Sister Victoria	There is an upcoming Canadian school of the prophets (SOTP) scheduled for March 2020 that will be going on for a total of two weeks. Sister Victoria asks that we keep those in prayer who would like to attend; and that the Lord would make it possible for them to, working out every detail and providing the means, as well as safe travels if it be His will.	11/26/2019
Brother Jonathon	Asks that we continue to keep in prayer his friend Carlton and Carlton's wife, Lorraine. Carlton knows little about the present truth and has been recently inquiring to know more. Pray that he has the spiritual discernment to recognize the truth and will continue to receive it despite of any pressure from others outside the Movement to sway him away from present truth. That he would be strong in his conviction in that what he is witnessing and eating from the "Omega Movement" is indeed the present truth for our time and choose to walk In that light.	11/26/2019
