08/06/2020	Brother Larry	<p>Praises the Lord for good news and answered prayer. A week ago Brother Larry asked if we could keep his niece, Justine in prayer as she had symptoms of COVID-19. After waiting 6 days, Justine received the test results back for COVID-19. And Brother Larry shared the wonderful news that Justine tested negative. Praise the Lord!! Brother Larry shares, "She has been feeling much better, but still has a little touch of allergies. This situation helped her realize some things about herself and prayerfully she will look to God for answers in her daily walk." Brother Larry couldn't be more elated and is very grateful for all who prayed for his niece. He expresses, "I want to thank you all for your prayers. I truly believe they made a difference. And with this example of God's healing power I will continue to minister to her. Thank you all again. My prayers and love for you and your families and friends. Blessings to all." God is so wonderful! To Him be the glory for great things He has done! 😊</p>
08/06/2020	Sister Lana	<p>Sister Lana praises the Lord for His precious gems of love in times of uneasiness and downcast spirit to remind us that He is present and He cares. On Sunday, a discussion with her husband left her feeling a bit saddened and depressed, so she prayed. And what started out to be a gloomy and dark day for Sister Lana, the Lord entered in and brightened her day casting out all gloominess. She and her husband had later that day went grocery shopping. They happened to come across a market near a Home Depot store where they saw golden raspberries on sale for 50% off. They've brought and ate golden raspberries before, but not like the ones they had this time. The raspberries were ripe and straight from the vine. The taste was as none they had tasted before and just so delightful. An experience Sister Lana and her husband both enjoyed and appreciated. It was as if at that very moment the presence of the Lord surrounded them and engulfed them in a bubble of unexplainable bliss. Sister Lana was now overjoyed in this new experience she got to share with her husband and it dispelled her of all prior feelings of murkiness. Oh how the Lord knows! His compassion surpasses all. Praise be to His wonderful name!</p>
