Brother Robert	Asks that we keep in the prayer the leaders of the Movement. That the Lord would keep them. Pray that they be strengthened and encouraged and given wisdom from on high as they continue to labor for the Lord. Pray that they faint not, especially when under fierce attack or burdened by load of responsibility of such a high calling. May they be richly blessed; though, they see not all the fruits of their labor at this time. Pray that they keep their eyes fixed on Jesus, not turning to the left or right. To remember the walk they have tread to be where they are now, remaining humble every step forward, and never turn back.	11/21/2019
Sister Victoria	There is an upcoming Canadian school of the prophets (SOTP) scheduled for March 2020 that will be going on for a total of two weeks. Sister Victoria asks that we keep those in prayer who would like to attend; and that the Lord would make it possible for them to, working out every detail and providing the means as well as safe travels if it be His will.	11/21/2019
