Brother Robert	Asks for us to keep Sister Christine in prayer. Sister Christine has had a high temperature—a fever and is not feeling well. She is concerned that it may be COVID-19 and worries about her family, especially her parents in not knowing if she has COVID-19, she doesn't want it spreading to any of her family members. So, please keep Sister Christine in prayer. Thank you.	11/05/2020

<p>Members of Sac Fellowship</p>	<p>California (Oregon and Colorado) has been experience unprecedented and unusual wildfires in its region on the map. Currently undergoing forecasted heat waves and lightening storms has made the conditions a lot worse. Acres of land and properties destroyed; towns decimated; massive evacuations have been called, all while in a spiking pandemic. Hazy skies, falling ash, and smoky permeating scent in the environment makes enjoying fresh air difficult. Please keep in prayer all individuals and families affected by the various wildfires and also remember to pray for the firefighters fighting the fires as well. Thank you.</p>	<p>11/05/2020</p>
<p>Members of Sac Fellowship</p>	<p>Asks that we remember our family and friends in prayer. And to continue to keep the members and leaders of the Movement in prayer. Thank you.</p>	<p>11/05/2020</p>
<p>Members of Sac Fellowship</p>	<p>A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18<sup>th</sup> Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam. July 18, 2020 is not that far away. Elder Parminder says, “If we don’t pray, don’t confess our sins, what hope will we have in the Lord giving us increased light on Islam.” Let us pray fervently and incessantly. Thank you.</p>	<p>11/05/2020</p>
<p>Members of Sac Fellowship</p>	<p>Asks that we keep in prayer all affected by the coronavirus pandemic outbreak. It is still spreading, though in some places the severity has lessened a little, but is still at risk for a sudden spike in cases (and possible 2<sup>nd</sup> wave). As people continue to adjust to the new normal, please pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.</p>	<p>11/05/2020</p>
