Brother Jonathon	Asks that we keep his family in prayer, specifically his older brother, Ben. Brother Jonathon recently learned that his brother Ben had a minor heart attack. His brother is doing okay since it happened, but for him to have had one as a non-overweight middle-aged man, is quite alarming. Please pray that this experience would wake him up to make better health choices and that he would listen to God's voice. Thank you.	11/19/2020
Brother Jonathon	Asks that we keep him in prayer. Brother Jonathon has a strong urge to go back to school again or change career. He is seeking prayer for wisdom to know which direction to take as opportunities arise for him to decide as the right one to move forward in and that is in alignment with God's will for him. Brother Jonathon is praying that God would make it very clear to him; that he would not miss the open door God is pointing him to walk through. And for the provisions and means to get through it. Also, for faith and trust in every step of God's leading. Please pray that the change Brother Jonathon is seeking for his life will allow him to be a greater blessing in helping others as it will for his own stability. Thank you.	11/19/2020
Sister Lana	Asks that we keep her in prayer as she prepares to host a small Thanksgiving dinner at her home. Sister Lana's friend has no family or friends here to spend Thanksgiving with, so finding a friend in Sister Lana, she asked if she could join her at her home for Thanksgiving. Not wanting to turn her friend away, Sister Lana agreed to have her come over for Thanksgiving dinner. Please pray that the Lord would protect their health as they gather together and keep them safe. May the dinner assembly be a blessing and successful event. Pray Sister Lana's friend is left with a great impression and open to asking questions and receiving truth. Thank you.	11/19/2020

Sister Jackie recently received news on the night of November 20 th that one of her beloved nephews passed away. As they mourn the loss of Sister Jackie's nephews and go through their grieving process, pray that the Lord would bless their family with tokens of joy, love, and hope as they reflect on the precious memories they had with him. Members of Sac Fellowship	California (Oregon and Colorado) has been experience unprecedented and unusual wildfires in its region on the map. Currently undergoing forecasted heat waves and lightening storms has made the conditions a lot worse. Acres of land and properties destroyed; towns decimated; massive evacuations have been called, all while in a spiking pandemic. Hazy skies, falling ash, and smoky permeating scent in the environment makes enjoying fresh air difficult. Please keep in prayer all individuals and families affected by the various wildfires and also remember to pray for the firefighters fighting the fires as well. Thank you.	11/19/2020

Members of Sac Fellowship	A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18 th Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam.	11/19/2020
