Members of Sac Fellowship	Let us continually to pray for the Nethanims. As we know there is so much going on externally to plow the hearts of the Nethanims and many have yet to awaken from slumber. There are many that love the Lord with all they know; and do see what is happening; and they will come in and be harvested. Pray that the Lord would bless our words, acts, and influence that all in the world who observe us may be drawn to Christ and when called upon to give a word of the hope that is in us, we would ever be ready to share a word in due season.	02/13/2020
Sister Elaine	Asks that we keep her dad in prayer. He's very hard of hearing and is nearly blind. Her dad fell in early February. He is doing better since his fall, but needs to stay in rehab for a while. He is still having trouble putting weight on his leg... They did an MRI—He has a small fracture and torn ligament on his knee. At 88 years old, healing will not be fast. They have to put him into long term care—this will take all his social security income—which means he has to give up his apartment. When sister Elaine's sister told him the news, he cried. It is so sad. Sister Elaine feels bad that she is can't help him. She says, "If I wasn't a part of this work (ministry for the Movement), I would if I could." It's her prayer that her sister and brother in-law will continue to care for him. Should he get out of long-term care at some point, he will need a place to live. She prays for God's mercy on him because he's a total Trump supporter—and from all we are learning, no hope in salvation. Thank you.	02/13/2020
Sister Adriana	Asks for us to pray for my root canal procedure. She's really scared; and just wants it to go well. Thank you.	02/13/2020
Members of Sac Fellowship	Asks that we keep in prayer Trump supporters. Things are really wrong when families can't even talk about politics and Trump without getting angry. We are witnessing divisions in homes, communities, and nations like they've never been witnessed before. Pray that we are very careful in how we interact with those who are Trump supporters and our conduct around them. That we are mindful of our words and what we post on social media that will not create unnecessary debates and arguments over pettiness and differences of belief. It doesn't look good for Trump supporters, They've already failed/rejected their first angel. But, let us continue to intercede in prayer for them that they would wake up to the truth and have the courage to stand on the side of right instead of denying the truth presented before them and refusing to take heed the cry.	02/13/2020

Members of Sac Fellowship	Asks that we keep in prayer the leaders in office who are speaking out against the lies and coming out to share the truth. Pray that the Lord will continue to impress their hearts and give them strength to stand up and speak out. Especially, those in high places like Nancy Pelosi, Mitt Romney, Adam Schiff and many others who are speaking the truth and are facing great ridicule and tarnished reputation through mocking and bullying tactics, and other losses of their livelihood. Pray that they continue to stand strong and do what's right.	02/13/2020
Select members of Sac Fellowship	Asks that we keep in prayer the leadership in the Movement. Specifically pray for better organization and management, especially in the U.S. Pray that hearts would not grow cold nor for people to become comfortable—that we continue to strive to do all we can to learn the message we are to teach and work together to keep the fire kindled and burning in our hearts that may finish strong. Pray that where we lack the Lord would provide. That if there be any area of which we are not meeting a need or are not competent in that the Lord would raise us up to step in where we can to create the order and structure necessary to complete the work we are called to do.	02/13/2020

Brother Jonathon	Asks that we keep his family in prayer, specifically his mom's mother (Nannie). She is in her final days with dementia. They have her on Morphine now and she has stopped eating. He prays that the Lord will take her soon to end her suffering. And, prays that he makes it home to attend his Nannie's funeral and be there to provide comfort for his family.	02/13/2020
Sister Ali	Asks that we keep in prayer each other's parents and siblings, if they are not among the 144K.	02/13/2020
Brother Larry	Asks that we keep his family in prayer, specifically his sister and brother in-law. Brother Larry shares that his sister has become more conservative minded in the last year or so. Her husband, his brother in-law is a Republican. He's a moderate Republican though, but still a Trump supporter. Being a business owner, Brother Larry's sister is looking only at the economy side of things and that's what has her attention more than anything. She has never voted Republican; but Brother Larry is concerned whether she votes for Trump this time and if she'll be held accountable for her choice. Please keep them in prayer. Thank you.	02/13/2020
Sister Victoria	Asks that we pray for the reconstruction of Sister Suzan's fence. Very strong And high winds tore her fence down that was so deleterious.	02/13/2020
