10/29/2019	Sister Antoinette	Praises the Lord for Him gifting her opportunity to attend the camp meeting in Arkansas with the Lambert Church as well as the camping meeting in California with the Sacramento Fellowship Church. What a blessing! It was such a joy being among the brethren. The experience was amazing! To be blessed by the present truth of the hour and to create wonderful memories with everyone present was a just a great blessing. Praise the Lord!
10/29/2019	Select Members of Sacramento Fellowship	Sister Kathy B. underwent surgery about a week ago—spinal fusion from skull to the 4 th thoracic vertebrae. We praise the Lord that it was a successful procedure and that Sister Kathy is doing well. The Lord is so good in how He never gives us more than we can handle! Through every challenge and trial, He gives us the strength to forbear and never leaves us alone to bear it alone. Praise His holy name!
10/29/2019	Members of Sacramento Fellowship	A while after being baptized at the recent camp meeting in Rescue, CA, Sister Donna had a flare up from the cold temperature of water. It caused parts of her body to become numb and paralyzed. She was worried that it could be something very serious, similar to what she had experienced before that took six months to heal from, and she would possibly not be able to continue with the meetings and partake in communion service. But, can all say amen, when the Lord proves Himself and shows that He is greater than any fear, worry, and ailment! Not only was Sister Donna able to partake in the communion service, but was there for the entire meeting with a smile and healthy countenance that displayed no mark of discomfort or discontentment. Praise the Lord! We truly have a great Physician to turn to with all our afflictions who can deliver us from them all! Praise Him!
10/29/2019	Sister Victoria	Had asked us to keep her in prayer, asking the Lord to be relieved from caring for a client of the opposite sex due to some discomfort. The Lord has heard her cry and has answered. She is no longer assigned to care for that male client and will now be assigned to only work with female clients. She is thankful for the experience and has learned a lot. She keeps all her patients in prayer; but only the Lord knows that it was time and best to relieve her of that assignment.
10/29/2019	Sister Chenyu	Asked for us to keep her in prayer that the Lord would bless her with someone (or others) in the movement that spoke Chinese who could study with her and help her to understand present truth. Due to

		language barriers, it made it difficult for her at times to understand. It is so amazing to see how in even the smallest concerns of ours, the Lord hears all and empathizes with us. He has blessed Sister Chenyu to connect with a sister in the movement who is also Chinese named Mei. Praise the Lord! Chenyu is now working with Mei in doing ministry work and helping other to come and know present truth. God is so good!
10/29/2019	Sister Victoria	Praises the Lord for revealing all things In due season! In logging on to Zoom, it is only normal to acknowledge and see who all are in attendance. We want to be welcoming (and perhaps just out of curiosity know), but whatever the case we want to know. But what happens, when someone logs on under an anonymous name that we're not familiar with, and when greeted remains absolutely silent? Mysterious, right? It caused Sister Victoria (along with others) curiosity to peak when she couldn't figure out one who logged on by the name of "Z." Was it a spy or someone very timid who didn't want to be known? Who was this person? Well, come to find out, it was Brother Lamar. The secret is out everyone! Lol! What a joy it is to know! No need to worry over it anymore. Praise the Lord we know now! ☺
10/29/2019	Select Member of Sac Fellowship	Praises the Lord for His mighty presence! Prayer was requested for Brother Jonathon who was to present last Thursday for an evening Bible study. The Lord came through powerfully! The study went really well. Praise the Lord! There was a descent crowd, somewhere between 10-12 people online. All were in agreement. The message was more for those struggling and in the valley of decision, but not many, if at all was present. Nevertheless, the study was a blessing and everything went smoothly. The Bible studies will continue and be held every Thursday night at 5:30 p.m. to 7:30 p.m. (PST) via Zoom. Bible studies will be led by various presenters. This week, Brother Jonathon will continue to present on His study. If you would like to join, the meeting ID is: 131 333 279. Hope all can join!
10/29/2019	Sister Elaine	Praises the Lord for working every detail out for the meetings in Rescue to be a success and blessing for all! From the fellowship; the food; to the presentation, and everything in between, the Lord made it work out and run smoothly. Through every challenge and technical difficulty, He was an ever present help. His hand was in the midst of making all go according to schedule in alignment with His plan. He kept the power on through most of the meetings until a little while after the close of Sabbath, and into 30 minutes of the last presentation. Even then, we were blessed! Generators were cut on and lanterns set up with everyone

		working as a team to get everything settled to continue. It was such a blessing! Glory be to God!
10/29/2019	Brother Larry	Praises the Lord for getting him through his presentation. His sentiments are shared by all who presented. It is such a testament to the Lord's power that He can use any and every person who is willing to be used by Him to be co-laborers with Him in sharing present truth. God doesn't seek the most intelligent and talented, but those who are lowly and humble emptied vessels ready and willing to be used by Him. Let us all join Brother Larry in doing an imaginary back flip in blissful joy of God's goodness! 😊
10/29/2019	Sister Chenyu	Praises the Lord for the opportunity to be baptized. The experience was wonderful! To enter into covenant with the Lord, committing myself to him before everyone and to go forward in present truth is amazing! Praise the Lord!
10/29/2019	Brother Robert	Praises the Lord for the 13 souls added to the flock. That were recently baptized at the camp meeting in Rescue, CA. Brother Robert is thankful that everyone made it home safely and that the camp meeting went well.
10/29/2019	Sister Elaine	Praises the Lord for receiving the clear to go home. The fire weather has affected many and caused much inconvenience due to power shut off by the PG&E company, but Sister Elaine is so thankful that the Lord made it possible for her to get all that she needed to get done completed despite all of the deterrence and unexpected conditions. Praise the Lord! What an amazing God we serve!
