Sister Elaine	Asks that we keep brother Etabo in prayer. He has malaria and is really in need of our prayers at this time. Thank you.	10/08/2020
Sister Linda	Recently procured news that Trump's administration officials are seeking to make further restrictions to the H-1B visa program that businesses use to hire foreign workers for specialized occupations, which would create problems for individuals and families, such as her coworker and her family, who have immigrated to the US and were hired to work via the H-1B program. Please pray that this legislation will be found unacceptable and won't actually become an issue. Thank you.	10/08/2020
Members of Sac Fellowship	California (and Oregon) has been experience unprecedented and unusual wildfires in its region on the map. Currently undergoing forecasted heat waves and lightening storms has made the conditions a lot worse. Acres of land and properties destroyed; towns decimated; massive evacuations have been called, all while in a spiking pandemic. Hazy skies, falling ash, and smoky permeating scent in the environment makes enjoying fresh air difficult. Please keep in prayer all individuals and families affected by the various wildfires and also remember to pray for the firefighters fighting the fires as well. Thank you.	10/08/2020
Members of Sac Fellowship	Asks that we remember our family and friends in prayer. And to continue to keep the members and leaders of the Movement in prayer. Thank you.	10/08/2020
Members of Sac Fellowship	A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18 th Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam. July 18, 2020 is not that far away. Elder Parminder says, "If we don't pray, don't confess our sins, what hope will we have in the Lord giving us increased light on Islam." Let us pray fervently and	10/08/2020

Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus pandemic outbreak. It is still spreading, though in some places the severity has lessened a little, but is still at risk for a sudden spike in cases (and possible 2 nd wave). As people continue to adjust to the new normal, please pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	10/08/2020
Members of Sac Fellowship	Ask that we keep in prayer the leader to be raised up to teach on the subject of the Nature of Man part 2 and the LGBQT. When the test is placed in front of each one of us, may we be found faithful and standing on the side of right as victors. Also pray the Lord gives the women of the Movement courage and strength to teach and finish the work.	10/08/2020
