05/29/2020	Select Members of Sac Fellowship	Praises God for blessing of virtual success!! Many are not able to congregate for in-person fellowship as we are presently experiencing a pandemic, but God is so good in how He had His hand in orchestrating a way for His people to gather together, not just locally but around the globe through social media. What a blessing! And with that stated, it was truly a blessing indeed to attend the Australia Sabbath Fellowship via Zoom. One meeting was held on the Friday (May 22 nd 2020) that the mini-monthly Zoom camp meeting was to beginning; however, there was a change in plans and the Sac Fellowship group happily joined in Friday to attend the Australia fellowship. Though a change in plans for Friday evening, the mini-camp meeting began Saturday morning at 9:30 am (PST). The speakers were Sister's Donna and Elaine who did wonderful in presenting the messages the Lord impressed upon them to share. There was great discussion and wonderful fellowship. The internet service ran smoothly with minor internet challenges. It was a great blessing for all in attendance. Praise God!
05/29/2020	Brother Robert	Praises the Lord that he is in much better health. Brother Robert was diagnosed with pneumonia a little while ago. He recently shared that all his symptoms of pneumonia has gone away and he is back to work. Praise the Lord! He also shared that his daughter is doing really well too. God is so good. Much praise be to His name!
05/29/2020	Sister Elaine	Ask for Prayer for her family, specifically her sister and her brother-in-law. Sister Elaine's brother-in-law recently had a very bad fall from his bike causing him to be in a severe physical condition and with major injuries. Sister Elaine's sister was devastated and in much grief and sorrow. But with recent news about her husband, she is in a much better emotional state. She was told that her husband will not need to undergo any surgery and that all should heal on its own. Praise God! However, he is still in a lot of pain. Sister Elaine's sister is doing a little better and is not crying as much as she was before. She is content about that. And, she looks forward to being informed of the amount of time her husband will have to stay in the hospital. Continual prayers are welcomed. And, God is surely praised for such a quick response of

05/29/2020	Sister Victoria	<p>Shares a personal testimony after watching Portugal presentation #113 by E. Parminder:</p> <p>Just powerful!!! I am so surprised that there has not been much discussion on these videos! It's like my life experiences just flashes before me and I get so much clarity and understanding to questions I had from various experiences I've been through. Praise be to God! This presentation was very helpful and such a timely blessing. It's nice to have these studies because they have truly addressed issues we have as human beings in our relationship with others and God and how to view them from God's perspective. Man, I don't know what others have experienced through watching these presentations, but it's like the Holy Spirit hits me and I find myself in tears of joy and gratitude of the truth shared and asking forgiveness for being purely selfish. It has changed my perspective on so many things in my relationships with humans and God. And I still have so much to unlearn and learn. Well, I hope in sharing this others are blessed. My heart is just so full of praise! I pray that I endure to the end and be found faithful.</p>
05/29/2020	Sister Elaine	<p>Shares a word of encouragement from the Bible:</p> <p>Psalms 107:33-43:</p> <p>³³ He turneth rivers into a wilderness, and the watersprings into dry ground;</p> <p>³⁴ A fruitful land into barrenness, for the wickedness of them that dwell therein.</p> <p>³⁵ He turneth the wilderness into a standing water, and dry ground into watersprings.</p> <p>³⁶ And there he maketh the hungry to dwell, that they may prepare a city for habitation;</p> <p>³⁷ And sow the fields, and plant vineyards, which may yield fruits of increase.</p> <p>³⁸ He blesseth them also, so that they are multiplied greatly; and suffereth not their cattle to decrease.</p>
