01/16/2020	Brother DI	Continues to share his praise of how God has comforted his family during a time of distress and loss. Brother DI adds to his previous praise report that his dad is doing fine and is now going through rehab now. Also, his mom is managing well, though it hasn't been easy in coping with the loss and burying of her mother. The Lord is truly shows Himself a compassionate friend and safe refuge in times of sorrow and trial. Praise His holy name! Please continue to keep DI and his family in prayer. Thank you.
01/16/2020	Members of Sac Fellowship	Praises the Lord for being such an awesome Physician! Sister Christina is doing much better now. Praise the Lord!
01/16/2020	Sister Victoria	Praises the Lord in His way of working things out so timely. A while ago, Sister Victoria requested prayer for one of her female coworkers whose car broke down with terminal damage, beyond repair, and was worried about how she would get her daughter and herself around. The great news is that she was able to get a car and is now able to get her daughter and herself around town. Praise be to God!
01/16/2020	Sister Elaine	<p>Shares a word of encouragement from SOP by Ellen G. White: <u>Faith Rises Above the Shadows.--When clouds come between your soul and God, when all around you is dark and forbidding, when the enemy stands ready to rob the soul of its integrity to God and the truth, and when error stands out plausible and attractive, then it is time to pray and exercise faith in God. . . . Cherishing faith, the soul is enabled to rise beyond itself and penetrate the hellish shadow which the enemy casts athwart the pathway of every soul that is striving for an immortal crown.--Lt 30, 1896. (HC 126.) {2MCP 535.1}</u></p> <p>Faith Rests Upon Evidence.--The word of the Lord, spoken through His servants, is received by many with questionings and fears. And many will defer their obedience to the warning and reproofs given, waiting till every shadow of uncertainty is removed from their minds. <u>The unbelief that demands perfect knowledge will never yield to the evidence that God is pleased to give. He requires of His people faith that rests upon the weight of evidence, not upon perfect knowledge.</u> Those followers of Christ who accept the light that God sends them must obey the voice of God speaking to them when there are many other voices crying out against it. <u>It requires discernment to distinguish</u></p>

**Praise ye the LORD. Praise, O ye servants of the LORD, praise the name of the LORD.
Psalms 113:1**
