Brother Etabo	Brother Etabo had previously requested for us to pray for him. He had got into an accident while riding a motorcycle and had fallen from the bike. He is asking for continual prayer as he is still recovering from the fall. He says, "I still have some small difficulty while walking." Let us continue to keep him in prayer. Thank you.	01/07/2021
Sister Elaine	<p>"Sister Suzan's mom went to her rest this morning [Jan 3rd 2021]. I couldn't say this better than she did herself. She'll need a couple of days for rest and family time, so give her some time in reaching out to her. The Lord has done a great work in our dear sister.</p> <p>From Sister Suzan:</p> <p>My Mama passed away this morning in the wee hours. The last few hours were the most difficult, but she is now resting in peace. God is merciful! The time of death was noted as 2:20—I guess I don't have to tell you my beautiful sister of the symbolic nature of that number. They just took her away to the Chapel of the Chimes. I am going to try to rest now. Thank you for all of your prayers! I would never have made it through without all of the love and support from you and my other brothers and sisters—and the constant companionship of Jesus. God bless you my sister.</p> <p>God bless sister Suzan and each one of you."</p> <p>Please continue to keep Sister Suzan and her family in prayer. And, a special prayer for Sister Suzan's daughter who is soon to give birth to a beautiful set of twins in about 10 weeks time. It was Sister Suzan's mom's desire to see her newborn grandbabies before her death, but the Lord had greater plans. Thank you all for your prayers.</p>	01/07/2021

Sister Victoria	Asks that we remember to keep Sister Toni and her family in prayer. Sister Toni has also experienced loss this week. Her father passed away the night of January 3 rd 2021. Sister Toni's dad had been in the hospital for over three weeks. He had a massive heart attack and went into a coma. He also had kidney failure. He came out of the coma and kidneys got better. But, very soon after was sent to the ER again. It was Sister Toni's prayer that her "dad would die in peace, that he had his conversation with the Lord, and that soon he would have no more pain and fear, just peace and sleep." He took his last breath the night of Jan 3 rd 2021. Sister Toni loved her dad and was thankful for the moments and time she had with him before his passing. Please keep Sister Toni in prayer as well as her sister, Kathy; and her brother Mark. Thank you.	01/07/2021
Sister Elaine	Asks that we pray for Sister Linda. On January 3 rd Sister Linda was encouraged to the ER immediately after she ate some apricot seeds. She had got cyanide poisoning. It was later learned that laetrile is converted to cyanide in the stomach. It is said that cyanide prevents the cells in the body from using oxygen and when that happens the cells die. The heart and brain are affected the most than other organs because they use a lot of oxygen to function. Sister Linda says, "My breathing got very labored and I got dizzy, shaky, and my blood pressure went up." She drank lots of water and ate something and things got better. She called poison control and they told her to go to ER. She was nervous about going due to COVID, but decided to go. Please keep Sister Linda in prayer. Thank you.	01/07/2021
Sister Anna	Please continue to keep Sister Anna in prayer. She was diagnosed with COVID-19 and is still fighting the virus. She says, "I'm still feeling miserable with an extremely stuffed up head." The good news is that she was told she could start back to work again on [Jan] 11 th 2021 if she feels better. We praise God for that, but ask for continual prayer that she may recover soon. Thank you.	01/07/2021
Sister Lana	Asks that we keep each other in prayer. That the Lord would bless each one of us with wisdom to know what to share as we come in contact with potential Levites. That He would give us the Holy Spirit to aid us in our encounters with others in sharing our message. Thank you.	01/07/2021

Select Members of Sac Fellowship	Asks that we keep all individuals in the Movement in prayer. That they would use the best of their time to study and understand the message we are to give. The salvation of others depends on our effort to learn and teach present truth. May the Lord bless us all with better time management skills in however that looks for each individual's situation. Thank you.	01/07/2021
Members of Sac Fellowship	Asks that we remember our family and friends in prayer. And to continue to keep the members and leaders of the Movement in prayer. Thank you.	01/07/2021
Members of Sac Fellowship	A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18 th Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam. July 18, 2020 is not that far away. Elder Parminder says, "If we don't pray, don't confess our sins, what hope will we have in the Lord giving us increased light on Islam." Let us pray fervently and incessantly. Thank you.	01/07/2021
Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus pandemic outbreak. It is still spreading, though in some places the severity has lessened a little, but is still at risk for a sudden spike in cases (and possible 2 nd wave). As people continue to adjust to the new normal, please pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	01/07/2021
