11/26/2019	Sister Lisa	Praises the Lord for helping her put together the sermon she preached on Sabbath, November 23, 2019 at a Spanish SDA church. The Lord, in His providence, put upon her the message she was to present and many in attendance were blessed by her presentation. Sister Lisa could see the nodding of heads in agreement as she presented and believes that there are Levites in that church who are waking up to the truth. She was able to hand out pamphlets of the charts as people left from Sabbath school and was able to send links of videos for some to watch that would help them to understand the message of the Movement. What a blessing indeed! Hopefully, some will eventually join us at meetings and continue to be blessed and progress forward with the Movement.
11/26/2019	Brother Jonathon	Praises the Lord for answering prayers. A little while ago, it was requested to keep Brother Carlton in prayer as he has been inquiring about the messages taught by the Movement and seeking to know more about present truth; however, it hasn't been without distraction and a fight, for he also had a sister who is now with FFA trying to get him to join their side. He hasn't been joining their studies. He's been watching Elder Parminder's videos only at the moment, and has yet to watch Elder Tess's presentations. He has a hard time grappling with Elder Tess's messages, so please continue to keep him in prayer. Though, what an answer to prayer indeed! Praise God!
11/26/2019	Brother Robert	Praises the Lord for the little delights of life. He is thankful for another day of life to do the work of the Lord and continue following in His footsteps. Praise God!

**Praise ye the LORD. Praise, O ye servants of the LORD, praise the name of the LORD.
