8/29/2019	Sister Antoinette	Praises the Lord for more time—more time that she didn't realize she had—to learn and know His truth. The Lord has helped her to find more creative ways to spend studying His word and listening to sermons. He is so awesome! When we plead before God to help us with grasping and understanding all the truth He is pouring out through His present messages, considering what little time we have, let alone in a day, He is so gracious and empathetic to our desire to have His truth hidden in our hearts to be prepared to do the very work He is calling us to do; and He helps us with making the time to do so. Praise His holy name!
8/29/2019	Sister Elaine	Praises the Lord for the unity amongst His people that is happening around the world, in the movement, and in the online group connected through Zoom. What an amazing God to create such an avenue by which people are able to know and discuss His present truth and be humble by it in order that we may lift each other up so we may be ONE in truth, purpose, character, and love. Hallelujah!
8/29/2019	Sister Victoria	Has a word of encouragement to share: It is so easy for us to go before God and ask for His mercy, intercession, blessings, and so forth; and yet praise Him so little. Let us not be ever quick to ask Him for His help without first being ready to praise Him—for all He has done and is doing in our very life today. Let us not take for granted the many blessings that He bestows us every day, such as waking up each morning and arriving safely place to place, and go without offering much praise. He is such a wonderful God who loves us so much. May we constantly ever lift His name up in praise for His mercy endures forever!
