9/19/2019	Sister Victoria	Praises the Lord for hearing and answering her prayers. She shared previously that she had underwent a minor panic attack Monday and asked that we would keep her in prayer concerning that matter. A while after Tuesday's prayer meeting, the panic attacks stopped and has not been back since. Praise the Lord!
9/19/2019	Sister Victoria	Is so thankful and grateful to God for how He is using social media and social apps to unite His people. There are many of us who are far and isolated from each other with no one to discuss current truths and fellowship with like-minded believers. It is a wonderful blessing to witness people from all around the world coming together to grapple and understand present truth through a simple App, such as WhatsApp! Wow! People can feel more connected through such Apps. At any time ask a question or insert a word of encouragement, etc. with someone on the other end to respond and/or reach out. What a blessing!
9/19/2019	Sister Victoria	Praises the Lord for such a great outpouring of His truth! The presentations done in Romania have been such a blessing! One cannot deny that what is being presented is the truth! So clear and easy to follow. It can only be the Lord. Praise be to His holy name!
