

Introduction

Through the studies that have been built upon all through the year we've been able to teach more and more firmly, that the test for our dispensation is

Sexism
Racism
Conspiracy Theories

Conspiracy theories aside its
Racism and Sexism—the two issues of discrimination

Conspiracy Theories	Racism
	Sexism

We'll be dealing with two stories this evening, the stories of gender and racial discrimination. They both have a common link. Both have their beginnings in the book of Genesis.

- Both involve the common parents from which every human being on the planet came from
- Both parents were equal until sin was introduced into the family, because of that sin, inequality was introduced

THE STORY OF NOAH

New Earth

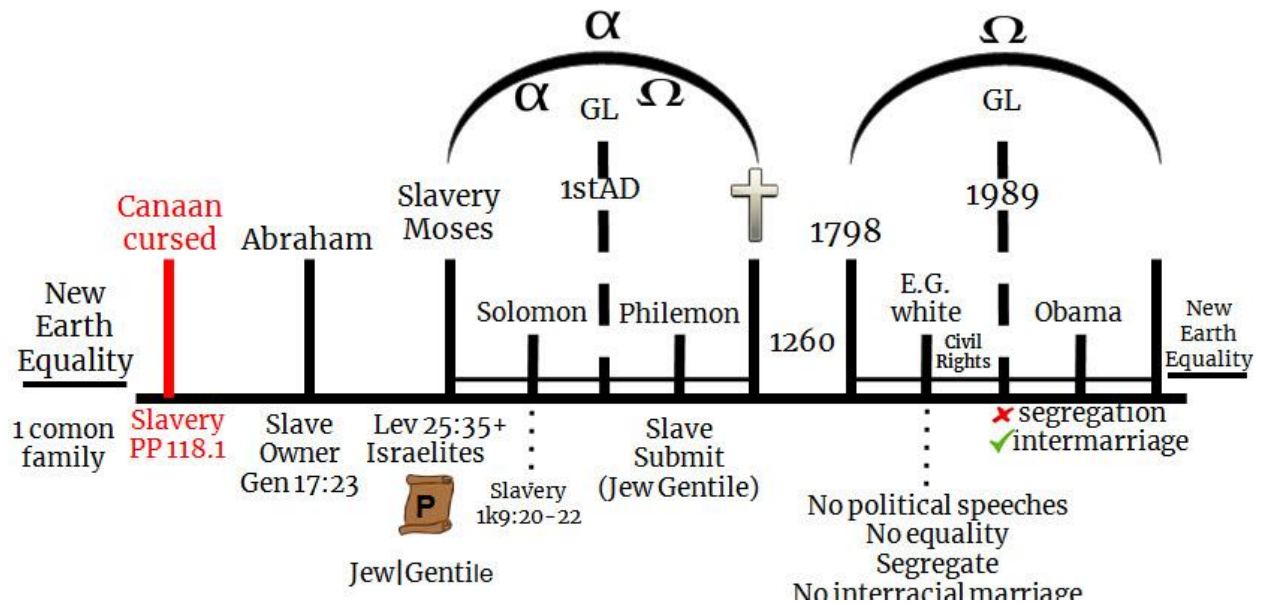

Equality

Earth was wicked

It was destroyed with a flood

There was a creation of a new earth

You have new earth and common parents

Canaan

Genesis 9:18- Noah and his 3sons:

Shem, Ham, Japheth

Canaan, the grandson is already introduced

Noah-Son-Ham-Grandson-Canaan

Genesis 9

Verse 20 - Noah plants a vineyard

Verse 21 - He gets drunk

Verse 22 – Ham comes in finds him naked, tells his brothers

Verse 23 – The brothers respond with respect

Verse 24 – Noah wakes up from the drunken stupor and knows what Ham has done

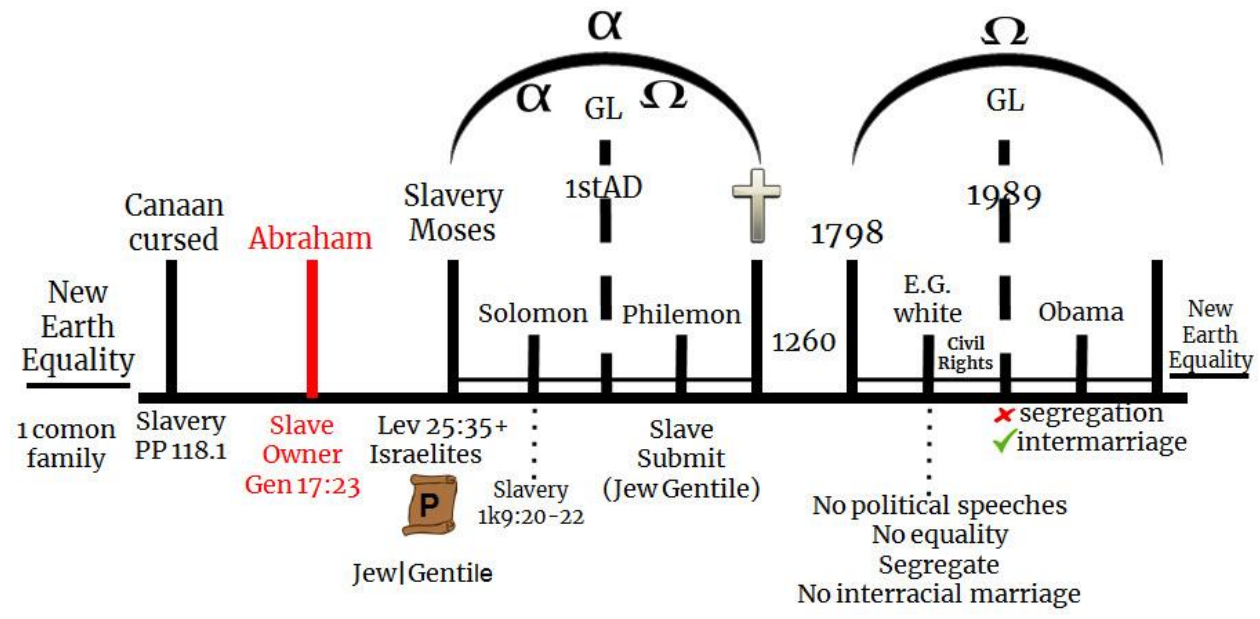

Verse 25 – And he says cursed be Canaan; a slave shall be to his brothers

Verse 26 – Blessed be Shem, Canaan shall be his slave

Verse 27 – God will bless Japheth, Canaan shall be his slave

Patriarchs and Prophets 118:1

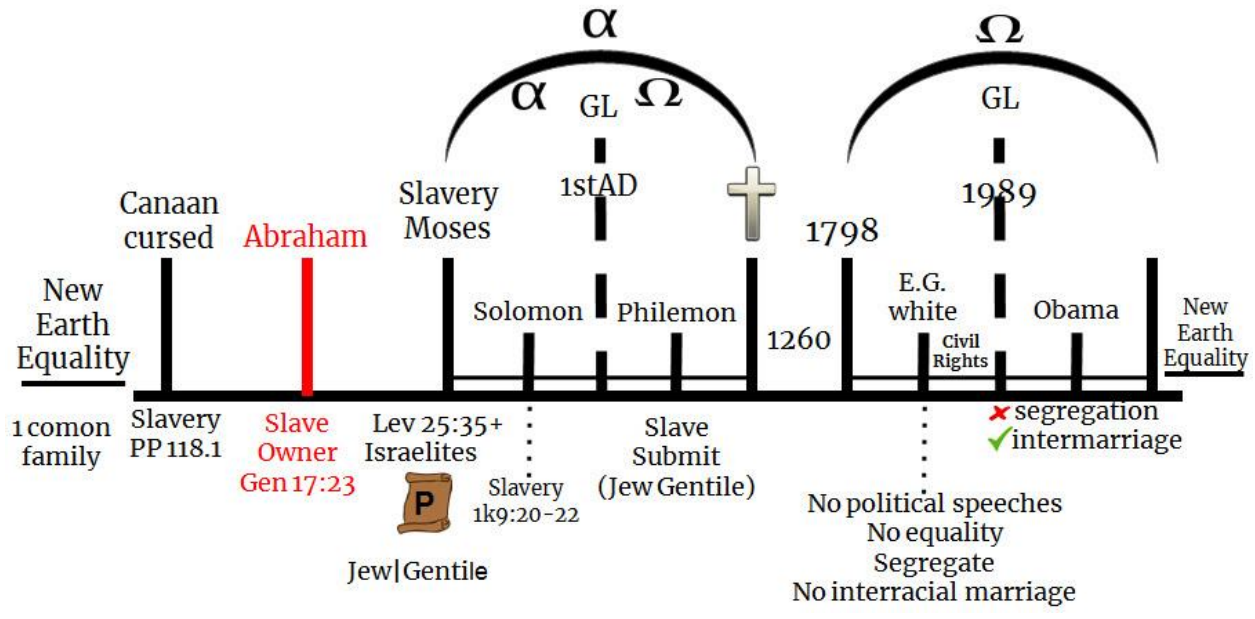

“The posterity of Canaan descended to the most degrading forms of heathenism. Though the prophetic curse had doomed them to slavery, the doom was withheld for centuries. God bore with their impiety and corruption until they passed the limits of divine forbearance. Then they were dispossessed, and became bondmen to the descendants of Shem and Japheth.”

Abraham

Genesis 17:23-27

And Abraham took Ishmael his son, and all that were born in his house, and all that were bought with his money, every male among the men of Abraham's house; and circumcised the flesh of their foreskin in the selfsame day, as God had said unto him...And all the men of his house, born in the house, and bought with money of the stranger, were circumcised with him.

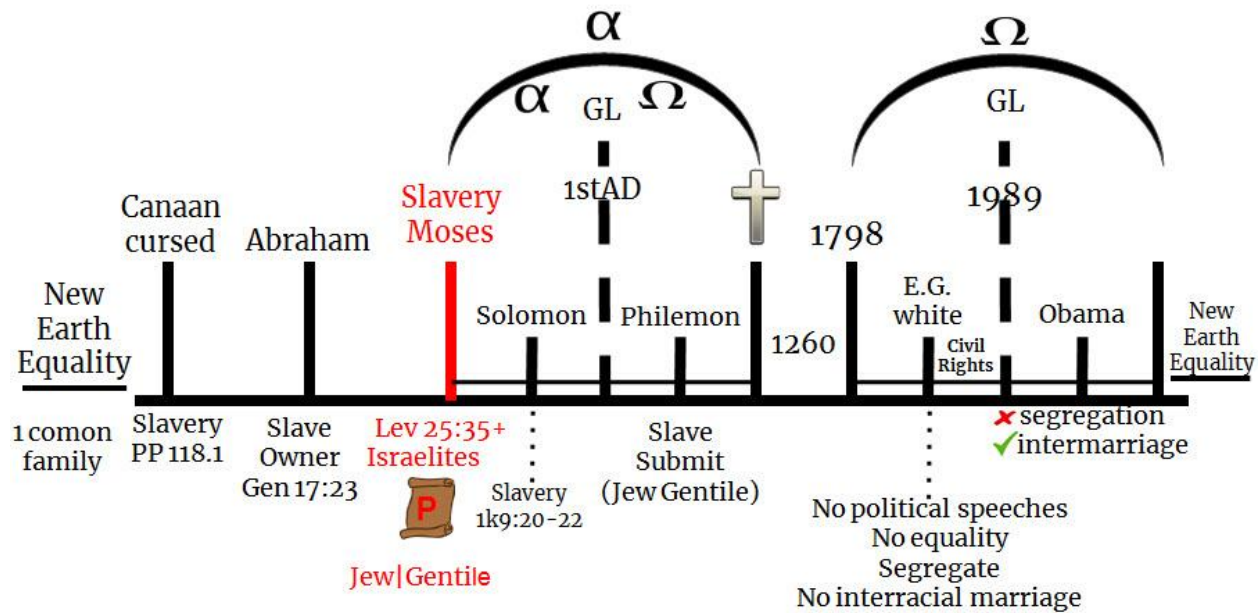

Bought with his money

Abraham had slaves, he was a slave owner, and he circumcised every male bought with money in his house whether they wanted it or not- they were slaves, They had no choice.

Reads from a secular book written in 1864 by the south in the Civil War laying out their Bible arguments in defense of slavery.

“The curse pronounced by God through Noah had no limitations, it was perpetual it extended from generation to generation and then you see it go from Noah to Abraham. Abraham is the Father of the Faith, the friend of God and a slave owner some born in his house and bought with his money.”

Glorious Land

Moses

God is establishing the Glorious land

Ancient Israel- the alpha glorious land at its birth

God tells them how to treat poor Israelite brethren

Leviticus 25:35

And if thy brother be waxen poor, and fallen in decay with thee; then thou shalt relieve him: though he be a stranger, or a sojourner; that he may live with thee.

Two Classes

Israelite Passport- Set of rights granted

Passport- No equal rights

Leviticus 25

Verse 35 – If your brother is poor, even if he be a stranger let him live with you

Verse 36 – Don't make him pay you, just share with him

Verse 38 – Because I brought you out of Egypt to be your God- to give you the glorious land

Verse 39 – If your brother that lives with you is poor and he's sold to you, you won't treat him like a slave, but like a hired servant

Verse 40- And he will serve you until the Jubilee

Verse 41 – And then you will set him free, sending him and his children back to his own family

Verse 42 – For they are my servants- those Israelites with the Passport which I brought out of Egypt, they will not be slaves

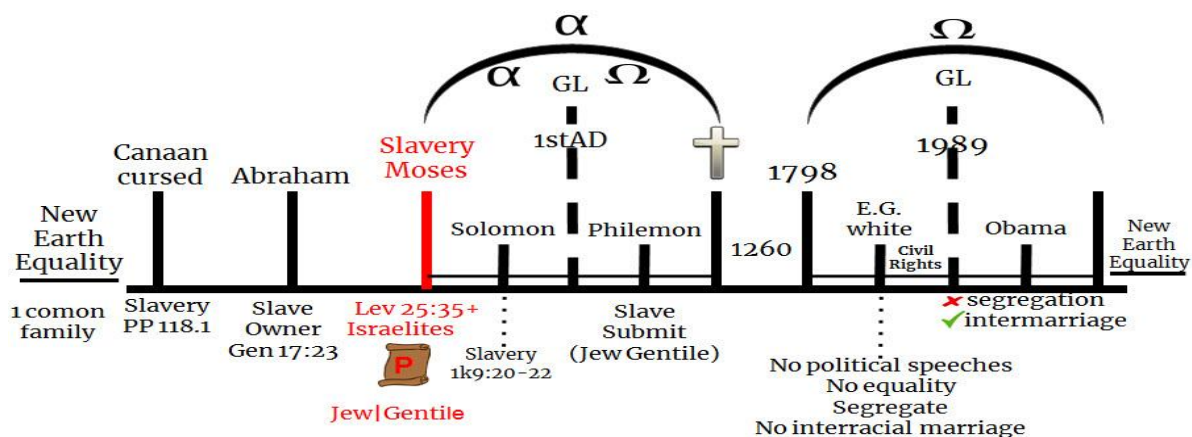

Verse 43 – You won't rule over him harshly

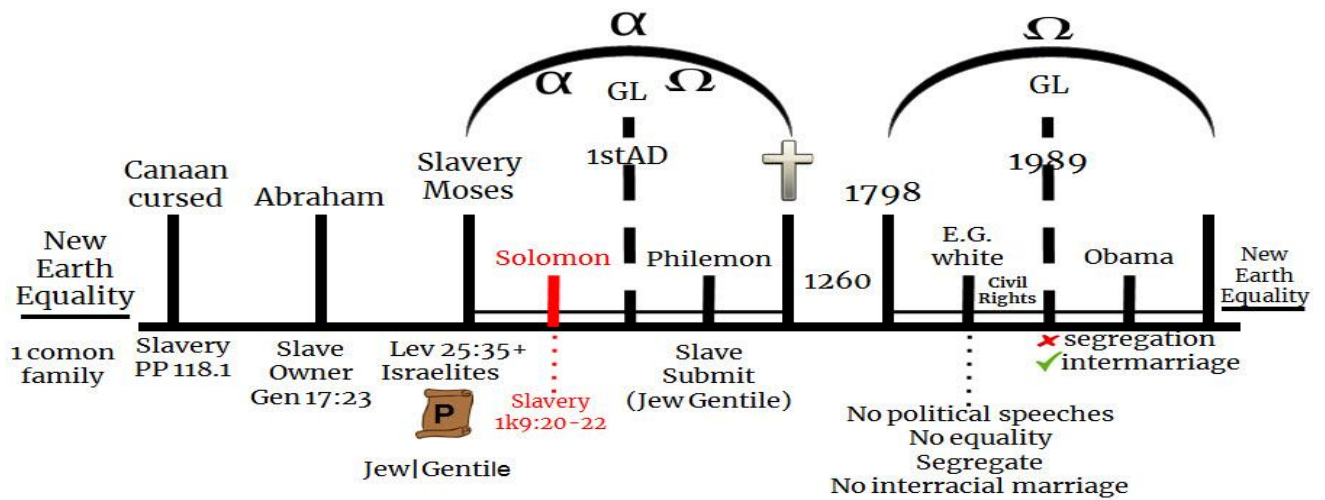

Verse 44 – But your slaves which ye shall have, shall be of the heathen round about you- of them you can buy or sell

Verse 45 – You'll own their children

Verse 46 – When you die, your children take your slaves because they will be your slaves forever

At the very beginning of the Glorious Land there is the institution of slavery by a Thus Saith the Lord

Solomon

1Kings 9:10-20, 21, 22

Verse 10- Solomon finishes building two houses, God's and the King's, and talks about other feats he had accomplished

Verse 20 – Takes about five other tribes that are not children of the glorious land: Amorites, Hittites, Perizzites, Hivites, and Jebusites

Verses 21 – Their children that were left after them in the land that were not destroyed Solomon made slaves

Verse 22 – But the children of Israel, Solomon didn't make slaves

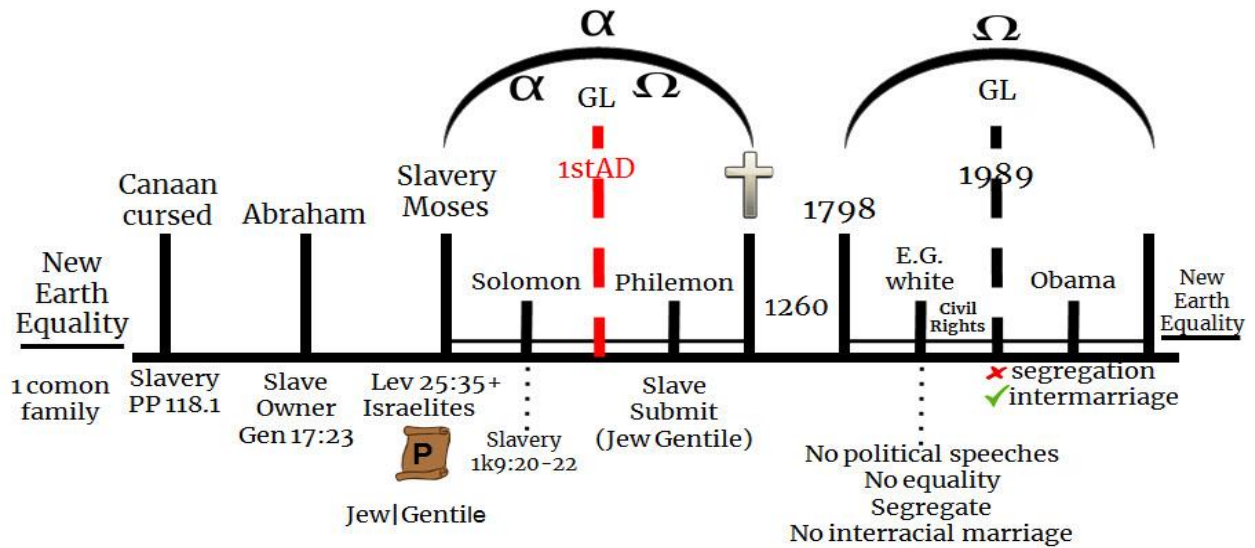

Solomon is faithfully following the instruction of God given through Moses.

Back to the book

“Truth does not lose its value with age nor can you give respect to error just because it's more recent. The Bible is a pro-slavery book, and yet you abolitionist want to argue that God is anti-slavery.”

The south has every Thus Saith the Lord written in that book from old testament----- new testament.

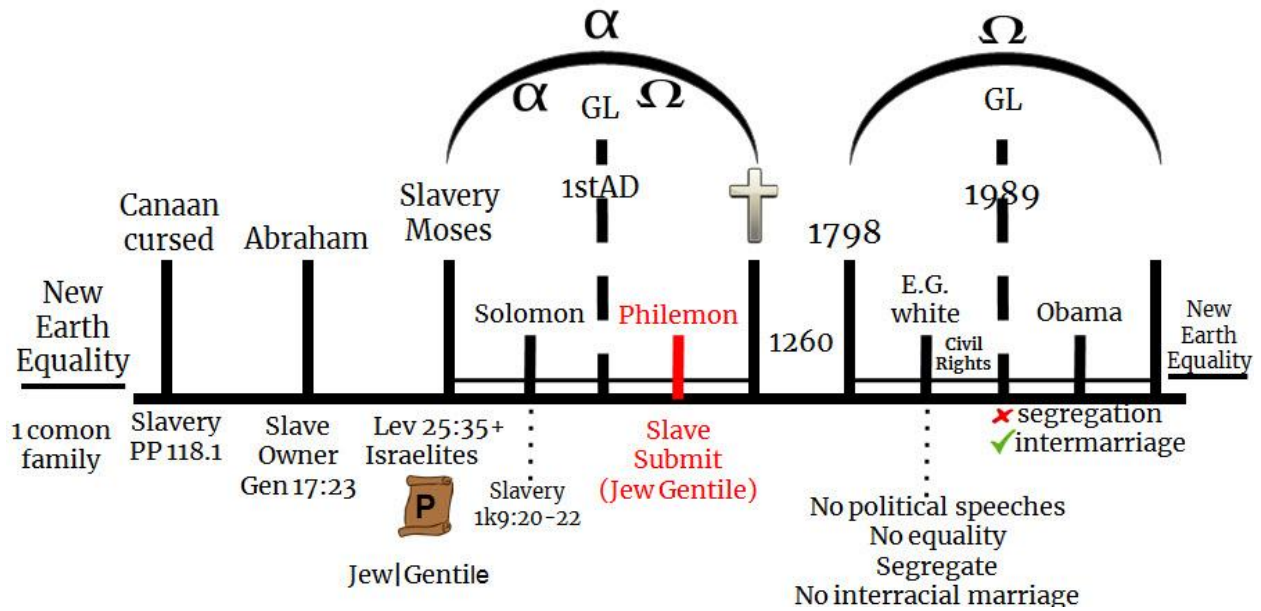

1st Advent

This was the alpha glorious land

Begins with Moses

Ends with the time of Christ

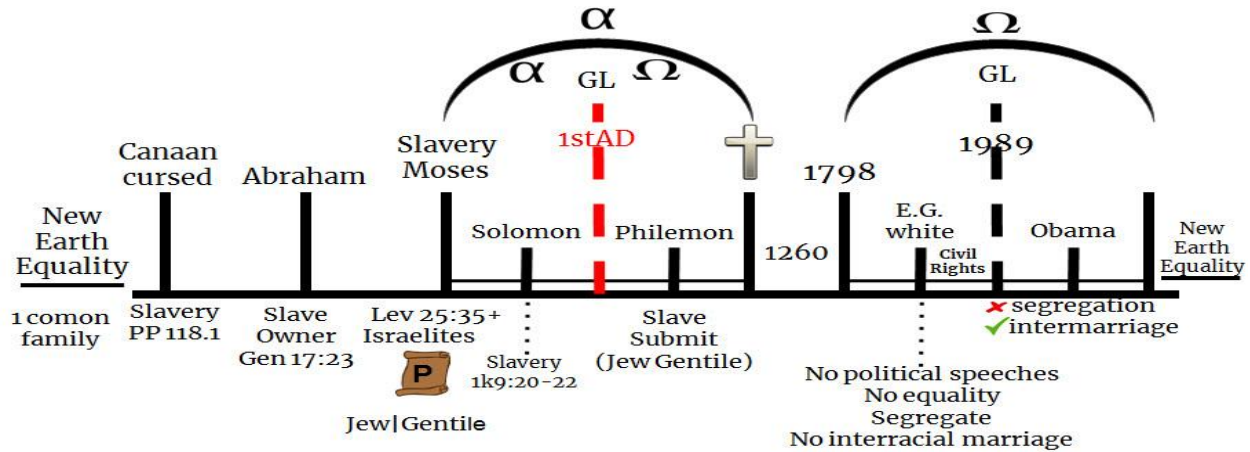

We also divide it into two histories, the beginning and the end, an alpha and omega.

Philemon

A slave, Onesimus, had run away from his master, Philemon. Onesimus found his way to Paul in Rome, where he was converted and, however nicely you want to state it, Paul tells him to go back and submit to his master and hope that he is good to you.

Paul promoted submission and slavery.

Omega History

Something strange is happening:

- New rebels are coming up
- Led by John the Baptist
- They're baptizing people
- And there is this Jesus

And what are they accusing him of-

“You're taking our alpha history, and you are destroying it.”

Because Christ is walking in direct opposition to their Thus Saith the Lord.

In the alpha Jews and Gentiles were separate.

In the omega Jews and Gentiles are equal- Paul states in Romans no special rights.

The Israel nation, those good conservative Pharisees said:

- You're trashing our alpha history
- You're in violation of our quotes, those Thus Saith the Lord

They're mentality was they were going to preserve their special identity as the Israel of God and they have every quote on their side to prove it.

Quoting from the book again

Speaking sarcastically-

“You’re going to say that the Bible is incomplete if you want to argue against slavery, doesn’t it seem strange that in a book this big there is not made room for one short sentence saying slavery is wrong. That’s all that’s needed- three words in the whole book and the question would have been answered.”

Moses----- Christ

- All through this history
- Old testament to the New testament no statement that slavery is wrong

Canaan----- Abraham----- Moses

- Ellen White in Patriarchs and Prophets said it came through God through Noah
- The Father of Israel, the Father of us all was a slave owner
- The alpha of the Alpha glorious land instituted it as God had instructed
- And in the new testament there is no verse to change that

Line upon Line

Ancient Israel (moses)

- God's people have been persecuted, they come out of Egypt
- God opens up a glorious land for them
 - The problem is it's populated
 - So what do they have to do?

Genocide- kill all the nations and bring in slavery

Modern Israel

1798

1260-----

- God's people are persecuted for 1260 years, they come out
- To the new glorious land the problem is, it's populated
- So if you want a Thus Saith the Lord, what are they supposed to do

Genocide- Kill all the native Indians and institute slavery

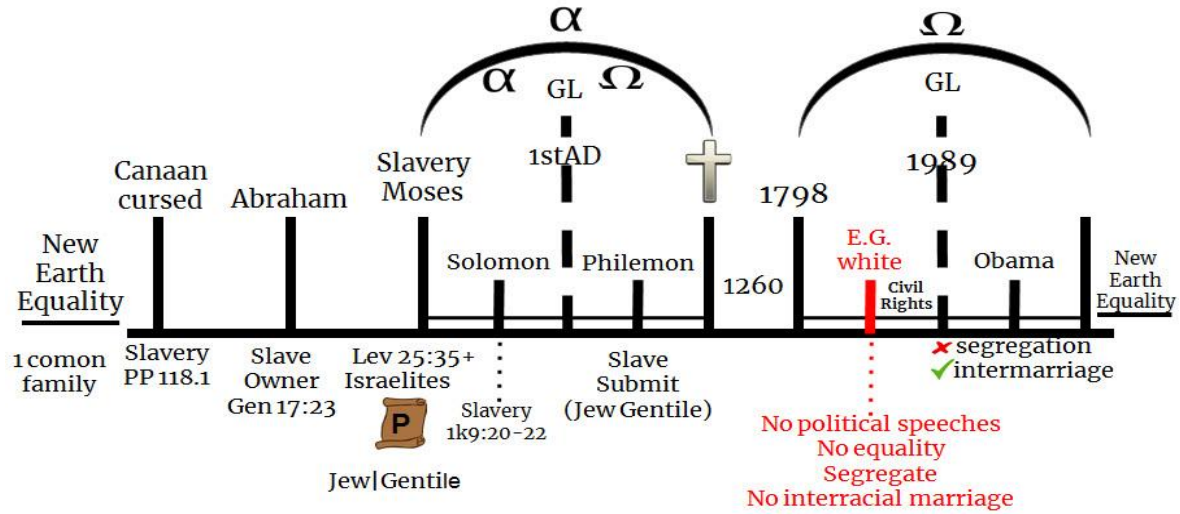

1798

1260-----

How the South defended slavery

- Same as the Religious Right today
 - Northerners are radical, like a terrorist group
 - Oppressing us with anti-slavery views
 - We can back our concept with science
 - Slavery is better for black people

They frame their arguments as freedom of belief and speech.

Ellen White raised up

Slavery= Sin

Problem God never changes

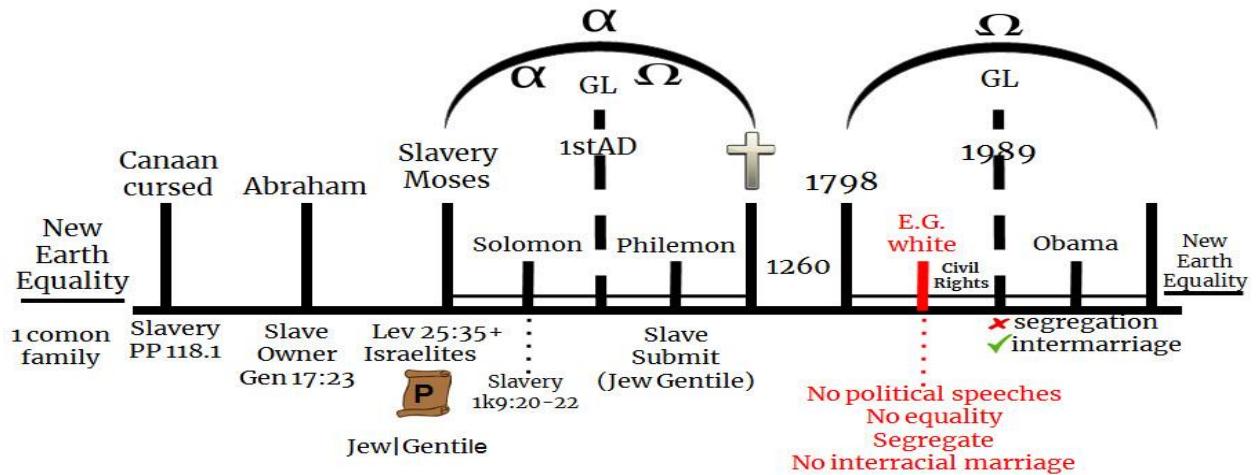

His word doesn't contradict slavery

So what is the answer to Ellen G. White seemingly going against a clear This Saith the Lord.

Paraphrased quotes of Ellen G. White

- No slavery, but I object to an interracial marriage
- Black people should not urge that they be placed on an equality with white, they should not urge for equality
- Workers can make no political speeches
- And the mingling of black and white in social equality is by no means to be encouraged

Segregate

1798 Civil Rights Movement 1989

Martin Luther King Jr.

vs. Evangelicals

I'm going to be political

God made a distinction,
and we need to
segregate

Fight for equality

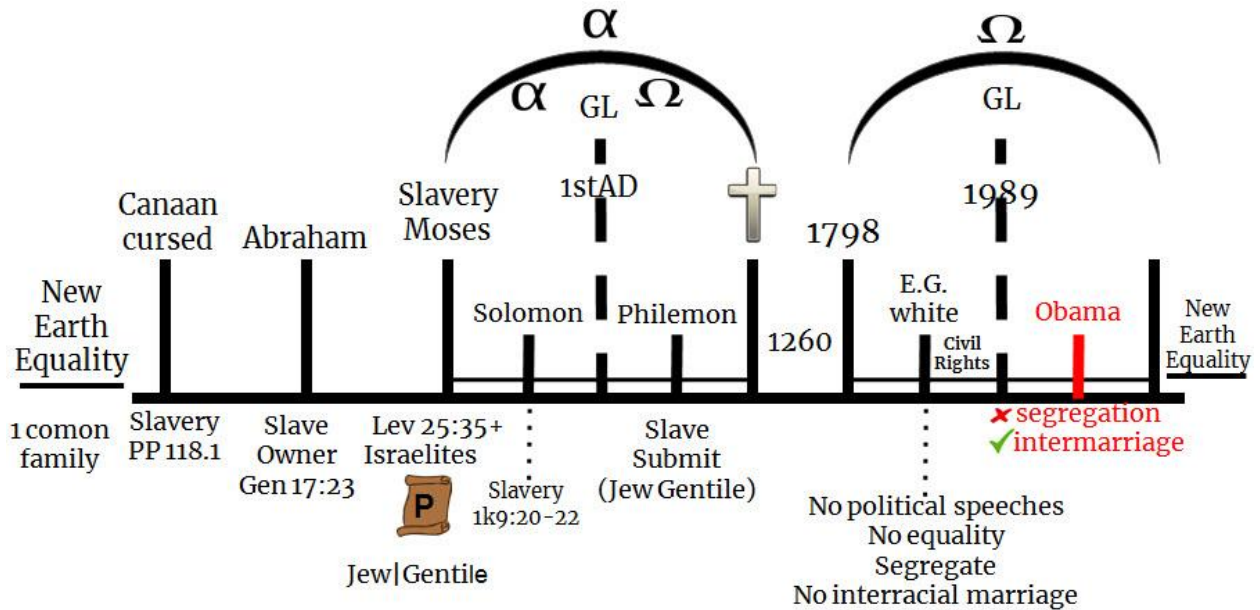

End segregation

Have no problem with interracial marriage

Problem, he's in direct violation of a "Thus saith the Prophet"

So that

During the Civil Rights movement, if we wanted to argue that that movement was going against inspiration; we would be against Martin Luther King Jr. then.

Obama-----

“All day every day”

- Yet in our history there’s a black president
- Leader of the free world- all day every day
- Making political speeches- prohibited by Sister White

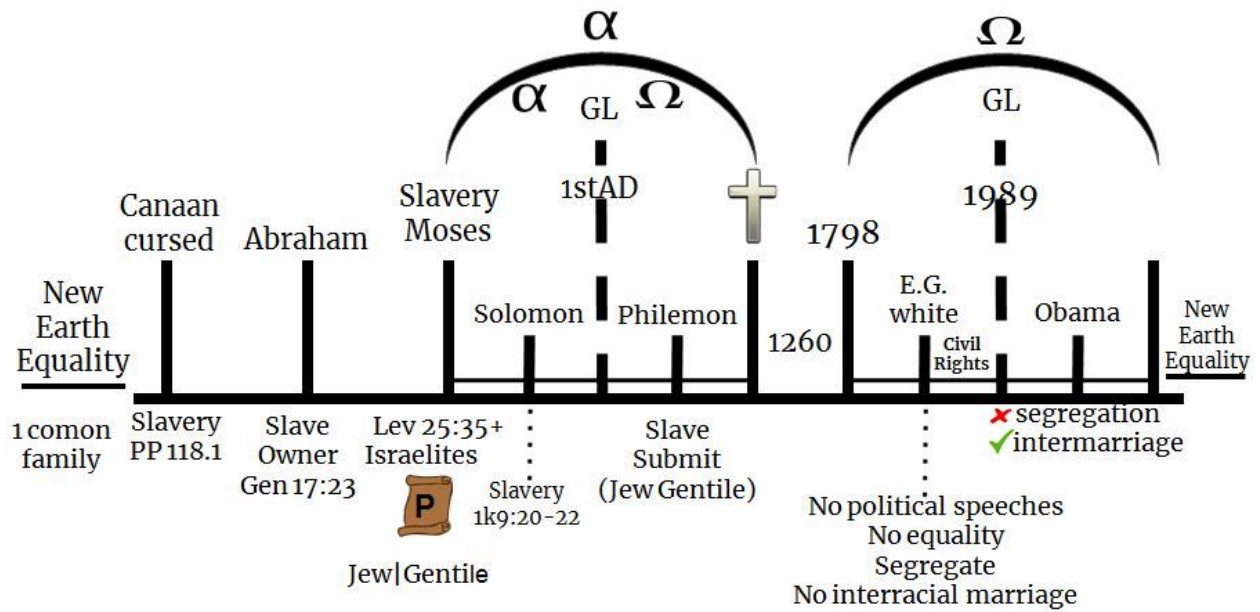

And this is what our movement says- he was the right choice as president- the last hope that America had.

We also say yes to intermarriage

And yes to no segregation

So let's be clear,

This movement, as it sits right now at an international Zoom meeting without segregation, is in direct violation of a "Thus Saith the Lord", make sure you understand that point.

Review of Racism

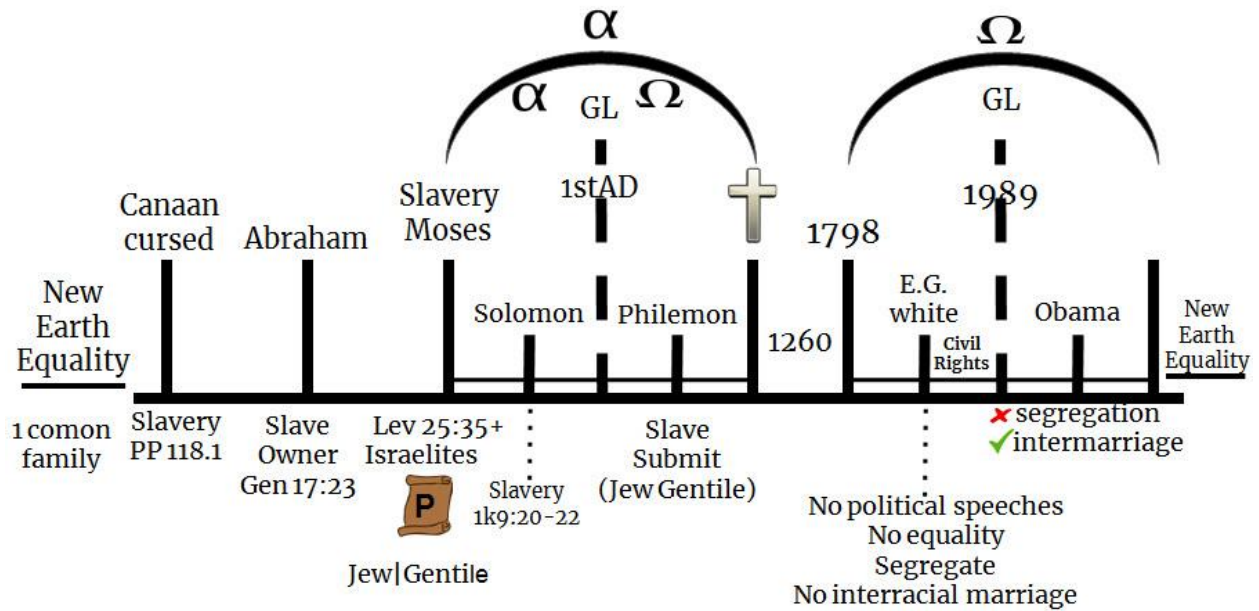

1. New Earth

- Equality
- One common family

2. A sin and a curse

- Introduction of racism

3. Abraham, the friend of God, the father of the faithful and a slave owner

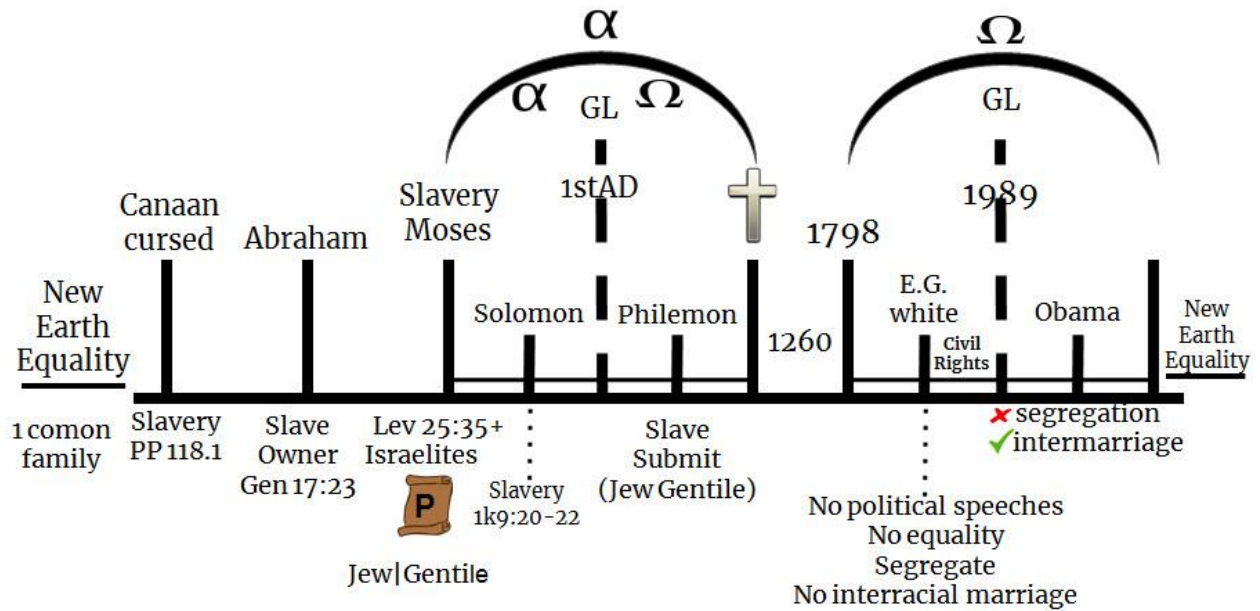

4. Alpha glorious land

- Instituted by God
- Separated Jews and Gentiles

5. Solomon- fulfilling God's instruction

6. First Advent- there's this new group, Pharisees don't know what to do with them, they come to them with all the quotes of Moses, and Jesus doesn't answer their quotes- he dodges their quotes and tells them another parable. But even in this history where they're breaking down the walls between Jews and Gentiles there's not a statement that slavery itself is wrong.

7. Omega glorious land- the United States

- I hope no one here thinks that America was right to massacre American Indians
- Just understand if you want to believe that you can defend it, and they have slavery

8. Then all of a sudden EGW- the prophet- says I don't care about the old and new testament, slavery is sin

- But says segregate, don't fight for equality, no intermarriage

9. Civil Rights movement

- If we stand with Martin Luther King Jr., we go against Jerry Falwell and Ellen G. White

10. Yet we're teaching despite the quotes that in our history for the last hope of America, God intentionally put it in the hands of a black president;

We refuse to follow Ellen White's counsel and segregate our camp and zoom meetings.

That concludes our Journey of Progression (Racism)

From new earth to new earth

One's destroyed by water,

one destroyed by fire

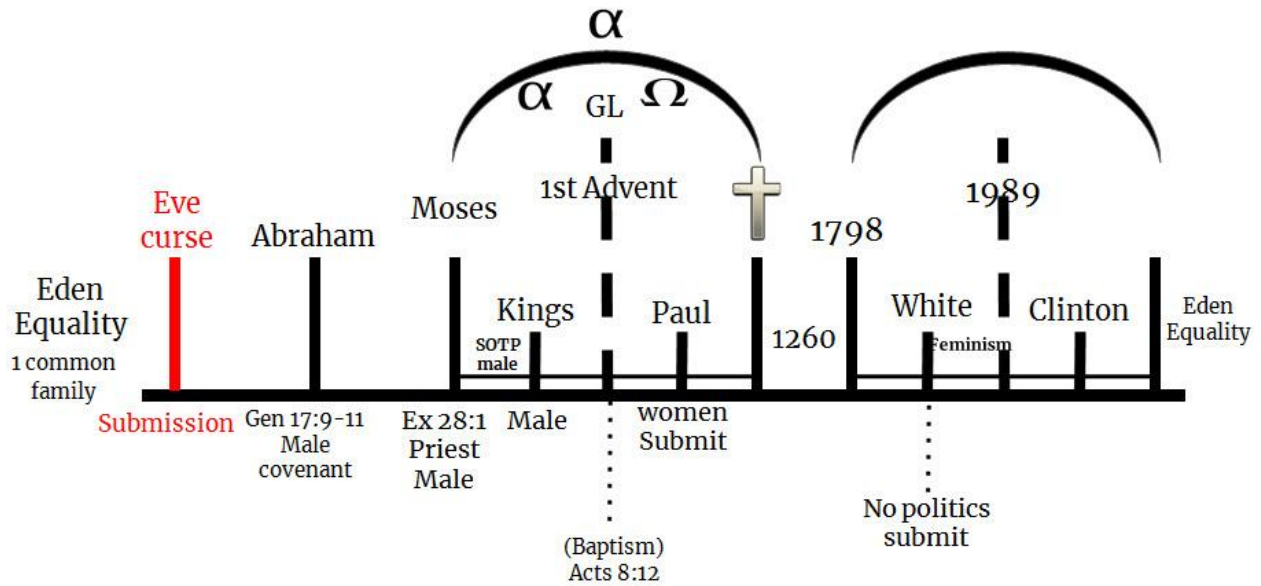

Introduction Part 2

We have another

One Common family in Eden

They were created with total equality

God gave dominion to Both of them

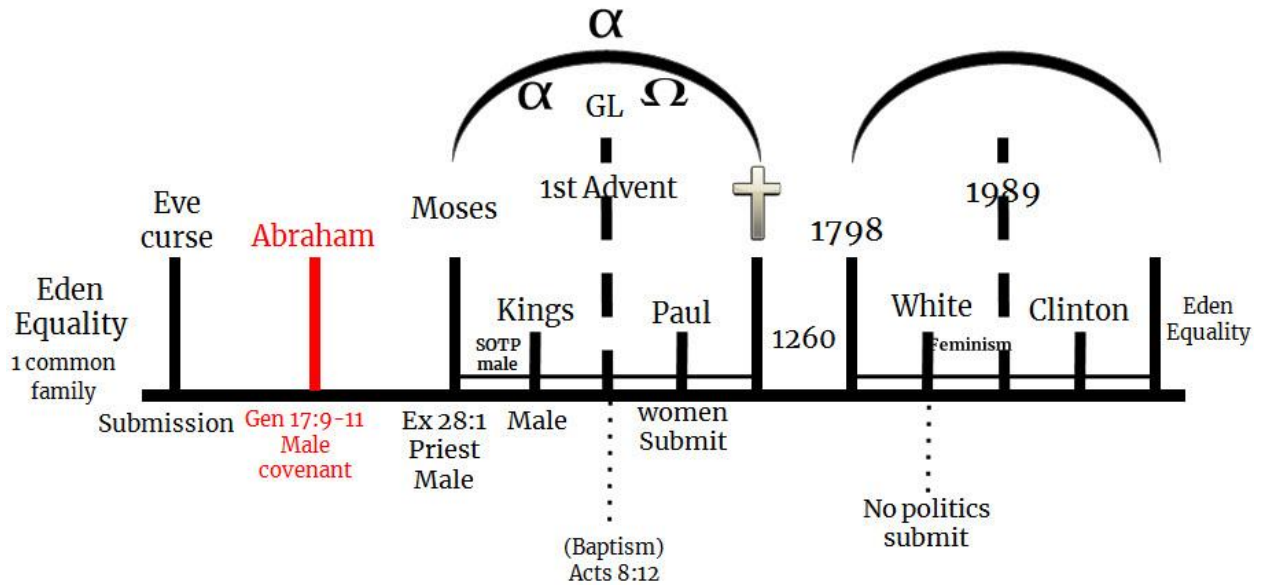

Eve-----

Genesis 3

Eve sins and a curse is placed over her

Verse 16- God tells her, “thy desire shall be to thy husband, and he shall rule over thee.”

In comes submission, rulership

Abraham-----

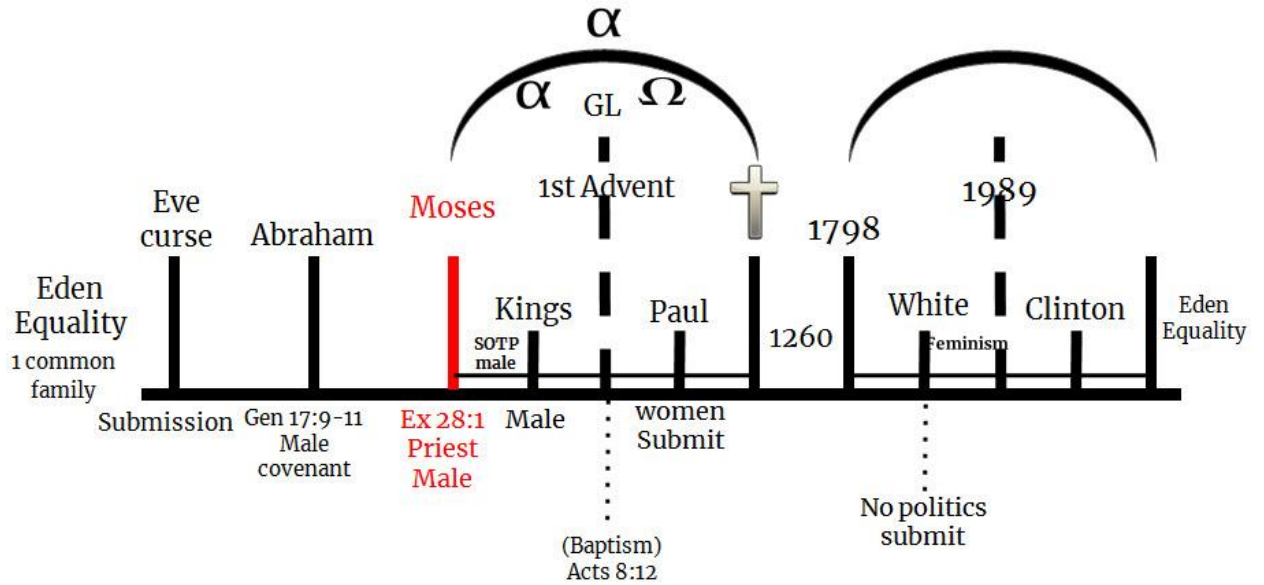

Genesis 17:9-11

Verse 9 – God said to Abraham, you’ll keep my covenant and all your children

Verse 10 – And this is the covenant, every man child among you is going to be brought into the covenant, how through circumcision

Question: What do you have to be to enter into covenant- Male

- From Abraham, Isaac, Jacob- through the 12 patriarchs, the tribes of Israel, covenants were between God and a man.
- If a woman wanted to be part of this covenant she was allowed in through connection with her husband.

Moses-----

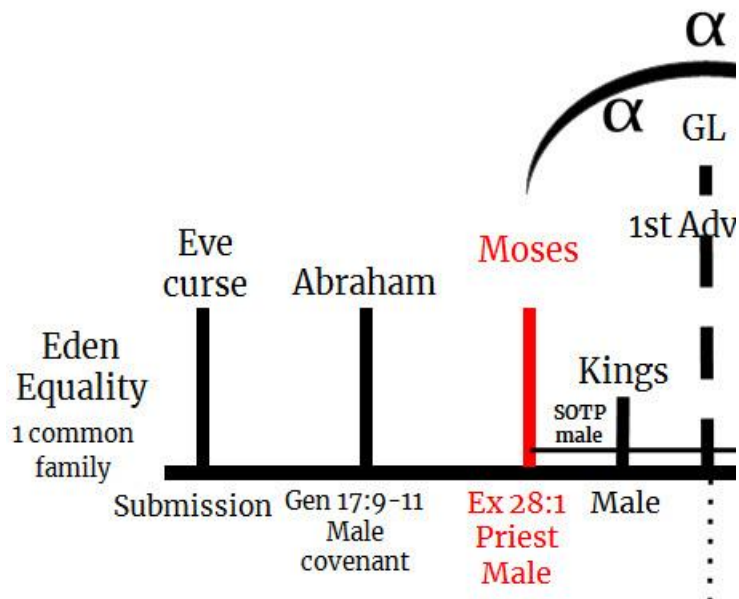

Going to introduce the tabernacle service and the priesthood

Exodus 28

Verse 1 – You’ll take Aaron, your brother and his sons to be priest and this is to continue down through the generations

Question: What gender are you required to be to be a priest-Male

Let's be clear: If any woman here considers herself a priest you're going directly against a Thus saith the Lord

Moses

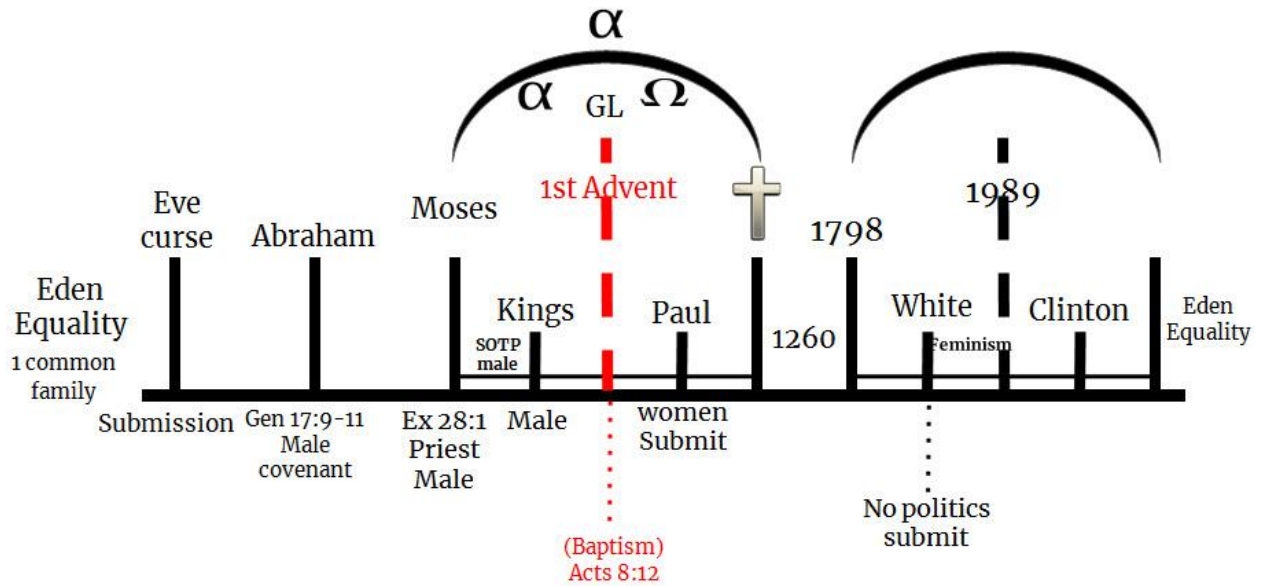

School of prophets-----

To educate people and set up leadership, what do you have to be to attend a School of the Prophets-Male

Patriarchs and Prophets 593.1

“Further provision was made for the instruction of the young, by the establishment of the schools of the prophets. If a youth desired to search deeper into the truths of the word of God and to seek wisdom from above, that he might become a teacher in Israel, these schools were open to him. The schools of the prophets were founded by Samuel to serve as a barrier against the widespread corruption, to provide for the moral and spiritual welfare of the youth, and to promote the future prosperity of the nation by furnishing it with men qualified to act in the fear of God as leaders and counselors. In the accomplishment of this object Samuel gathered companies of young men who were pious, intelligent, and studious. These were called the sons of the prophets. As they communed with God and studied His word and His works, wisdom from above was added to their natural endowments. The instructors were men not only

well versed in divine truth, but those who had themselves enjoyed communion with God and had received the special endowment of His Spirit. They enjoyed the respect and confidence of the people, both for learning and piety.”

1st Advent-----

Jesus, the radical reformer, comes on the scene
 He begins bringing people into covenant relation
 with God and teaches His disciples to do likewise.

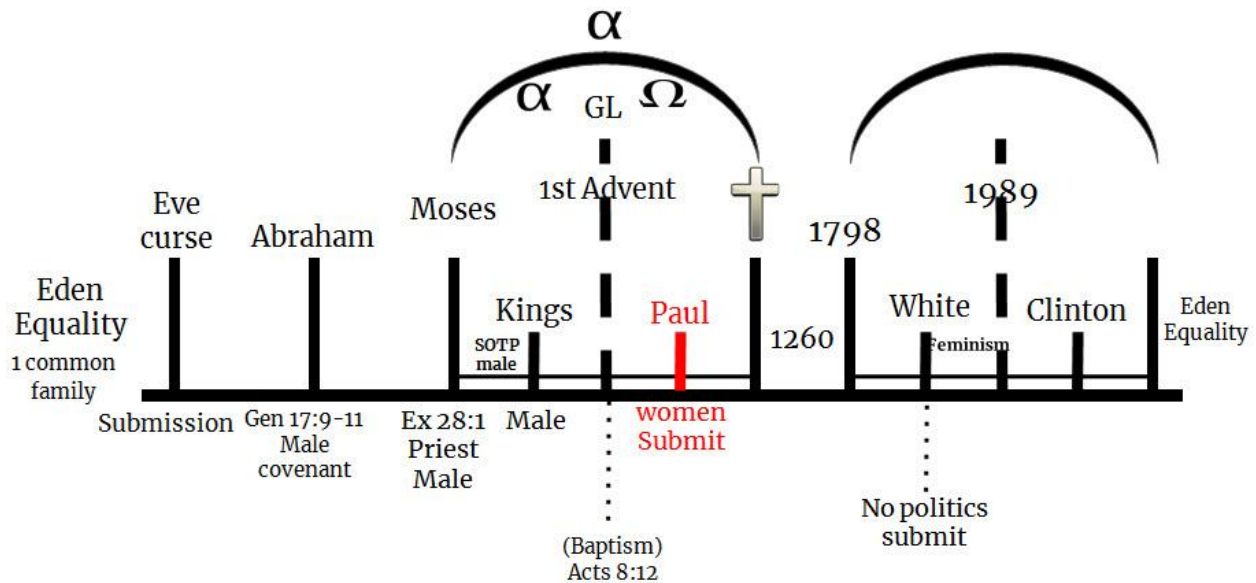

Acts 8:12

“But when they believed Philip preaching the things concerning the kingdom of God, and the name of Jesus Christ, they were baptized, both men and women.”

You have this new radical movement, that begins under John the Baptist, and what old testament scripture gave him any right to baptize a woman and bring her into covenant relationship with God.

You won't find any, but you will find quite a few that indicate he shouldn't.

So now you have many women who are entering into covenant with God.

Paul-----

But then, Paul comes along and says what-

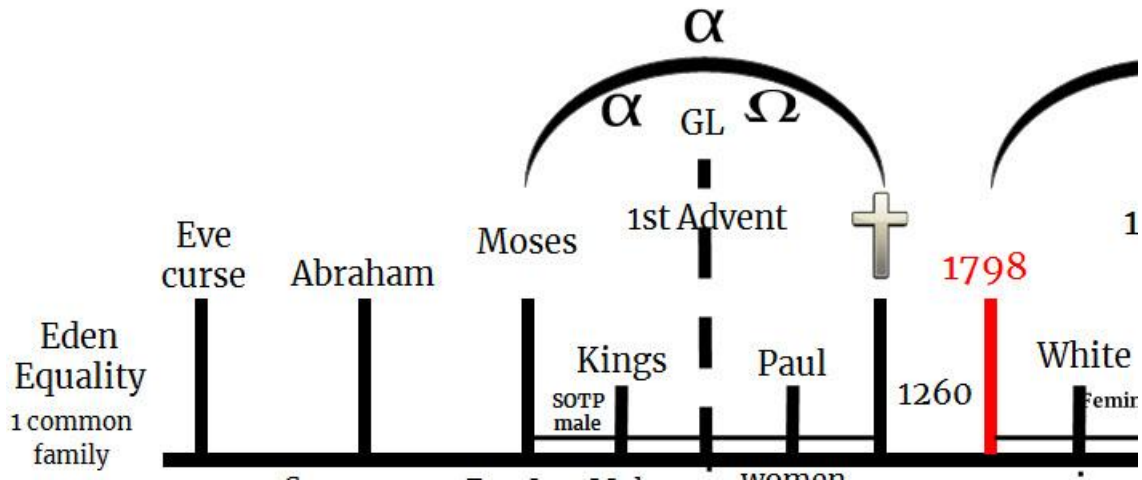

- Wives/women
- Submit

Ephesians 5:22

Wives, submit yourselves unto your own husbands, as unto the Lord.

Colossians 3:18

Wives, submit yourselves unto your own husbands, as it is fit in the Lord.

1798 White-----

There's a new movement being raised up, and there's an increase of knowledge.

And God gives us a woman prophet.

She encourages:

- Women to lead
- Women to teach
- They're to receive equal pay

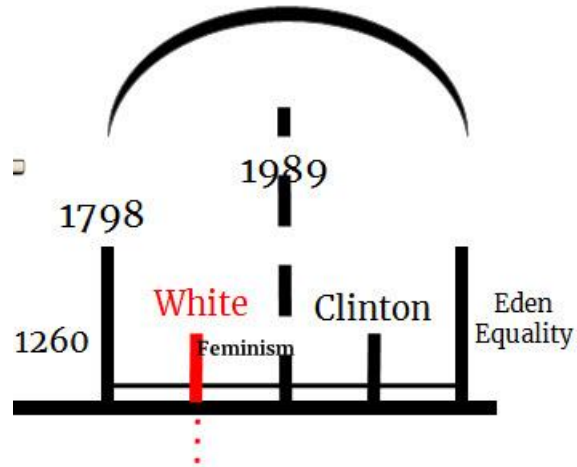

She makes statements like,

-- "we're going to set up schools like the Schools of the Prophets and they're going to be run by God fearing men and women."

her work was Revolutionary

But she also said:

- Don't get involved in politics
- Don't fight for the right to vote
- Submit to your husbands, be happy with your role and be quiet

Feminism

Then in this history, soon after Ellen White

A movement rises, fighting, using a political voice to argue for equality.

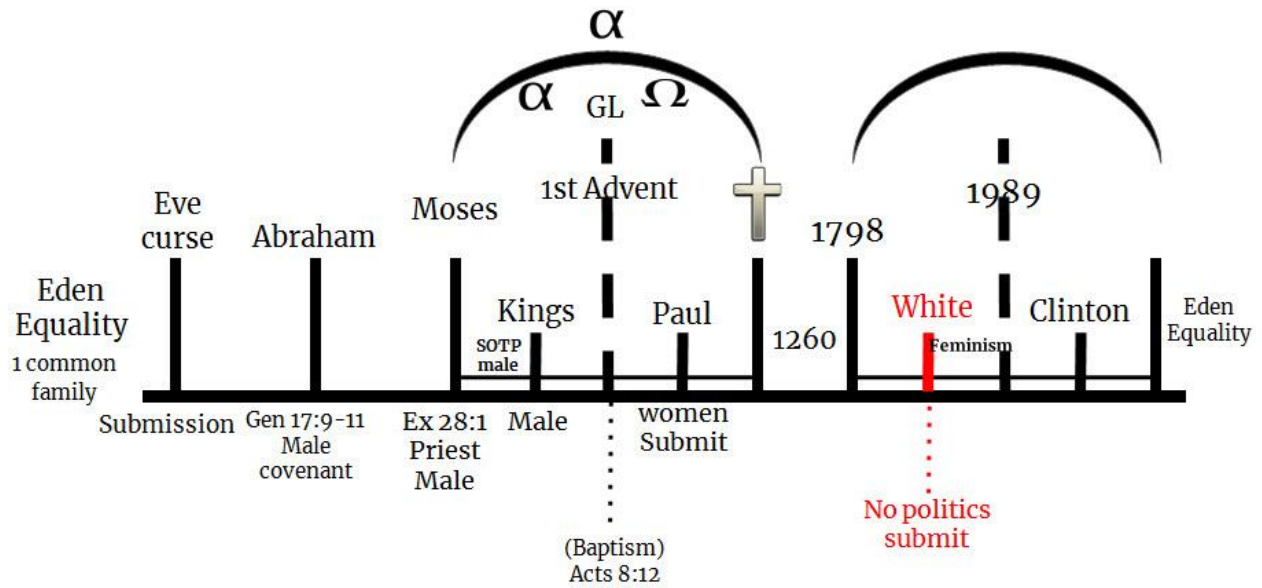

If the feminist movement is wrong, then the civil rights movement is also wrong.

But since people won't agree to that, what they are saying is we will use a "Thus saith the Lord" when it suits our agenda.

Jerry Falwell and the Christian Right have two arguments:

1. God made a distinction on race
2. God made a distinction on gender

And we need to fight to maintain those distinctions in order to conserve or preserve our society.

Hillary-----

Let's make a point clear

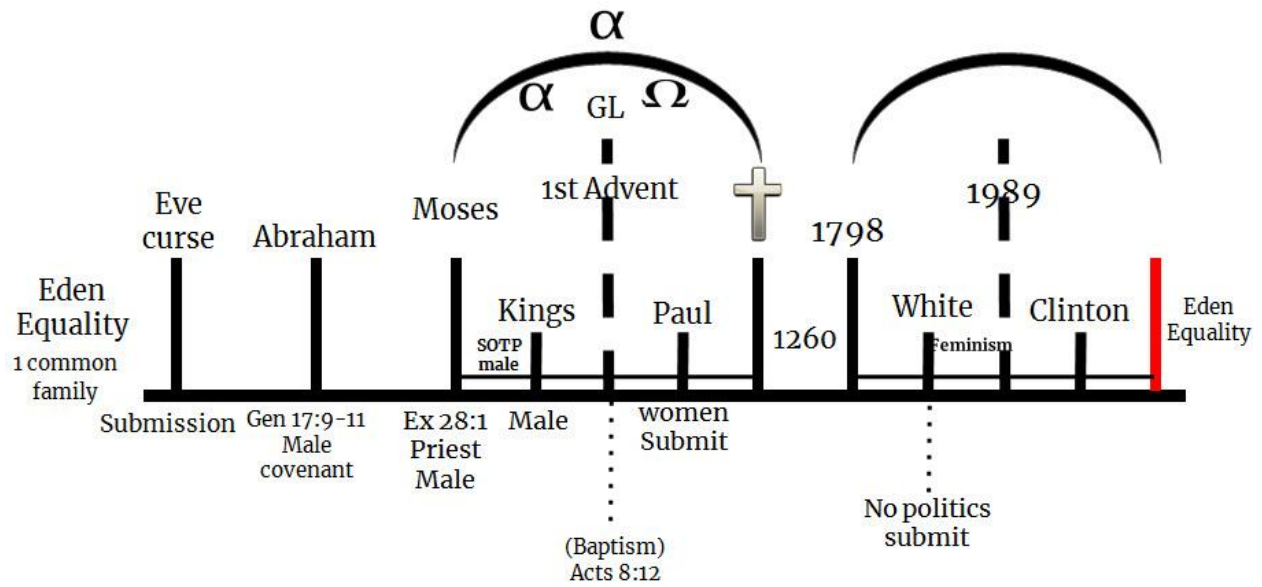

In our history:

- Women are priest
- She can be baptized
- She can attend a prophecy school and,

The last hope that the United States had was to elect a female president to be leader of the free world.

Do you think she would have gone home every
night and say to Bill, the Queen wants me to visit;
do I have your permission?

No country runs that way

We are moving from Eden lost to Eden restored;
 this is the line of gender or specifically sexism.

This is a line of progression.

We are in a new dispensation, we can't go back to
 Abraham's dispensation and bring that literally into
 our own and apply it.

We had baptisms six months ago and we'll have them in six days.

And if Abraham walks in requesting baptism, we will say NO- you're a sinner we won't baptize you

Moses- NO

Solomon- NO

Paul- NO

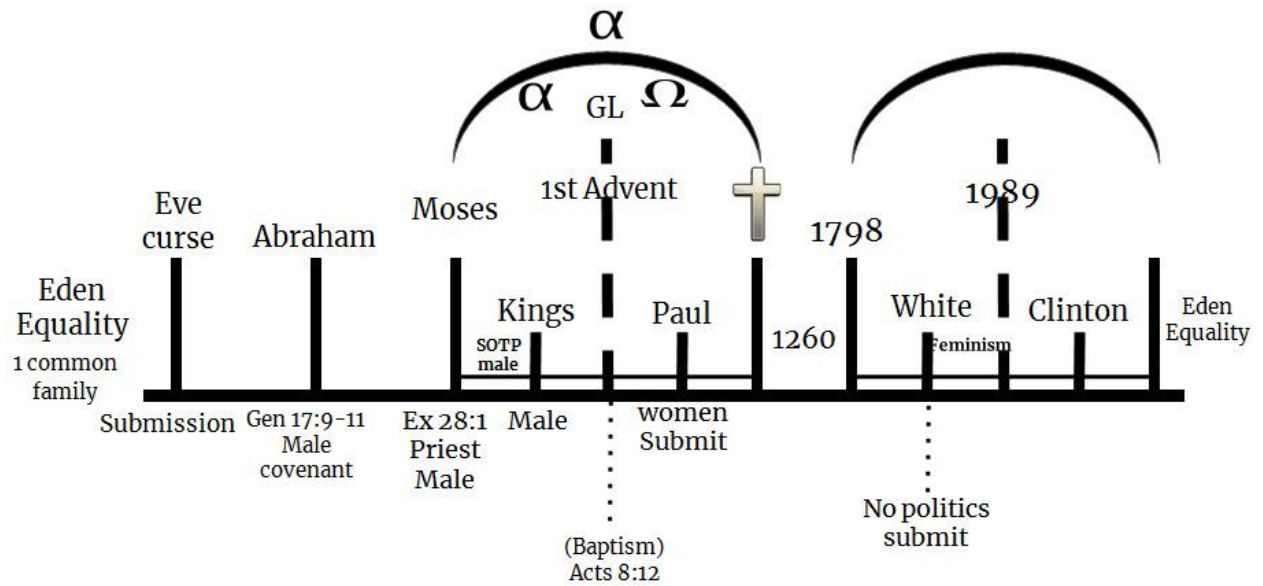

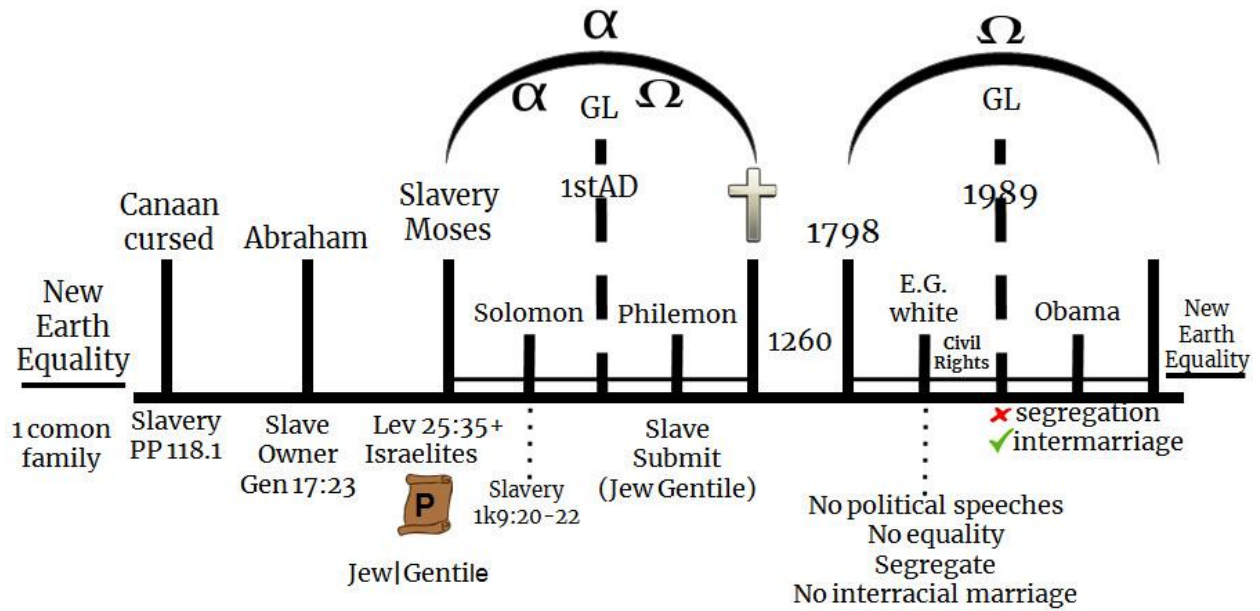

William Miller- Not a chance you Sunday keeping, meat eater

Objection raised

They operate differently; men and women have different minds.

Answer: Most of these objections are conspiracy theories.

Studies shown through the latest science, demonstrate that the vast majority of the differences existing between genders are because society doesn't treat them as equal- its education and opportunity.

Both charts

What we have is the introduction of sin and then a progressive restoration.

One a line of restoration you are not allowed to go backwards in time.

The only way to greatness is Forward and Forward is Equality.

Forward is New Eden.

Forward is the New Earth.

We are not in Moses' dispensation.

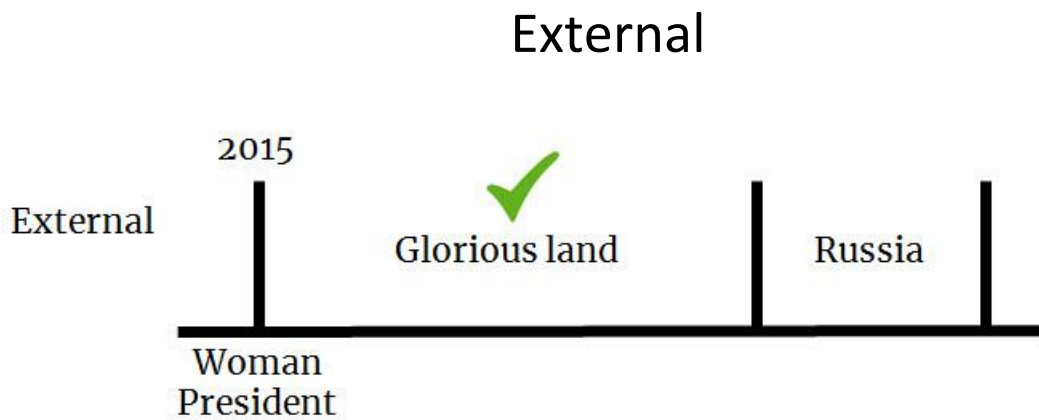

We are not in Abraham's.

We are not in Ellen White's dispensation, but many of us still live as though we are.

Question

In the time of Christ what happened to the people who were trying to live as if they were in Moses' dispensation?

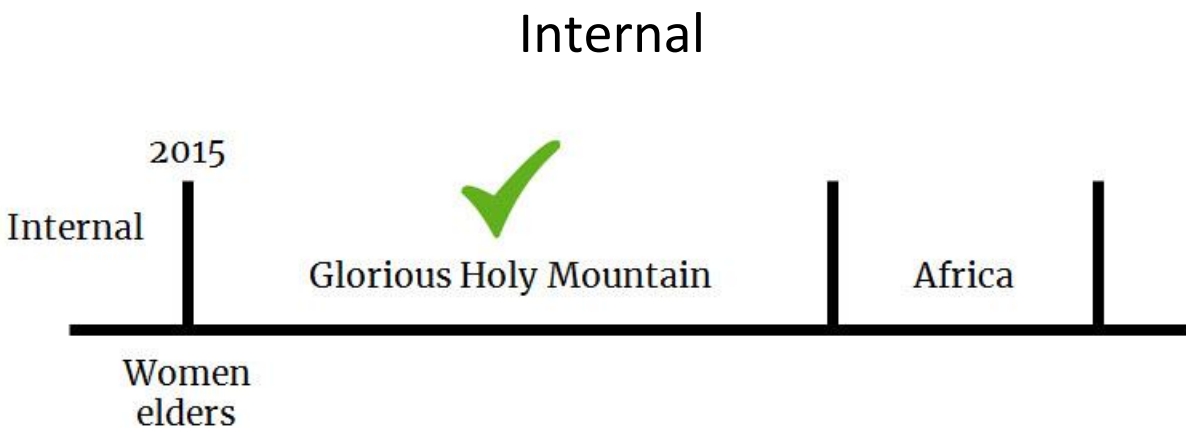

They failed; they were cut off.

Through 6,000 years of history brings us to the point where the only thing standing between having a woman president is a vote.

- Hilary Clinton stands up for president
- It goes to a vote
- The glorious land votes correctly
- She won the popular vote

But an outside conservative influence interfered with the vote of the glorious land.

- Women stand up stating they want to be ordained as elders
- Did the glorious holy mountain- world conference of SDA's vote correctly- Yes
- But conservative nations blocked it

Our tests for this dispensation are:

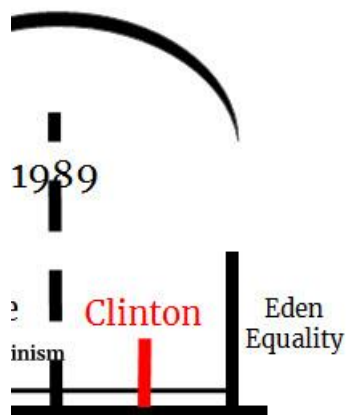

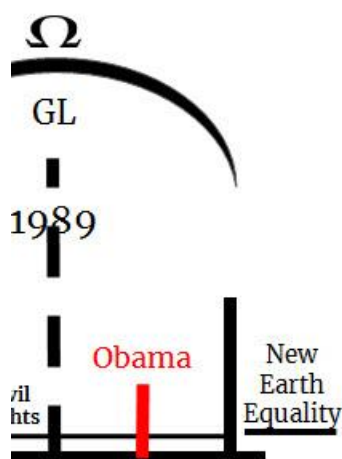

Conspiracy Theories- Fox News

Sexism

Racism/nationalism

Progression:

We've moved from the new earth to the new earth, from Eden to Eden, from total equality to total equality. If it's total equality under Obama it would have been total equality under Clinton because in the alpha glorious land a woman couldn't be king.

There are 3 levels to demonstrate equality

World- ✓ Clinton Buttigieg?

Home- ✓ Families

Church- ✓ Ministries

Lets Pray
