10/17/2019	Sister Victoria	Is so full of praise and gratitude to the Lord for answering her prayer in a recent time of distress. In the process of completing her notes for her presentation for the upcoming camp meeting in Rescue, CA, there was a computer glitch that happened in Power Point that would not allow her to open the Power Point document. Of course, she went into panic mode, a bit of shock. "What to do now?" was the question on her mind. The due date for notes to be in was the next day. There was no possible way to start the notes from scratch and have it done in time for them to ready to print. Crying out to God for help, she sought a sister in Christ to pray with her about this situation. Not even minutes after the uttered amen, was her document restored. Praise the Lord! She could open the document and see all the recent changes and additions made were saved, so she didn't have to do anything to the slides. Wow, the Lord is so worthy to be praised! To God is all the Glory, great things He hath done!
10/17/2019	Select Members of Sac Fellowship	Praises the Lord in how He has prepared us for the work He has called us to do. It is so neat to see how the Lord has prepared each of us to embrace present truth, to walk in that light, and to complete the various ministerial assignments He has given us to fulfill for such a time as this. Every past experience, directed by God's providence, that has shaped us into the person we are today, has been a stepping stone to being a part of His great work in the salvation of souls. What a blessing indeed! May we be faithful to such high calling.

10/17/2019	Sister Victoria	Shares a word of encouragement: "Through all trials we have a never failing Helper. He does not leave us alone to struggle with temptation, to battle with evil, and be finally crushed with burdens and sorrow." The Desire of Ages, p. 483. What a Mighty Helper we can depend upon!
10/17/2019	Sister Victoria	Shares a word of encouragement: "Whatever your anxieties and trials spread out your case before the Lord. Your spirit will be braced for endurance. The way will be opened for you... The weaker and more helpless you know yourself to be, the stronger will you become in His strength. The heavier your burdens, the more blessed the rest in casting them upon the Burden Bearer." The Desire of Ages, p. 329. What a

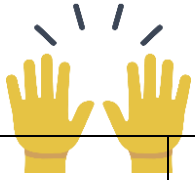

Praise ye the LORD. Praise, O ye servants of the LORD, praise the name of the LORD.
