Sister Lana	Asks that we keep her family in prayer, specifically her parents. Sister Lana's father seems to be sick with a fever, runny nose, and cough. And, her mother has similar symptoms too. The hospitals around the town cannot accept new patients due to no space as there are currently too many COVID19 patients. Sister Lana is not able to be at the side of her parents at this time to provide comfort and assistance as she would like to because the country closed the borders. The only people who can go in are relatives of documented sick people. And the fact that her parents can't get tested for COVID19 because there isn't space creates a vicious cycle. Please let us keep Lana's parents in prayer. Thank you.	07/02/2020
Sister Victoria	Was informed by a friend that a member from one of the SDA churches she used to attend has recently passed away. Sister Victoria asks that we keep the family in prayer; praying for comfort, peace, and healing as the family grieves their loss of a dear and beloved son. It is very heartbreaking for Sister Victoria in receiving such news. She also asks for prayer for her friend Keishia who is very saddened and depressed right now in finding out that her dog Raven passed away. It has been a weekend filled with loss and has put a damper on her spirit. Thank you for your prayers at this time.	07/02/2020
Sister Victoria	Shares a couple of prayer requests from her mom. Sister Victoria's mom is asking for us to keep her nephew in prayer as he is going through some things and needs help and special intervention. She also asks that we keep her coworker (insert name) in prayer who was recently diagnosed with colon cancer. Thank you.	07/02/2020
Members of Sac Fellowship	A year ago Elder Parminder was warned by FFA that the leaders of the Movement would be cursed for rejecting their message on Islam (their July 18 th Nashville prophecy) and declaring to the followers to decide who has the true message on Islam. Is Islam rising or coming down this year? FFA believes Islam is rising up. The Movement believes Islam will be restrained. The Movement believes this because Islam is tied to Russia. Islam becomes restrained as Russia loses its influence. So, Elder Parminder is asking us to pray—next hours, days, and weeks for God to give us an increase of knowledge on Islam. July 18, 2020 is not that far away. Elder Parminder says, "If we don't pray, don't confess our sins, what hope will we have in the Lord	07/02/2020

Members of Sac Fellowship	Asks that we keep in prayer all affected by the coronavirus pandemic outbreak. It is still spreading, though in some places the severity has lessened a little, but is still at risk for a sudden spike in cases (and possible 2 nd wave). As people continue to adjust to the new normal, please pray for protection for those unknowingly exposed and for those who are stuck in places where the virus is hit very strong. Thank you.	07/02/2020
