Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus outbreak. It is spreading like wildfire and is deadly, and now has been officially announced as a pandemic outbreak. Pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	04/23/2020
Sister Victoria	Asks that we remember her in prayer. She is praying for the opportunity to visit with her grandparents (grandma and great-grandma). She hasn't seen them in a long while and wants to spend some time with them before things really hit the fan or something happens and she can't. Her grandmas are fine and are taking one day at a time, though her great-grandma is getting much slower as her bodily functions decline. Sister Victoria misses them; and with the Covid-19 Pandemic, is not sure when she will have the opportunity to see them again.	04/23/2020
Sister Victoria	Asks that we keep all medical workers in prayer. Please pray for their protection, safety, and sanity as they are on the frontlines and making great sacrifices in effort to help save lives in this pandemic crisis. Pray for their families as well. Also keep in prayer the families who are suffering from the loss of family members who have died alone. There are many hurting more from not being able to be at the side of their loved one at the moment of death, who were not allowed to visit their close loved one to say their last good-bye and/or provide some kind of support or comfort in their last moments. May they find some peace and hope in the midst of their grief and sorrow.	04/23/2020
Sister Elaine	Asks that we continue to keep her dad in prayer as well as the nursing and rehabilitation center he is currently residing in Turlock, CA. At least a total of 51 people including both patients and staff have tested positive for Covid-19. Two residents have passed away. Sister Elaine's dad tested negative for the virus and has been moved to a room by himself. There are tests that are still pending results. Much prayer is needed for the safety and protection for all residents and staff members as well as for the families who are affected by the results and updated information as they are not able to visit their loved ones at this time,	04/23/2020

Brother Jonathon	Asks that we keep him in prayer, specifically prayers for his health. Thank you.	04/23/2020
Members of Sac Fellowship	Ask that we keep in prayer the leader to be raised up to teach on the subject of the Nature of Man part 2 and the LGBTQ. When the test is placed in front of each one of us, may we be found faithful and standing on the side of right as victors. Also pray the Lord gives the women of the Movement courage and strength to teach and finish the work.	04/23/2020
