Sister Kathy B.	Please continue to keep Sister Kathy in prayer. A week ago, she asked for prayer concerning a telemedicine with her neurosurgeon. Sister's Kathy's appt. didn't go as she hoped. She was left disappointed and with no real answers. Please continue to pray that she get the answers she needs to help her understand what's going on and for treatment and healing. She is still hopeful and driven to get answers. Pray for the Lord to bless her with wisdom and for Him to guide her to the right doctors and surgeons that have the knowledge and skill to help her. And, please pray that her trust in God not fail as she seeks for the answers to her health concern. Thank you.	05/29/2020
Sister Elaine	Asks for prayer for her family, specifically her sister and her brother-in-law. Sister Elaine's brother-in-law recently had a very bad fall from his bike. He will be in the hospital for a while due to severe injury. He has 6 broken ribs, a broken shoulder, and a fractured pelvis in 2 places, a small brain bleed, and he suffered a concussion. Please pray for Sister Elaine's sister who cannot visit her husband until he is discharged from the hospital. Her sister is comforted by the fact that he survived the fall and is still alive.
