04/30/2020	Members of Sac Fellowship	Praises God for His mighty presence and help in blessing the camp meeting in April! This year the camp meeting, which was to be held in Rescue, CA was managed via Zoom. There were few to no technical challenges. The presenters did an excellent job presenting the light that the Lord had blessed them with. All in attendance were blessed. In all, there was a total of 56+ who were able to join and log into Zoom. What a wonderful blessing it was! Praise God!
04/30/2020	Sister Victoria	Praises God for His great mercy and timely intervention! Sister Victoria previously asked us to pray for one of her female coworkers (insert name) who went through spiritual turmoil and warfare as she found out that she was pregnant with her third child and contemplated getting an abortion. She was really scared and stressed out as she faced her dilemma. She later made the decision to get an abortion and went through with the procedure. And months later to her amazement she shared with Sister Victoria that she is still pregnant! She was so elated because she took it as a sign from God that she is to keep the baby. Her baby is due in December. She stated to Sister Victoria that she did everything to get rid of it, but the Lord said, "No." And prevented it from happening as she had planned. She has no thoughts to attempt to try and get rid of the child now and is just full of praise how things turned out for her. So glory be to God! May we rejoice with her! God is so good! Love Him!
04/30/2020	Sister Elaine	Shares a word of encouragement from SOP, written by Ellen G. White: "Our Souls Should Hunger for Heavens Gift—We are to come to God in faith, and pour out our supplications before Him, believing that He will work in our behalf, and in the behalf of those we are seeking to save. We are to devote more time to earnest prayer. With the trusting faith of a little child, we are to come to our heavenly Father, telling Him of all our needs. He is always ready to pardon and help. The supply of the divine wisdom is inexhaustible, and the Lord encourages us to draw largely from it. The longing that we should have for spiritual blessings is described in the words, "As the hart panteth after the water brooks, so panteth my soul after thee, O God." We need a deeper soul-hunger for the rich gifts that heaven has to bestow. We are to
