Sister Lana	Petitions the Lord for the indwelling of the Holy Spirit to be in us all, specifically the CA group. She asks that we pray for all who join in Zoom be in the same spirit of brotherly/sisterly love. That God would help us to bond together, especially with the world being against us and there not being many places to go for us to find comfort. Let us find comfort among each other and become more knit together in having brotherly/sisterly love towards one another.	9/24/2019
