Sister Adriana	Asks that we keep her in continual prayer. Sister Adriana commutes a far drive to work and finds herself on the road a lot because of it. The risk of her getting into car accidents is high and has increased. Stuck in traffic, a semi casually rolled back onto her car. Her car still works and the damage is small. It was a possible hit and run incident. Due to a high demand at work, she doesn't know when she will be able to have time to put in a police report. But the incident has opened her eyes to the various issues she faces because of driving so often. Please pray the Lord would bless Sister Adriana with traveling mercies and that He would protect her from all recklessness on the road. Pray that the Lord will help her to sort her car situation out and that the damage would be fixed. Thank you.	12/17/2020
Sister Elaine	Asks that we keep our Fijian brothers and sisters in prayer. They are facing a Cyclone—Category 5 on a hurricane scale. Please keep them all in prayer. Thank you.	12/17/2020
Sister Victoria	Asks for prayer for a very dear friend of hers. Sister Victoria's friend has been having very aggressive migraines multiple times this week. So far she has experienced 3 major ones that have come back to back, one on the right, another on the left. The pain has been so severe that it made her feel as though she would die. And at this current moment, she has one that is affecting her ability to function through her daily tasks. She knows she needs medical attention, but where she lives there is a shortage of doctors and the weather is poor and unsafe to drive in. She eventually will, but in the mean time, please keep her in prayer. Thank you.	12/17/2020

Members of Sac Fellowship	Asks that we remember our family and friends in prayer. And to continue to keep the members and leaders of the Movement in prayer. Thank you.	12/17/2020
Members of Sac Fellowship	A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18 th Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam. July 18, 2020 is not that far away. Elder Parminder says, “If we don’t pray, don’t confess our sins, what hope will we have in the Lord giving us increased light on Islam.” Let us pray fervently and incessantly. Thank you.	12/17/2020
Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus pandemic outbreak. It is still spreading, though in some places the severity has lessened a little, but is still at risk for a sudden spike in cases (and possible 2 nd wave). As people continue to adjust to the new normal, please pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	12/17/2020
