Sister Suzan	Asks us to join her in praying for her daughter and fellow coworkers. Sister Suzan's daughter, Shelby recently informed her that her workplace has shut down due to one of her coworkers testing positive for COVID-19. Her job hired a company to come to the job site to test all of the employees in a drive-thru test. Apparently, the employee infected was asymptomatic. Thank you for your prayers.	06/18/2020
Sister Kathy B.	Asks that we keep Jeremiah Otemo in prayer, a brother in the message who lives in Kenya. Brother Jeremiah has an orphanage and they are growing food for themselves, but it has been raining in Kenya and it could ruin their corn harvest. Sister Kathy B. would like us to join her in prayer in praying that the rain would stop and not ruin the corn harvest. Thank you.	06/18/2020
Sister Kathy B.	Asks that we continue to keep her in prayer. Sister Kathy B. has asked us to specifically pray for her as she seeks answers about what she could do to help herself heal from the injury to her neck. She has yet to receive the prescription for her imaging that the doctor in NY said would send out on May 22 <sup>nd</sup> 2020. She is praying that she would receive it soon. The imaging is important to help in diagnosing what is going on with her neck. Sister Kathy B.'s neck is locked in a forward position and it is painful and makes navigating life more difficult. So please let us continue to keep her in prayer. Thank you.	06/18/2020
Sister Kathy B.	Asks that we keep Sister Kathy M. in prayer as she is scheduled to meet with her surgeon on Monday (6/22/2020). Pray that her appointment will go well and that she is blessed with all the information necessary as to know what action she should take next and whether or not surgery will be necessary. Thank you.	06/18/2020
Sister Adriana	Asks for us to keep her mom, Sister Cristina, in prayer as she is scheduled to undergo surgery this coming Thursday (6/25/2020). Sister Cristina has looked forward for this moment to have surgery for a while now. Due to a bulging disc, she has been experiencing severe amounts of pain. So it is an answer to her prayers that she is soon to have the surgery, but also keep in prayer that she be blessed with a very skilled surgeon to perform the surgery. Thank you.	06/18/2020

Sister Cristina	Asks for prayer specifically to past the test required for her to have surgery. The results from the EKG exam read abnormal, so she will have to go through a cardiology check up, an echo and stress test. She is praying that it will be okay so she can get the surgery. Sister Cristina is also feeling down in this current season of her life with so many things happening this year. Let us join her in prayer. May the Lord bless her and lift her spirits up with joy and cheer! Amen and thank you.	06/18/2020
Sister Victoria	Asks for prayer specifically for her friend, Keishia. She is currently studying to take her licensing exam in a few days to be a licensed health and life agent in CA. Thank you.	06/18/2020
Members of Sac Fellowship	A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18 <sup>th</sup> Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam. July 18, 2020 is not that far away. Elder Parminder says, “If we don’t pray, don’t confess our sins, what hope will we have in the Lord giving us more light on Islam.” Let us pray fervently and incessantly. Thank you.	06/18/2020
Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus pandemic outbreak. It is still spreading, though in some places the severity has lessened a little, but is still at risk for a sudden spike in cases (and possible 2 <sup>nd</sup> wave). As people continue to adjust to the new normal, please pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	06/18/2020

Members of Sac Fellowship	<p>Ask that we keep in prayer the leader to be raised up to teach on the subject of the Nature of Man part 2 and the LGBTQ. When the test is placed in front of each one of us, may we be found faithful and standing on the side of right as victors. Also pray the Lord gives the women of the Movement courage and strength to teach and finish the work.</p>	06/18/2020
