persia**, does their **Religion** control it, or is it **Controlled by State Power**?

So, we're taking these **Kingdoms**; option **1**, some people say **State**. How is **Medo-Persia Controlled**, through the **Church** or through the **State**?

So, some say **Both**, some say **State**, and some say, **Church**.

So, if we turn to the story of **Daniel** chapter **6**, you have all these **Government Officials** and they're angry at **Daniel**, and they want to trip him, so what are they going to do? **All the presidents of the kingdom, the governors, and the princes, the counsellors, and the captains, have consulted together to establish a royal statue, and to make a firm decree, that whosoever shall ask a petition of any God or man for thirty days, save of thee, O king, he shall be cast into the den of lions.**

The **King** signs a **Law** that says you're not allowed to make a request of any god, only to me. And then he sees that his favorite, **Daniel**, has **Broken** that **Law**, and the **Punishment** is **Death**, and what does **Darius** want to do?

So, if **Darius** wrote the **Law**, why can't he **Change** his own law?

**Darius** is not seen as **Mortal** by his people; this is why he can't **Change the Law**. Because to his people, **Darius, King of Medo-Persia**, he is not just a **King**, he's **Deified**, he is a **type of God**.

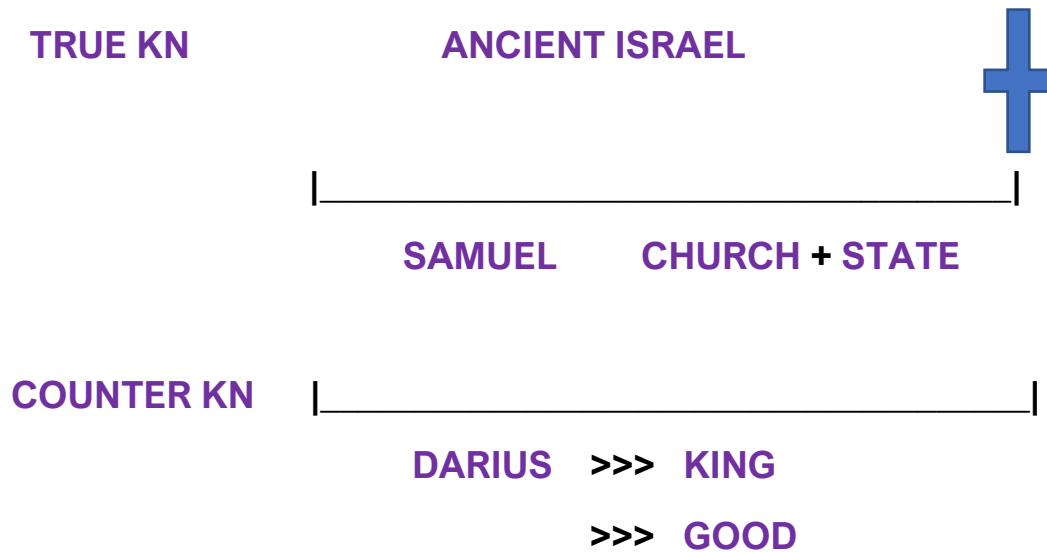

So, to his people he has **two Hats**. How many **Hats** does **Samuel** have? He has **two Hats**, it is a **Theocracy, State Power** and **Religious Power, Incorporated** into a **Theocracy**. **Darius** is the same, he is a **King** but he is not just the **King**, he is also **Deified**. he is the **Spiritual Leader** of **Medo-Persia**.

So, when he **Signs** a **Decree** as a **god**, saying, you can't make **requests**, you can't **Pray** and **Worship** any other **god** except **Me**, because I'm a **god**, I'm your **Special god**, you can't **Pray** to anyone else.

When he signs that **Decree** as a **god** then he comes back, he takes off his **god Hat** and he puts on his **King Hat** and he comes back as a **King** and he wants to **Change the Decree**, can he change it? **No, Darius as King Cannot Change** what he wrote into **Law** as **god**.

So, when we see the history of **Ancient Israel**, this is the **True King of the North. God's kingdom, Zion** in the sides of the **North**. It's the **True King of the North** and we talk about the **Counterfeit the Counterfeit King of the North**.

So, what type of **System of Government** is **Satan** going to **Counterfeit**? He sees a **Theocracy, Church and State** are **Incorporated** into **One Person**, he **Counterfeits** that with **Babylon, Medo-Persia, Greece, Rome**, you get **Kings** like **Darius**, they are **Church and State Incorporated** into **One Person**.

So, I tricked you all when I said **State or Church** and sister **Dorcas** chose to create a third option and say both, **Church and State**. And I agreed with her option, **Babylon, Medo-Persia, Greece, Rome**, they're **Controlled** by a **Church and State Relationship**.

But who is over who? **Church is over State**. So, **Darius as God** controls **Darius as king**.

So, this is **Church State**, this is **Church State**, this is history of the **Cross**. And now what does God do? He **Separates** the **Church** from the **State**, in the history of **Christ, 34 AD**.

So, the **King of the North**, through the history, from **Moses to Christ** has this **Church State Model** whether **Incorporated** into a **Theocracy** its **Counterfeited** with **Babylon, Medo-Persia, Greece, Rome**, those **Ancient Kingdoms** are also a **Theocracy**.

**Alexander the Great**, he believed he was a **god** did he not? That's why he named himself **Alexander the Great**. No **historian** calls him **Alexander the Great** that's just the title he chose for himself.

So, then **God** separates **Church** from **State**, and his people are **Incorporated** into this **Church**. So, **Satan**, works by **Counterfeiting**, what does he have to do? **Separate Church** from the **State**. When does that happen?

If **God** did this in the history of **Christ**, what does **Satan** have to do to his **kingdom**?

**King Clovis** of **France**, if he wants to get something done, whose **Permission** does he need for his **People**, the **Franks**. Is he a **king and God**? So, **Clovis** he is a **King**, but he is not the **Head** of their **Religion**.

Who is the **Head** of their **Religion**? The **Pope**.

So, can we see what has happened? **Darius** is both, **King and God**. You come down to **Clovis**, and he is only **King**. So, what has **Satan** then done? He **Separated**. So, it must happen prior to **1798**.

When does **Satan Counterfeit** this **Separating** of **Church** and **State**?  
Because we know that **Darius**, he is **King and God**, you come down to **Clovis**, he is only a **king**, he has no **Religious Leadership** of his **People**.

The point I want to make is, we see that this is a **Counterfeit** of this.

Then we see God do a work, separating **Church** from **State**.

So, by the time we come into the **1260 years**, we have the **Papacy** over who? **The kings of Europe**, but they are **separated**.

So, **God** separated **Church and State**, **Satan** separated **Counterfeit** work of separating **Church and State**. Now you don't have a **Theocracy** where the **King** is also **God**. Now you have a **Pope Religious Power** separate and distinct to the **State Power**. Just as **God's Church**, the early **Church** of the **Disciples**, separated itself from the **State Power**.
