Sister Elaine	Asks that we keep Sister Toni in prayer. She's been having itchy eyes, wheezing, and shortness of breath. Her oxygen levels are low and they told her to go to the ER. She went to the ER and was tested. She is currently still waiting on the results. She needs help for her brother. Sister Toni is her brother, Mark's main support and caregiver. They said that he should be brought to the ER to be tested as well. They told her that she most likely has COVID-19 and anything can happen anytime. We ask that the Lord would come through mightily for Sister Toni and her brother. That Sister Toni would trust God and that He would bless her with peace as she figures things out and waits on the results. And for blessings that she would recover from the symptoms she is undergoing and provide the help and strength she needs to care for her brother, Mark. Thank you.	05/14/2020
Sister Elaine	Asks that we keep Brother Robert in prayer. He has tested negative for COVID-19, but does have pneumonia. Pray that the Lord would heal him and that he would have a speedy recovery. And Sister Elaine also asks that we lift up Brother Robert's daughter in prayer as well. She had a relapse, but is doing much better now. Praise God for that. Amen.	05/14/2020

Also pray the Lord gives the women of the Movement courage and strength to teach and finish the work.	05/14/2020
