Sister Victoria	Ask that we continue to pray for the family and friends of all who are in the Movement that are still in the nominal SDA church structure and the world. Pray that they may be possible Levites or Nethinims. Pray that the words we speak and the actions we display be directed by the hand of the Lord and guided by the influence of His ministering angels for a good impression upon the minds and hearts of all within our reach. Pray that the seeds sown by the Lord prompting be retrieved in the heart and sprung up at the time for decision when it comes to standing for truth. Pray that the gates of hell that seeks to keep them held captive and chained in bondage be broken, so they may be set free from the darkness that hovers around them to keep them from the truth and set in their ways. Pray that their heart be softened to hear and ready to embrace the right stream of information. Pray that at the time of their test/visitation they would be found faithful to the light given. Amen.	12/12/2019
Sister Victoria	Prays for all the brethren in the Movement. The attacks of the enemy are fierce and some are greatly challenged at this time. Please keep all of us in prayer that we do not succumb to the enemy's vices and taunts. Pray that we stand strongly and firmly in and for the truth. That we do not lose hope nor become discouraged, but press forward as faithful soldiers in the Lord's army.	12/12/2019
Brother Robert	Asks that we keep him in prayer concerning his breathing ailment. It has gotten much better but prayer for continual healing would be much appreciated.	12/12/2019
Sister Laurence	Let us continue to keep Sister's Laurence daughter in prayer, as she is "also dealing with other allergies [including an allergy to vitamin C] at the moment and other problems which cause her to have these reoccurring inflections." Thank you.	12/12/2019
