10/00/2019	Sister Angela	blessed week. The highlight of Sister Angela's week was when her family
		visited her and brought a whole bunch of goodies from their garden to
		share with her. She was more blessed and full of praise to the Lord when
		she was allotted the opportunity to take the food her family gave her in
		addition to her own harvest of food and supply half of that to a family in
		need, a family she didn't even know, but at such a time be blessed with much to help others in need. The Lord knew that it would be just in time
		for her to be able to bless a family that had very close to nothing. Praise
		be to God! It filled Sister Angela's heart with so much joy and it elated her
		just to see how God works all things out for His glory in His time.
