Sister Victoria	Asks that we keep Sister Elaine and her family in prayer. Sister Elaine had asked us to keep her father in prayer as he was residing in a nursing home and showing no signs of getting better. Being in the midst of a pandemic made it all the more challenging for her and her family to support and comfort Sister Elaine's dad in his last days as he was not allowed to have visitations from family and friends. Eventually 30 minute time slots of visitation were opened up, but Sister Elaine's dad, being bedridden, did not want to use up all his energy to get him out of bed to the patio where visitations occurred. So heartbroken, Sister Elaine and her siblings did all they could to make things more comfortable and easier for him to keep him happy and content amid much pain and suffering. It was Sister Elaine's prayer, as she witnessed her dad's condition get worse and his health decline, for him to accept Christ as Lord and that be his desire before he met death. It was shared on November 13, 2020 that Sister Elaine's dad passed away. Thank you so much for all you prayers. Please remember Sister Elaine and her family in your prayers as they grieve and cope with their loss. Sister Elaine's dad will truly be missed.	11/12/2020
Sister Victoria	Asks that we remember each other in prayer, specifically that we be united in our message and methodology. Pray that we set aside our differences and truly seek and come to understand the message of equality and be fit to teach. Thank you.	11/12/2020

Members of Sac Fellowship	California (Oregon and Colorado) has been experience unprecedented and unusual wildfires in its region on the map. Currently undergoing forecasted heat waves and lightening storms has made the conditions a lot worse. Acres of land and properties destroyed; towns decimated; massive evacuations have been called, all while in a spiking pandemic. Hazy skies, falling ash, and smoky permeating scent in the environment makes enjoying fresh air difficult. Please keep in prayer all individuals and families affected by the various wildfires and also remember to pray for the firefighters fighting the fires as well. Thank you.	11/12/2020
Members of Sac Fellowship	Asks that we remember our family and friends in prayer. And to continue to keep the members and leaders of the Movement in prayer. Thank you.	11/12/2020
Members of Sac Fellowship	A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18 th Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam. July 18, 2020 is not that far away. Elder Parminder says, “If we don’t pray, don’t confess our sins, what hope will we have in the Lord giving us increased light on Islam.” Let us pray fervently and incessantly. Thank you.	11/12/2020
Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus pandemic outbreak. It is still spreading, though in some places the severity has lessened a little, but is still at risk for a sudden spike in cases (and possible 2 nd wave). As people continue to adjust to the new normal, please pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	11/12/2020
