Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus outbreak. It is spreading like wildfire and is deadly, and now has been officially announced as a pandemic outbreak. Pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	04/02/2020
Sister Lana	Asks for prayer, specifically for patience and continual motivation when sharing present truth with her friends and family. Pray the Holy Spirit have a way in softening their hearts to the truth. She shared with people very close to her (who are SDAs) about early Adventist history, specifically the pioneers, such as William Miller and it appears as if when sharing it is not accepted as important history. It really hurt Sister Lana when some of her friends and family refused to listen and shut her off from studying the Bible together. She felt rejected. May the Lord continue to bless Sister Lana's efforts and use her in a mighty way. Let us pray that the very ones who reject now be found later one of the many eager and open to receiving present and advancing light.	04/02/2020

Sister Victoria	Sister Victoria shares a prayer request from her mom. She is specifically asking prayer for a close family member. The mother of her nephew has been sick for a while and is getting worse. She has lost 131 pounds and is on a feeding tube. Please keep her and her family in prayer. Pray for comfort, peace, and restoration. Thank you.	04/02/2020
Sister Victoria	Please keep Sister Victoria in prayer, specifically for her car. A recall has been issued for a couple of parts for the model she has. Due to the coronavirus outbreak, it may take longer for the parts to be imported for the repairs to be made. She doesn't feel comfortable with the option of leaving her car at a dealership while loaning a car from them until the repairs are made. So, she continues to drive her car with the knowledge that her car has been issued a recall, She loves her car and is grateful for it, but does not want to behave presumptuously. However, it also doesn't seem right to leave her car at the dealership either. So much prayer is needed and all prayer is appreciated.	04/02/2020
