9/10/2019	Sister Antoinette	Lifts up praise to our wonderful beloved Lord. She is glad that the members of the Sacramento Fellowship group are still standing together, at this time, united as group. Praise be to God! It is a blessing that they are still united in the truth and are pressing onward and forward with The Movement as it moves. She is delighted that they are choosing to listen to the Lord and not man, even at such a solemn time as this, when many are separating and falling away.
9/10/2019	Sister Chenyu Leng	Praises our beautiful Creator who hears and answers our cry! She reports that her sons are currently studying the messages presented by The Movement. Praise the Lord! She asked us to pray for her sons a little while ago because they had left The Movement due to deception from their group leader and some fault of her own. It was devastating to her, as it would be for any one of us experiencing her situation. She praises the Lord that both of her sons are back studying this message and learning with her present truth. What an amazing testimony to God's mighty power to save and win the hearts of men back to Himself. Hallelujah!
9/10/2019	Sister Victoria	Has much praise on her heart to share! What a wonderful surprise it was to have Sister Suzan join in the morning prayer meeting today! Wow, it is such an answer to many of our prayers. The Lord has truly answered our prayers in making it possible for Sister Suzan fellowship with us. She has been able to join more of late than usual since she willingly took on the responsibility to care for her mother who underwent a really bad fall. What a joy it is to have her with us when she can be. God is so good, isn't He?! Amen.
9/10/2019	Sister Victoria	Praises the Lord for relieving her of her work load and allowing her to have a few days off. She was granted PTO via her supervisor, who approved her request even after the allotted time given to do so. She acknowledges that it was only the Lord who worked it out in her favor. She is very thankful for the extra time she now has to keep up with present truth and to attend to other priorities that need her attention outside of work. Praise be to His holy name!

**Praise ye the LORD. Praise, O ye servants of the LORD, praise the name of the LORD.
