03/05/2020	Sister Victoria	Praises the Lord for Life and the opportunity to have it more abundantly! Sister Victoria wants to take the time to thank the Lord for the life of the brethren. She cherishes the life of all the brethren who stand for truth and live to be a blessing. For all the March babies (those born in March), happy birthday! May God continue to bless you as you continue to choose to live for Him with the sole purpose to honor Him with your life and be the blessing He has raised you up to be for such a time as this. Amen.
03/05/2020	Sister Victoria	Praises the Lord for His timeliness and ability to work all things out! Sister Victoria needed to complete her annual in-services for her job, which were due soon. She wanted to have it completed by the beginning of this month. She went to the Lord in prayer about the situation and left it in His hands to work out. She planned to talk with the Director of Education/Training to schedule her for an upcoming date. Upon arriving to work and checking the staffing assignment sheet, she noticed that her name wasn't assigned to a designated unit. The first thought that popped into her mind was, "What?! My name isn't assigned to a unit ... Yay! That means I get to go home!" Lol! Well, not that fast. She checked in with the House Supervisor and he informed her that he had scheduled her for training—the very training she needed! Praise the Lord! He further explained to her that her name could not fit on the schedule and that was the reason why her name was not listed among the rest. The blessing does not end here. So, the one training she was scheduled for was only 4 hours, and it wasn't settled for where she would go afterwards. She needed one more training to complete and asked if that training would be offered that same day or any date soon. She was then informed that the in-service requested would be held right after. In excitement of the opportunity, she asked if she could attend that training as well, and it was approved. Hallelujah! God is so good! He worked everything out. Before she had to do anything, the Lord had already set in place the workings for her to get her trainings completed before they expired. All glory be to God! Praise Him. 😊
