Sister Elaine	Asks that we keep her coworker, Kay in prayer. Kay has been a client for close to 25 years. A very dear sweet Christian. She has a cyst in her stomach that they believe is cancer. As things are moving, it is expected she may go to surgery this week. She has great faith in the Lord. Sister Elaine shares, "Many of my clients are in their 70s and 80s and they continue to work their business. She works it not so much for income, which she needs, but for the relationships she has built in her 40 plus years in Mary Kay." Sister Elaine also asks for continued prayers for her dad as well and the nursing home to be able to hire enough staff to care for the patients. Thank you.	10/15/2020
Sister Elaine	Asks that we join her in praying for the work going on in Kakuma. There is a struggle with those that have been misleading the brothers and sisters. And those that are in rebellion are fighting to hold on to those they have deceived. Brother Etabo is there and presenting truth. Sister Elaine pleads, "Pray for them all—the Lord wins this battle that we know. And He will recover those that are His. May they each be strengthened by this experience and the fear of God be in them. There are those that fall off the path all along the way –may we all take heed and plead for greater wisdom and discernment." Amen and thank you for your prayers.	10/15/2020
Sister Lana	Asks that we pray for wisdom for each one of us to share the truth. We know that soon we will go to the Levites to teach them; and eventually to the Nethinims. Please pray for God's help in order to answer questions for the people we meet, Thank you.	10/15/2020
Sister Lana	Asks that we keep her in prayer, specifically that she would be blessed with a job. Please pray that it would be one in which checks off all of the desires of her heart of what a dream job would be for her; and a placement where she could be a great blessing to all she works with and meets. Thank you.	10/15/2020

Members of Sac Fellowship	California (and Oregon) has been experience unprecedented and unusual wildfires in its region on the map. Currently undergoing forecasted heat waves and lightening storms has made the conditions a lot worse. Acres of land and properties destroyed; towns decimated; massive evacuations have been called, all while in a spiking pandemic. Hazy skies, falling ash, and smoky permeating scent in the environment makes enjoying fresh air difficult. Please keep in prayer all individuals and families affected by the various wildfires and also remember to pray for the firefighters fighting the fires as well. Thank you.	10/15/2020
Members of Sac Fellowship	Asks that we remember our family and friends in prayer. And to continue to keep the members and leaders of the Movement in prayer. Thank you.	10/15/2020
Members of Sac Fellowship	A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18 th Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam. July 18, 2020 is not that far away. Elder Parminder says, "If we don't pray, don't confess our sins, what hope will we have in the Lord giving us increased light on Islam." Let us pray fervently and incessantly. Thank you.	10/15/2020

Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus pandemic outbreak. It is still spreading, though in some places the severity has lessened a little, but is still at risk for a sudden spike in cases (and possible 2 nd wave). As people continue to adjust to the new normal, please pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	10/15/2020
Members of Sac Fellowship	Ask that we keep in prayer the leader to be raised up to teach on the subject of the Nature of Man part 2 and the LGBTQ. When the test is placed in front of each one of us, may we be found faithful and standing on the side of right as victors. Also pray the Lord gives the women of the Movement courage and strength to teach and finish the work.	10/15/2020
